Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Overdrive is

the cleanest, fastest, and most legal way to access millions of ebooks—not just ones in the public domain, but even recently released mainstream titles. There is one hitch though: you'll need a valid and active public library card. Overdrive works with over 30,000 public libraries in over 40 different countries worldwide. Project Gutenberg is a charity endeavor, sustained through volunteers and fundraisers, that aims to collect and provide as many high-quality ebooks as possible. Most of its library consists of public domain titles, but it has other stuff too if you're willing to look around. Booktastik has free and discounted books on its website, and you can follow their social media accounts for current updates. Library Genesis is a search engine for free reading material, including ebooks, articles, magazines, and more. As of this writing, Library Genesis indexes close to 3 million ebooks and 60 million articles. It would take several lifetimes to consume everything on offer here. "Buy" them like any other Google Book, except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both. If you are not a bittorrent person, you can hunt for your favorite reads at the SnipFiles that features free and legal eBooks and softwares presented or acquired by resale, master rights or PLR on their web page. You also have access to numerous screensavers for free. The categories are simple and the layout is straightforward, so it is a much easier platform to navigate. All the books are listed down a single page with thumbnails of the cover image and direct links to Amazon. If you'd rather not check Centsless Books' website for updates, you can follow them on Twitter and subscribe to email updates. The Online Books Page: Maintained by the University of Pennsylvania, this page lists over one million free books available for download in dozens of different formats.
