Unlike the other sites on this list, Centsless Books is a curator-aggregator of Kindle books available on Amazon. Its mission is to make it easy for you to stay on top of all the free eBooks available from the online retailer. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Amazon's star rating and

its number of reviews are shown below each book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. The split between "free public domain eBooks" and "free original eBooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. There aren't a lot of free Kindle books here because they aren't free for a very long period of time, though there are plenty of genres you can browse through. Look carefully on each download page and you can find when the free deal ends. So, look no further as here we have a selection of best websites to download free eBooks for all those book avid readers. OpenLibrary is a not for profit and an open source

website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. FULL-SERVICE BOOK DISTRIBUTION. Helping publishers grow their business through partnership, trust, and collaboration. Book Sales & Distribution. The Online Books Page: Maintained by the University of Pennsylvania, this page lists over one million free books available for download in dozens of different formats.
