While I Am Drawing Breath Rose Ausländer.2014 The experience of living in the Chernovtsy ghetto under the Nazis remains a dark undertow of all the poetry Ausländer wrote, though she rarely addresses it explicitly. The hardships of a life in hiding, the constant fear of Nazi terror, the horror of the concentration camps are all present in many of the poems.

The Business Affairs of Mr Julius Caesar Bertolt Brecht.2016-01-28 Bertolt Brecht's extraordinary historical novel presents an aspiring scholar's efforts to write an idealized life of Julius Caesar twenty years after his death. But the historian abandons his planned biography, confronted by a baffling range of contradictory views. Was Caesar an opportunist, a permanently bankrupt businessman who became too big for the banks to allow him to fail - as his former banker claims? Did he stumble into power while trying to make money, as suggested by the diary of his former slave? Across these different versions of Caesar's career in the political and economic life of Rome, Brecht wryly contrasts the narratives of imperial progress with the reality of grasping self-interest, in a sly allegory that points to the Weimar Republic and perhaps even to our own times. Brecht reminds his readers of the need for constant vigilance and critical suspicion towards the great figures of the past. In an echo of his dramatic theories, the audience is confronted with its own task of active interpretation rather than passive acceptance -- we have to work out our own views about Mr Julius Caesar. This edition is translated by Charles Osborne and features an introduction and editorial notes by Anthony Phelan and Tom Kuhn.

Guilt and Freedom Bruce Narramore,Bill Counts.1974 You're guilty! You're a failure You've done it again. These accusations are not audible charges leveled by a stern judge, a thundering preacher, or an angry parent. They are the silent condemnations and self-criticisms deep in the soul of everyone, that can cripple and enslave the personality. They can drive you into neurosis, wreck your marriage and rob you of personal fulfillment -- often without your knowledge. But there is Freedom From Guilt. Freedom from guilt and its effects is possible for everyone! The authors combine their psychological and biblical insights in this book to explore the dark caverns of human emotions and to illuminate the path that leads through complete forgiveness to self-acceptance, spontaneous freedom and exhilarating growth. - Back cover

Imagining the Balkans Maria Todorova.2009-04-15 If the Balkans hadn't existed, they would have been invented was the verdict of Count Hermann Keyserling in his famous 1928 publication, *Europe*. Over ten years ago, Maria Todorova traced the relationship between the reality and the invention. Based on a rich selection of travelogues, diplomatic accounts, academic surveys, journalism, and belles-lettres in many languages, *Imagining the Balkans* explored the ontology of the Balkans from the sixteenth century to the present day, uncovering the ways in which an insidious intellectual tradition was constructed, became mythologized, and is still being transmitted as discourse. Maria Todorova, who was raised in the Balkans, is in a unique position to bring both scholarship and sympathy to her subject, and in a new afterword she reflects on recent developments in the study of the Balkans and political developments on the ground since the publication of *Imagining the Balkans*. The afterword explores the controversy over Todorova's coining of the term *Balkanism*. With this work, Todorova offers a timely, updated, accessible study of how an innocent geographic appellation was transformed into one of the most powerful and widespread pejorative designations in modern history.

Charles Bovary, Country Doctor Jean Améry.2018-09-04 Fans of Flaubert's *Madame Bovary* will want to read this reimagining of one of literature's most famous failures, *Charles Bovary, Country Doctor*. Part fiction, part philosophy, *Charles Bovary, Country Doctor* is also a book about love. *Charles Bovary, Country Doctor* is one of the most unusual projects in twentieth-century literature: a novel-essay devoted to salvaging poor bungler *Charles Bovary*, the pathetic, laughable, cuckolded husband of *Madame Bovary* and the heartless creation of *Gustave Flaubert*. As a once-promising novelist who was tortured by the Nazis and survived a year in *Auschwitz*, author *Jean Améry* had a particular sympathy for the lived experience of vulnerability, affliction, and suffering, and in this book—available in English for the first time—he asserts the moral claims of *Dr. Bovary*. What results is a moving paean to the humanity of *Charles Bovary* and to the supreme value of love.

Parapsychology D Scott Rogo.2022-09-06 Are we more than our physical bodies? Do we survive bodily death? Does precognition, telepathy, distant healing, clairvoyance and ESP exist? How about near-death experiences, out-of-body experiences, remote viewing, Peak in Darien experiences and Deathbed Visions? In *Parapsychology: A Century of Enquiry*, D. Scott Rogo, one of the most prolific investigative journalists in the genre, examined anomalous phenomena in his own compelling, engaging style before his life was cut short in 1991. It's a subject-arguably the most important subject-where there are countless examples of anecdotal evidence but very few ways of measuring and predicting outcomes, therefore materialist science maintains, There's no scientific evidence; it's a coincidence; wish fulfilment, confirmation bias; the law of large numbers, delusion or a hallucination. The scientific debate has raged since the mid 1800s. Meanwhile, the phenomena continues to occur, and with the advent of the internet we can see it happens all over the world and has throughout history. A mother wakes up because her baby is experiencing convulsions. She takes her to the hospital at 2:00am. The next day she receives a letter from her mother a thousand miles away which reads: Be careful with the baby. Dad dreamed about her this week. He was quite disturbed because although he kept reaching and reaching for her, she kept slipping away from him until she was gone. The baby dies a few days later. Coincidence or a premonition? You decide.

The Glass Virgin Catherine Cookson.2004-12-06 From bestselling author Catherine Cookson comes a compelling riches-to-rags story featuring secrets, scandal, and emotional drama set in Victorian England. *Annabella Lagrange* had the kind of childhood that most can only dream about. The only child of an aristocratic couple, raised on their magnificent estate in the English countryside, she was loved by her parents and coddled by servants who acquiesced to her every whim. She was allowed to do anything she wanted, except, of course, to stray too far from her wing of the house. But her seclusion didn't concern her too much, because when she grew up, she planned to marry her handsome cousin *Stephen* and live happily ever after. However, on the morning of her tenth birthday, *Annabella* ventured farther than she'd ever gone before. Overcome with curiosity, she opened a forbidden door that led into her father's private quarters, and what she found there showed her with shocking clarity that her father was not the man she thought he was. And though she couldn't know it at the time, the events of that day set in motion the uncovering of a secret that had been kept for many years. So begins the remarkable story of *Annabella Lagrange*, a sensitive, beautiful young woman who was raised as a lady. But when she turns eighteen, she learns the surprising circumstances of her birth, and her entire world quietly crashes around her. Suddenly she's forced from the genteel surroundings of her youth into the rough, lower-class society of Victorian England, where only her quick wit and determination can save her from starvation. Catherine Cookson was one of the world's most beloved writers, and in *The Glass Virgin* her powers are at their height. Rarely has a heroine been portrayed more sensitively or a situation more compellingly. Filled with passion and drama, *The Glass Virgin* is a rare treat for lovers of romantic fiction.
