Knox Brenda Rothert.2023-08-03 Reese I'm done. Getting ditched at the altar is nothing compared to being humiliated there in front of three hundred shocked guests. Apparently I'm no good at spotting the signs your man's a cheating liar. So I set off solo on my honeymoon to Hawaii, where I realize I've got this life thing down just fine on my own. Friendships and laughter? Yes. Adventures? Absolutely. But relationships? Hell no. Never again. Knox I'm a man of few words. My reputation as a moody prick is deserved, but only the handful of people who really know me see the man beneath the professional mask. I'm a protector. A warrior. That part is true. But the world doesn't get to see the rest of me. And women don't seem to mind my gruff exterior—my bed's always warm. I'm content with life—loving it, even—or so I thought. But when I meet a beautiful pastry chef with a broken heart and a smile that softens me down to my soul, I realize I wasn't really content at all before her. I only wish I had the words to let her know. Anton Brenda Rothert.2023-08-03 He's known as Father Anton to his teammates—the brooding, sexy captain of the NHL's Chicago Blaze has a reputation for...not having a reputation. Just like his diet and sleep routines, celibacy is part of Anton Petrov's on-ice mojo. Or so they say. Anton stays mum on the subject. If the world thinks he chooses to abstain from sex, so be it. Better that than the truth getting out: there is a woman he burns for, but he can never have her. She's his teammate's wife, after all. Mia Marceau is finally on her own. Now that she and her husband are living apart, she's finding the peace she was desperate for. She spends her days in classes and late nights bartending, making her own way in the world at last. After what she's been through, as long as her husband leaves her alone, she doesn't plan to rock the boat. He still has the power to hurt those dearest to her, and she can't demand a divorce with such a high cost. A chance encounter with Mia has Anton hoping for a shot he never thought he'd get. And while she's drawn to the intense, serious hockey center, Mia's leery about playing with fire. That's all Anton has ever known for Mia, though—a living, burning desire that won't be denied—no matter the cost. **Pike** Brenda Rothert. In *Sin City*, the stakes are high. Bet big and you may win it all—but you could also lose far more than you bargained for. Indie Garrison is in over her head. Ditched by her husband in the dead of the night, she's suddenly a broke single mom living with her sister. Sure, she and pro hockey player Pike Morgan got off on the wrong foot in a big way, and admittedly, it was entirely her fault. But Indie's been fooled by a man for the last time, and no matter how hard Pike tries to break down her walls, she's not falling for him. At least, that's what she keeps telling herself. Pike Morgan is at the top of his game. Being drafted by the new Las Vegas expansion team was ideal for the bearded, blue-eyed NHL goalie who's only serious about two things: hockey and partying. When he accepts a bet from a teammate, he finds himself wooing a spirited woman who wants nothing to do with him. Once he gets to know her and her young son, though, he regrets his wager. If Indie finds out the truth, she's going to hate the player and the game. Chicago Blaze Volume 1 Brenda Rothert.2023-08-06 The first three books in the Chicago Blaze hockey romance series will take you on an emotional rollercoaster. Grab some tissues and a fan and get ready to fall in love with the men of the Chicago Blaze. Book 1 - Anton He's known as Father Anton to his teammates—the brooding, sexy captain of the NHL's Chicago Blaze has a reputation for...not having a reputation. Just like his diet and sleep routines, celibacy is part of Anton Petrov's on-ice mojo. Or so they say. Anton stays mum on the subject. If the world thinks he chooses to abstain from sex, so be it. Better that than the truth getting out: there is a woman he burns for, but he can never have her. She's his teammate's wife, after all. Mia Marceau is finally on her own. Now that she and her husband are living apart, she's finding the peace she was desperate for. She spends her days in classes and late nights bartending, making her own way in the world at last. After what she's been through, as long as her husband leaves her alone, she doesn't plan to rock the boat. He still has the power to hurt those dearest to her, and she can't demand a divorce with such a high cost. A chance encounter with Mia has Anton hoping for a shot he never thought he'd get. And while she's drawn to the intense, serious hockey center, Mia's leery about playing with fire. That's all Anton has ever known for Mia, though—a living, burning desire that won't be denied—no matter the cost. Book 2 - Luca Abby I only have one love now—the home furnishings business I'm building into an empire. Maybe money and success can't love me back, but they keep what's left of my heart safe. One-night stands are my way of scratching the occasional itch I get for something more. And no one's better for that than a sexy as sin hockey player I'll never see again after one very hot night together. Luca I used to love two things: hockey and women. But now my nieces and nephew are my top priority, because I'm raising them after tragedy stole their parents. Somehow I balance single parenthood and my career as a forward for the Chicago Blaze. There's no time for women, until I get knocked on my ass by Abby Daniels. She's everything I've ever wanted, but her devastating past may end us before we even get started. Book 3 - Victor He's a hockey star with a headboard full of notches. She's a shy NHL concession worker who's never been kissed. Lindy They don't call me Belinda Boring for nothing. It's my name, after all. And for a 23-year-old with plain brown hair who still lives at home and gets tongue tied over nothing, it's a fitting one. I'm not even one of those quiet girls with a hidden talent, unless making a mean order of nachos at the NHL arena I work at counts. My life consists of working, reading and harboring a secret crush on a hockey player who doesn't know I exist. At least, until we accidentally meet and become unlikely friends. Victor I'm living the dream. A poor kid who worked his way into the NHL, I'll never forget where I came from, though I try to. My past follows me, a nagging reminder that I'll never be what everyone thinks I am. As the threat of my secret being exposed looms closer, my game slips, leaving me in danger of being cut from my team—the only family I have. I'm losing my hold on everything when a new friend helps me find hope. She's nothing like the women I'm used to, but by the time I figure out that's exactly why she's right for me, I've lost my chance with her. Somehow, I have to convince a woman who thinks she's invisible that she's the only one I see. Healing Touch Brenda Rothert.2018-06-19 She spends her nights treating patients, but Dr. Jocelyn Drake's own wounds are unfixable. Her ex-husband and his younger, bouncier girlfriend work just a few floors away at Tulane Medical Center, and they serve as a constant reminder of what Joss lost. But a fierce determination to continue her research project and a shred of remaining pride keep Joss from transferring out of the Big Easy. Carson Stephens recently returned from a tour of duty in the Middle East, and though willing women present themselves at every turn, his closest companion is loneliness. His night-shift work supervising the electrical and mechanical systems at the hospital is a perfect fit - it's solitary work putting broken things back together. When the electrical system on Joss' floor goes haywire, she's frazzled by the sexy electrician who sparks her dormant sex drive. He's brooding and cocky - so not her type. But if Carson has his way, his hands will work their magic on more than just the wiring, and he'll show Joss a night of passion that restores her shattered confidence. But what happens after that night? As their relationship grows into something more, Joss and Carson face ups and downs, and they both realize that the healing has only just begun.
