That is when I decided I would have the story published so that others can enjoy the antics of these beloved cats. To illustrate the story I had my other niece, who is a natural artist illustrate the narrative. I hope the children to whom you give this book enjoy the story as much as I did writing it.

Childless and nearing the end of his life, he surrounds himself with only his cat, his servants, and a friend, Mrs. Warden—to say nothing of the circle of extended family members whose lives he both subsidizes and rules from afar, the nieces and nephews who all seem to be more fond of Uncle Mart's money than they are of his character. On the eve of his birthday, Greenough requests the presence of his heirs at his home, insisting that he has something important to discuss. Before that discussion can take place, though, the man is murdered in his study. In one way or another nearly everyone there would benefit by his death, and none gathered seem terribly upset by it, so finding the culprit is no easy task for Inspector Kane of the Boston PD. Want help designing a photo book? Shutterfly can create a book celebrating your children, family vacation, holiday, sports team, wedding albums and more. Read Print is an online library where you can find thousands of free books to read. The books are classics or Creative Commons licensed and include everything from nonfiction and essays to fiction, plays, and poetry. Free registration at Read Print gives you the ability to track what you've read and what you would like to read, write reviews of books you have read, add books to your favorites, and to join online book clubs or discussion lists to discuss great works of literature. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats. What's interesting is that this site is built to facilitate creation and sharing of e-books online for free, so there is no registration required and no fees. LibriVox is a unique platform, where you can rather download free audiobooks. The audiobooks are read by volunteers from all over the world and are free to listen on your mobile device, iPods, computers and can be even burnt into a CD. The collections also include classic literature and books that are obsolete. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the site's entire database of books, audiobooks, and magazines. Still not a terrible deal! For other formatting issues, we've covered everything you need to convert ebooks. With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available in ePub, Kindle, HTML, and simple text formats. Authorama is a very simple site to use. You can scroll down the list of alphabetically arranged authors on the front page, or check out the list of Latest Additions at the top. Consider signing up to the free Centsless Books email newsletter to receive update notices for newly free ebooks and giveaways. The newsletter is only sent out on Mondays, Wednesdays, and Fridays, so it won't spam you too much.
