Make Your Resume Talk is written in sections to help you build or re-write your resume and help you tailor your resume to specific jobs. Many before and after resumes with individual critiques on different occupations are included to show how to write statements that get attention of potential employers. Helpful tips are provided throughout the book to highlight critical information for writing a resume that will talk for you. Chapters are provided to cover all aspects of the resume plus special chapters on electronic resumes, help for high school/college students, and the physical attributes of resumes. Effective cover letter guidelines with examples are provided as a bonus. Personal testimonials are scattered through the book to show you how the guidelines helped other users. These resumes are quickly eliminated. The resumes that follow the guidelines outlined in Dick Hart's book that show the depth of the candidate's ability and how well the buzz words apply to their accomplishments are the ones we seriously consider.
