Claus—a town in Indiana—from the 1930s to the twenty-first century, from both children and adults (The New York Times). For countless Christmases, children—and sometimes adults—have stuffed their dreams, wishes, and promises into envelopes. Over many decades, millions of these letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in “cold cash.” One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually threatens Santa’s reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true. “Often very affecting . . . also offers an unusual window into American history.” —Library Journal “The letters . . . are alternately silly and somber, hilarious and heartfelt.” —The Weekly Standard

*Herakut* Herakut,Jasmin Siddiqui,Falk Lehmann.2008 For four remarkably productive years, the graffiti loving and street art affiliated storytellers, Hera and Akut, have combined their artistic skills and individual specialties in order to create one odd but always exquisitely beautiful, instantly recognizable style: Herakut. It's an extremely contradictory mix of ingredients - Akut's autodidactic but top-level photorealism and Hera's classically educated though Don't-Give-A-Shit-roughness - that results in a surprisingly well-balanced fusion of respect for each other's qualities and the shared urge to capture life's anecdotes with brush and spray can. For the first time this book explores the interpersonal and creative processes behind the duo's murals and canvas paintings, which have attracted the attention of the international art scene.

[African Samurai](#) Thomas Lockley, Geoffrey Girard. 2019-04-30 This biography of the first foreign-born samurai and his journey from Africa to Japan is “a readable, compassionate account of an extraordinary life” (The Washington Post). When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan’s martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now *African Samurai* presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries and cultures offers a new perspective on race in world history and a vivid portrait of life in medieval Japan. “Fast-paced, action-packed writing. . . . A new and important biography and an incredibly moving study of medieval Japan and

solid perspective on its unification. Highly recommended.” —Library Journal (starred review)  
“Eminently readable. . . . a worthwhile and entertaining work.” —Publishers Weekly “A unique story of a unique man, and yet someone with whom we can all identify.” —Jack Weatherford, New York Times—bestselling author of Genghis Khan

**The Blueprint** S. E. Harmon.2019-03-19 Kelly Cannon is satisfied with his life. He has friends, a wonderful family, and a great job. But his love life has reached a new level of pitiful. Why? Well, his heart decided to break all the rules. Don't fall in love with a straight guy. And definitely don't fall in love with your best friend. NFL standout Britton Blue Montgomery has pressure coming at him from

all sides. From his father, who's only interested in Blue's football career. From his coaches, who just want him to play without getting injured again. From the fans. From his agent. And from his mother, who has popped up on the radar after leaving his family years before. And now his relationship with Kelly is on shaky ground, and that frightens Blue more than anything. When Kelly admits he's in love with Blue, bonds are tested, and Blue has to decide what's really important. He doesn't want to lose the number-one person in his life, but the cost to keep Kelly close might be more than he's willing to pay. It's a good thing his nickname is the Blueprint--it's time to draft a new set of plans.
