**Pearson Etext Earth Science Access Card** Edward Tarbuck, Dennis G. Tasa, Frederick Lutgens. 2018-06-29 Use dynamic media to bring Earth Science to life. Earth Science answers the need for a straightforward text that excites students about the world around them. Perfect for students with little-to-no background in science, the text covers geology, oceanography, meteorology, and astronomy clearly and without technical jargon. Instructors and students praise Tarbuck, Lutgens, and Tasa for their uncomplicated writing, dynamic media that help visualize physical processes, stunning Illustration program that brings the wow factor, and valuable activities in Mastering Geology that provide activity-based learning to solidify students' understanding. The 15th Edition incorporates the latest data and applications from Earth Science, new data analysis activities, and an updated dynamic mobile media and Mastering Geology program. For introductory courses in Earth Science. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class - motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: This ISBN is for the Pearson eText access card. For students purchasing this product from an online retailer, Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.
