

Arik The Life Of Ariel Sharon English Edition

Menachem Begin Charles River Editors.2019-05-27 *Includes pictures *Includes a bibliography for further reading Mr President, I wish to tell you something personal - not about me, but about my generation. What you have just heard about the Jewish people's inherent rights to the Land of Israel may seem academic to you, theoretical, even moot. But not to my generation. To my generation of Jews, these eternal bonds are indisputable and incontrovertible truths, as old as recorded time. - Menachem Begin We don't need legitimacy. We exist. Therefore we are legitimate. - Menachem Begin The conflict between the Israelis and Palestinians is over 70 years old and counting but has its roots in over 2,000 years of history. With so much time and history, the Middle East peace process has become laden with unique, politically sensitive concepts like the right of return, contiguous borders, secure borders, demilitarized zones, and security requirements, with players like the Quartet, Palestinian Authority, Fatah, Hamas, the Arab League and Israel. Over time, it has become exceedingly difficult for even sophisticated political pundits and followers to keep track of it all. Israel has rarely reached agreements with its neighbors, and when it did so at the end of the 1970s, it was accomplished by a prime minister who was one of the nation's most famous military officers. After the Yom Kippur War, President Jimmy Carter's administration sought to establish a peace process that would settle the conflict in the Middle East, while also reducing Soviet influence in the region. On September 17, 1978, after secret negotiations at the presidential retreat Camp David, Egyptian President Anwar Sadat and Israeli Prime Minister Menachem Begin signed a peace treaty between the two nations, in which Israel ceded the Sinai Peninsula to Egypt in exchange for a normalization of relations, making Egypt the first Arab adversary to officially recognize Israel. Carter also tried to create a peace process that would settle the rest of the conflict vis-à-vis the Israelis and Palestinians, but it never got off the ground. For the Camp David Accords, Begin and Sadat won the Nobel Peace Prize. Begin had once been a leader of the paramilitary group Irgun, while Sadat had succeeded Nasser. Ultimately, the peace treaty may have cost Sadat his life: he was assassinated in 1981 by fundamentalist military officers during a victory parade. Menachem Begin: The Life and Legacy of the Irgun Leader Who Became Israel's Prime Minister looks at how Begin rose the ranks through militias and governments to become one of the Jewish State's most consequential leaders. Along with pictures and a bibliography, you will learn about Begin like never before.

A State at Any Cost Tom Segev.2019-09-24 2019 National Jewish Book Award Finalist [A] fascinating biography . . . a masterly portrait of a titanic yet unfulfilled man . . . this is a gripping study of power, and the loneliness of power. —The Economist As the founder of Israel, David Ben-Gurion long ago secured his reputation as a leading figure of the twentieth century. Determined from an early age to create a Jewish state, he thereupon took control of the Zionist movement, declared Israel's independence, and navigated his country through wars, controversies and remarkable achievements. And yet Ben-Gurion remains an enigma—he could be driven and imperious, or quizzical and confounding. In this definitive biography, Israel's leading journalist-historian Tom Segev uses large amounts of previously unreleased archival material to give an original, nuanced account, transcending the myths and legends that have accreted around the man. Segev's probing biography ranges from the villages of Poland to Manhattan libraries, London hotels, and the hills of Palestine, and shows us Ben-Gurion's relentless activity across six decades. Along the way, Segev reveals for the first time Ben-Gurion's secret negotiations with the British on the eve of Israel's independence, his willingness to countenance the forced transfer of Arab neighbors, his relative indifference to Jerusalem, and his occasional “nutty moments”—from UFO sightings to plans for Israel to acquire territory in South America. Segev also reveals that Ben-Gurion first heard about the Holocaust from a Palestinian Arab acquaintance, and explores his tempestuous private life, including the testimony of four former lovers. The result is a full and startling portrait of a man who sought a state “at any cost”—at times through risk-taking, violence, and unpredictability, and at other times through compromise, moderation, and reason. Segev's Ben-Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill—a twentieth-century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today.

Sharon and My Mother-in-Law Suad Amiry.2007-12-18 Based on diaries and email correspondence that she kept from 1981-2004, here Suad Amiry evokes daily life in the West Bank town of Ramallah. Capturing the frustrations, cabin fever, and downright misery of her experiences, Amiry writes with elegance and humor about the enormous difficulty of moving from one place to another, the torture of falling in love with someone from another town, the absurdity of her dog receiving a Jerusalem identity card when thousands of Palestinians could not, and the trials of having her ninety-two-year-old mother-in-law living in her house during a forty-two-day curfew. With a wickedly sharp ear for dialogue and a keen eye for detail, Amiry gives us an original, ironic, and firsthand glimpse into the absurdity—and agony—of life in the Occupied Territories.

Letters to Palestine Vijay Prashad.2015-04-14 Operation Protective Edge, Israel's seven-week bombing campaign and ground invasion of Gaza in the summer of 2014, resulted in half a million displaced Gazans, tens of thousands of destroyed homes, and more than 2,000 deaths—and, yet, it was only the latest in a long series of assaults endured by Palestinians isolated in Gaza. But, following the conflict, polls revealed a startling fact: for the first time, a majority of Americans under thirty found Israel's actions unjustified. Jon Stewart aired a blistering attack on Israeli violence, and a video of a UN spokesperson weeping as he was interviewed in Gaza went viral, appearing on Vanity Fair and BuzzFeed, among other sites. This book traces this swelling American recognition of Palestinian suffering, struggle, and hope, in writing that is personal, lyrical, anguished, and inspiring. Some of the leading writers of our time, such as Junot Díaz and Teju Cole, poets and essayists, novelists and scholars, Palestinian American activists like Huwaida Arraf, Noura Erakat, and Remi Kanazi, give voice to feelings of empathy and solidarity—as well as anger at US support for Israeli policy—in intimate letters, beautiful essays, and furious poems. This is a landmark work of controversial, committed literary writing.

Temptations of Power Shadi Hamid.2014-03-17 In 1989, Francis Fukuyama famously announced the end of history. The Berlin Wall had fallen; liberal democracy had won out. But what of illiberal democracy--the idea that popular majorities, working through the democratic process, might reject gender equality, religious freedoms, and other norms that Western democracies take for granted? Nowhere have such considerations become more relevant than in the Middle East, where the uprisings of 2011 swept the Muslim Brotherhood and other Islamist groups to power. In Temptations of Power, Shadi Hamid draws on hundreds of interviews with leaders and activists from across the region to advance a new understanding of how Islamist movements change over time. He puts forward the bold thesis that repression forced Islamists to moderate their politics, work in coalitions, de-emphasize Islamic law, and set aside the dream of an Islamic state. Meanwhile, democratic openings in the 1980s--and again during the Arab Spring--pushed Islamists back toward their original conservatism. With the uprisings of 2011, Islamists found themselves in an enviable position, but one for which they were unprepared. Groups like the Brotherhood combine the features of both political parties and religious movements, leading to an inherent tension they have struggled to resolve. However pragmatic they may be, their ultimate goal remains the Islamization of society. When the electorate they represent is conservative as well, they can push their own form of illiberal democracy while insisting they are carrying out the popular will. This can lead to overreach and significant backlash. Yet, while the Egyptian coup and the subsequent crackdown were a devastating blow for the Islamist project, obituaries of political Islam are premature. As long as the battle over the role of religion in public life continues, Islamist parties in countries as diverse as Egypt, Tunisia, and Jordan will remain an important force whether in the ranks of opposition or the halls of power. But what are the key factors driving their evolution? A timely and provocative reassessment, Hamid's account serves as an essential compass for those trying to understand where the region's varied Islamist groups have come from and where they might be headed.

Menachem Begin Daniel Gordis.2014-03-04 Reviled as a fascist by his great rival Ben-Gurion, venerated by Israel's underclass, the first Israeli to win the Nobel Peace Prize, a proud Jew but not a conventionally religious one, Menachem Begin was both complex and controversial. Born in Poland in 1913, Begin was a youthful admirer of the Revisionist Zionist Ze'ev Jabotinsky and soon became a leader within Jabotinsky's Betar

movement. A powerful orator and mesmerizing public figure, Begin was imprisoned by the Soviets in 1940, joined the Free Polish Army in 1942, and arrived in Palestine as a Polish soldier shortly thereafter. Joining the underground paramilitary Irgun in 1943, he achieved instant notoriety for the organization's bombings of British military installations and other violent acts. Intentionally left out of the new Israeli government, Begin's right-leaning Herut political party became a fixture of the opposition to the Labor-dominated governments of Ben-Gurion and his successors, until the surprising parliamentary victory of his political coalition in 1977 made him prime minister. Welcoming Egyptian president Anwar Sadat to Israel and cosigning a peace treaty with him on the White House lawn in 1979, Begin accomplished what his predecessors could not. His outreach to Ethiopian Jews and Vietnamese "boat people" was universally admired, and his decision to bomb Iraq's nuclear reactor in 1981 is now regarded as an act of courageous foresight. But the disastrous invasion of Lebanon to end the PLO's shelling of Israel's northern cities, combined with his declining health and the death of his wife, led Begin to resign in 1983. He spent the next nine years in virtual seclusion, until his death in 1992. Begin was buried not alongside Israel's prime ministers, but alongside the Irgun comrades who died in the struggle to create the Jewish national home to which he had devoted his life. Daniel Gordis's perceptive biography gives us new insight into a remarkable political figure whose influence continues to be felt both within Israel and throughout the world. This title is part of the Jewish Encounters series.

Sharon (Enhanced Edition) Gilad Sharon.2011-10-25 Gilad Sharon, the prime minister's youngest son and close confidant, has combed through his father's vast archive to offer a rare, intimate, and compelling look at one man's evolution into one of the world's most powerful and influential figures. Filled with news-making revelations, nine exclusive videos, and 6 exclusive audio clips, the enhanced e-book of Sharon provides a rare window into the day-to-day life of a prime minister as well as a dazzling portrait of a legendary elder statesman and the nation he helped build. (The book may take longer to download than expected due to its large file size).

Ariel Sharon Norman H. Finkelstein.2005-01-01 Looks at the life of Ariel Sharon from his time as a soldier through his work as a politician and prime minister of Israel.

The Lion's Gate Steven Pressfield.2015-05-26 From the bestselling author of *Gates of Fire* and *Killing Rommel*, the thrilling true story of one of the most unlikely and astonishing military victories in history. June 5, 1967. Israel is surrounded by enemies who want nothing less than her utter extinction. The Soviet-equipped Egyptian Army has massed a thousand tanks on the nation's southern border. Syrian heavy guns are shelling her from the north. To the east, Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack. June 10, 1967. The Arab armies have been routed, their air forces totally destroyed. Israel's citizen-soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt, the Golan Heights from Syria, East Jerusalem and the West Bank from Jordan. Moshe Dayan has entered the Lion's Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism's holiest site—the Western Wall. Drawing on hundreds of hours of interviews with veterans of the war—fighter and helicopter pilots, tank commanders and Recon soldiers, paratroopers, as well as women soldiers, wives, and others—bestselling author Steven Pressfield tells the story of the Six Day War as you've never experienced it before.

Arik David Landau.2014-01-10 From the former editor in chief of Haaretz, the first in-depth comprehensive biography of Ariel Sharon, the most important Israeli political and military leader of the last forty years. The life of Ariel Sharon spans much of modern Israel's history: A commander in the Israeli Army from its inception in 1948, Sharon participated in the 1948 War of Independence, and played decisive roles in the 1956 Suez War and the six day War of 1967, and most dramatically is largely credited with the shift in the outcome of the Yom Kippur War of 1973. After returning from the army in 1982, Sharon became a political leader and served in numerous governments, most prominently as the defense minister during the 1983 Lebanon War in which he bore personal responsibility according to the Kahan Commission for massacres of Palestinian civilians by Lebanese militia, and he championed the construction of Israeli settlements in the West Bank and Gaza. But as prime minister he performed a dramatic reversal: orchestrating Israel's unilateral disengagement from the Gaza Strip. Landau brilliantly chronicles and analyzes his surprising about-face. Sharon suffered a stroke in January 2006 and remains in a persistent vegetative state. Considered by many to be Israel's greatest military leader and political statesman, this biography recounts his life and shows how this leadership transformed Israel, and how Sharon's views were shaped by the changing nature of Israeli society.

The Handbook of Israel's Political System Itzhak Galnoor,Dana Blander.2018-04-30 There is growing interest in Israel's political system from all parts of the world. This Handbook provides a unique comprehensive presentation of political life in Israel from the formative pre-state period to the present. The themes covered include: political heritage and the unresolved issues that have been left to fester; the institutional framework (the Knesset, government, judiciary, presidency, the state comptroller and commissions of inquiry); citizens' political participation (elections, political parties, civil society and the media); the four issues that have bedevilled Israeli democracy since its establishment (security, state and religion, the status of Israel's Arab citizens and economic inequities with concomitant social gaps); and the contours of the political culture and its impact on Israel's democracy. The authors skilfully integrate detailed basic data with an analysis of structures and processes, making the Handbook accessible to both experts and those with a general interest in Israel.

Ariel Sharon Uri Dan.2015-03-24 In 1954 reporter Uri Dan met a young military commander named Ariel Sharon and followed him closely for more than half a century. Dan became Sharon's trusted advisor and a witness to the defining moments of the Israeli-Palestinian conflict—from secret meetings with heads of state to open warfare in the Sinai. This riveting combination of political history, narrative biography, interviews, and correspondence sheds new light on the conflict in the Middle East and provides an intimate, definitive portrait of Ariel Sharon—a man whose life is inextricably intertwined with Israel's destiny. With Hamas governing Palestine, Ariel Sharon gravely ill and the party he founded, the Kadima, in control of the Knesset, this book couldn't be more timely.

Palestine Speaks Cate Malek.2014-11-11 The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement.

Never Alone Natan Sharansky,Gil Troy.2020-09-01 A classic account of courage, integrity, and most of all, belonging In 1977, Natan Sharansky, a leading activist in the democratic dissident movement in the Soviet Union and the movement for free Jewish emigration, was arrested by the KGB. He spent nine years as a political prisoner, convicted of treason against the state. Every day, Sharansky fought for individual freedom in the face of overt tyranny, a struggle that would come to define the rest of his life. *Never Alone* reveals how Sharansky's years in prison, many spent in harsh solitary confinement, prepared him for a very public life after his release. As an Israeli politician and the head of the Jewish Agency, Sharansky brought extraordinary moral clarity and uncompromising, often uncomfortable, honesty. His story is suffused with reflections from his time as a political prisoner, from his seat at the table as history unfolded in Israel and the Middle East, and from his passionate efforts to unite the Jewish people. Written with frankness, affection, and humor, the book offers us profound insights from a man who embraced the essential human struggle: to find his own voice, his own faith, and the people to whom he could belong.

Sharon Gilad Sharon.2011-10-25 Drawn from extensive personal archives and filled withstartling revelations, the definitive biography of Ariel Sharon illuminates hislife and work from the penetrating perspective of his youngest son, Gilad Sharon—one of his father's closest confidants.Readers of George W. Bush's *Decision Points*, Tony Blair's *A Journey*,Yitzhak Rabin's *The Rabin Memoirs*, and Moshe Dayan's *Story of My Life*,as well as Benjamin Netanyahu's *A Durable Peace*, will be fascinated by Gilad Sharon's piercing, authoritative, and intimateportrait of Ariel Sharon the Prime Minister, the father, and the military hero,in a narrative that traces his evolution into a powerful and influential forceat the center of Middle Eastern and world politics.

Rise and Kill First Ronen Bergman.2018-01-30 NEW YORK TIMES BESTSELLER • The first definitive history of the Mossad, Shin Bet, and the IDF's targeted killing programs, hailed by The New York Times as “an

exceptional work, a humane book about an incendiary subject.” WINNER OF THE NATIONAL JEWISH BOOK AWARD IN HISTORY NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY JENNIFER SZALAI, THE NEW YORK TIMES NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Economist • The New York Times Book Review • BBC History Magazine • Mother Jones • Kirkus Reviews The Talmud says: “If someone comes to kill you, rise up and kill him first.” This instinct to take every measure, even the most aggressive, to defend the Jewish people is hardwired into Israel’s DNA. From the very beginning of its statehood in 1948, protecting the nation from harm has been the responsibility of its intelligence community and armed services, and there is one weapon in their vast arsenal that they have relied upon to thwart the most serious threats: Targeted assassinations have been used countless times, on enemies large and small, sometimes in response to attacks against the Israeli people and sometimes preemptively. In this page-turning, eye-opening book, journalist and military analyst Ronen Bergman—praised by David Remnick as “arguably [Israel’s] best investigative reporter”—offers a riveting inside account of the targeted killing programs: their successes, their failures, and the moral and political price exacted on the men and women who approved and carried out the missions. Bergman has gained the exceedingly rare cooperation of many current and former members of the Israeli government, including Prime Ministers Shimon Peres, Ehud Barak, Ariel Sharon, and Benjamin Netanyahu, as well as high-level figures in the country’s military and intelligence services: the IDF (Israel Defense Forces), the Mossad (the world’s most feared intelligence agency), Caesarea (a “Mossad within the Mossad” that carries out attacks on the highest-value targets), and the Shin Bet (an internal security service that implemented the largest targeted assassination campaign ever, in order to stop what had once appeared to be unstoppable: suicide terrorism). Including never-before-reported, behind-the-curtain accounts of key operations, and based on hundreds of on-the-record interviews and thousands of files to which Bergman has gotten exclusive access over his decades of reporting, *Rise and Kill First* brings us deep into the heart of Israel’s most secret activities. Bergman traces, from statehood to the present, the gripping events and thorny ethical questions underlying Israel’s targeted killing campaign, which has shaped the Israeli nation, the Middle East, and the entire world. “A remarkable feat of fearless and responsible reporting . . . important, timely, and informative.”—John le Carré

Letters to a Young Novelist Mario Vargas Llosa.2011-03-04 Mario Vargas Llosa condenses a lifetime of writing, reading, and thought into an essential manual for aspiring writers. Drawing on the stories and novels of writers from around the globe—Borges, Bierce, Céline, Cortázar, Faulkner, Kafka, Robbe-Grillet—he lays bare the inner workings of fiction, all the while urging young novelists not to lose touch with the elemental urge to create. Conversational, eloquent, and effortlessly erudite, this little book is destined to be read and re-read by young writers, old writers, would-be writers, and all those with a stake in the world of letters.

Ariel Sharon Nir Hefez, Gadi Bloom.2006 Sample Text

Fortress Israel Patrick Tyler.2012-09-18 Once in the military system, Israelis never fully exit, writes the prizewinning journalist Patrick Tyler in the prologue to *Fortress Israel*. They carry the military identity for life, not just through service in the reserves until age forty-nine . . . but through lifelong expectations of loyalty and secrecy. The military is the country to a great extent, and peace will only come, Tyler argues, when Israel’s military elite adopt it as the national strategy. *Fortress Israel* is an epic portrayal of Israel’s martial culture—of Sparta presenting itself as Athens. From Israel’s founding in 1948, we see a leadership class engaged in an intense ideological struggle over whether to become the light unto nations, as envisioned by the early Zionists, or to embrace an ideology of state militarism with the objective of expanding borders and exploiting the weaknesses of the Arabs. In his first decade as prime minister, David Ben-Gurion conceived of a militarized society, dominated by a powerful defense establishment and capable of defeating the Arabs in serial warfare over many decades. Bound by self-reliance and a stern resolve never to forget the Holocaust, Israel’s military elite has prevailed in war but has also at times overpowered Israel’s democracy. Tyler takes us inside the military culture of Moshe Dayan, Yitzhak Rabin, Ariel Sharon, and Benjamin Netanyahu, introducing us to generals who make decisions that trump those of elected leaders and who disdain diplomacy as appeasement or surrender. *Fortress Israel* shows us how this martial culture envelops every family. Israeli youth go through three years of compulsory military service after high school, and acceptance into elite commando units or air force squadrons brings lasting prestige and a network for life. So ingrained is the martial outlook and identity, Tyler argues, that Israelis are missing opportunities to make peace even when it is possible to do so. The Zionist movement had survived the onslaught of world wars, the Holocaust, and clashes of ideology, writes Tyler, but in the modern era of statehood, Israel seemed incapable of fielding a generation of leaders who could adapt to the times, who were dedicated to ending . . . [Israel’s] isolation, or to changing the paradigm of military preeminence. Based on a vast array of sources, declassified documents, personal archives, and interviews across the spectrum of Israel’s ruling class, *Fortress Israel* is a remarkable story of character, rivalry, conflict, and the competing impulses for war and for peace in the Middle East.

Benjamin Netanyahu Elisa Silverman.2015-09-01 This series gives kids from other parts of the world insight into various aspects of life in Israel today. Written and crafted by three authors currently living in Jerusalem, this series is the first of its kind to bring such insight to children. This narrative biography of Israel’s outspoken prime minister includes his early life, young adulthood, political career, and challenges he faces in office.

Obedience, Struggle and Revolt David Hare.2005-12-27 What is a political playwright? Does theatre have any direct effect on society? Why choose to work in a medium which speaks to so few? Is theatre itself facing oblivion? All frequent questions addressed to David Hare over the last thirty-five years, as his work has taken him from the travelling fringe to the National Theatre, from seasons on Broadway to performances in prisons, church halls and on bare floors. Since 1978, Hare has sought uniquely to address these and other questions in occasional lectures given both in Britain and abroad. Now, for the first time, these lectures are collected together with some of his more recent prose pieces about God, Iraq, Israel/Palestine and the privatisation of the railways. Bringing to the lectern the same wit, insight and gift for the essential for which his plays are known, Hare presents the distilled result of a lifetime’s sustained thinking about art and politics. ‘The foremost theatrical chronicler of contemporary British life.’ *New York Times* ‘Our best writer of contemporary drama.’ *Sunday Times*

The Long Road Home Martha Raddatz.2007 Documents the two-day firefight in Sadr City that began the Iraqi insurgency, during which eight 1st Cavalry Division soldiers were killed and numerous others wounded, an engagement that was vigilantly monitored by their loved ones back home.

Start-up Nation Dan Senor, Saul Singer.2011-09-07 What the world can learn from Israel’s meteoric economic success. *Start-Up Nation* addresses the trillion dollar question: How is it that Israel -- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country’s adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the Israel effect, there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there’s never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

The 1973 Arab-Israeli War: The Albatross Of Decisive Victory [Illustrated Edition] Dr. George W. Gawrych.2015-11-06 Includes 8 maps and more than 20 illustrations Armies appear to learn more from defeat than victory. In this regard, armed forces that win quickly, decisively, and with relative ease face a unique challenge in attempting to learn from victory. The Israel Defense Forces certainly fell into this category after their dramatic victory over the combined armies of Egypt, Jordan, and Syria in the Six Day War of June 1967. This study analyzes the problems that beset Israel in the aftermath of its decisive victory in the Six Day War over the Arabs. In the 1973 War, Anwar Sadat, Egypt’s president, was able to exploit Israeli vulnerabilities to achieve political success through a limited war. An important lesson emerges from this conflict. A weaker adversary can match his strengths against the weaknesses of a superior foe in a conventional conflict to attain strategic success. Such a strategic triumph for the weaker adversary can occur despite serious difficulties in operational and tactical performance. The author suggests a striking parallel between the military triumphs of Israel in 1967 and the United States in 1991. In both cases, success led to high expectations. The public

and the armed forces came to expect a quick and decisive victory with few casualties. In this environment, a politically astute opponent can exploit military vulnerabilities to his strategic advantage. Sadat offers a compelling example of how this can be done.

I Am Ariel Sharon Yara El-Ghadban.2020-11-17 A bold and innovative novel, I Am Ariel Sharon dives into the tortured mind of the controversial Israeli prime minister as he lies comatose and faces an ultimate reckoning. Award-winning Palestinian Canadian novelist Yara El-Ghadban imagines the confrontation at death's door between Ariel Sharon, the "King of Israel," and the women closest to him — his mother, his wives, and the mysterious nurse Rita. Like latter-day Greek furies, they lament the brutality of his life and maltreatment of the Palestinian people and demand he face up to his part in the bloodshed of Israel's wars. Here is an extraordinary, magical, and impassioned story of nearly impossible empathy, the singular work of a novelist in full flight.

The War of Atonement Chaim Herzog.2018-11-06 This is the authoritative account of the Israeli army's performance in the bitter Yom Kippur War of 1973. The origins of the war amid the turbulent history of competing powers in the Middle East are fully explored, as is the build-up of Arab forces that almost inexplicably caught Israel by surprise. The author then provides a gripping narrative of the conflict itself, punctuated by firsthand accounts and interviews with combatants. The War of Atonement is full of drama and tales of inspirational bravery, as Israel defied the odds to defeat the two-pronged invasion. An analysis of the political implications of the conflict bring this epic tale to a close. For this edition Chaim Herzog's son, Brigadier General Michael Herzog, has written an introduction which places the book in the context of his father's achievements and gives a revealing insight into the man himself. This is the most comprehensive work on a conflict that has had major implications for our own troubled times.

The Netanyahu Years Ben Caspit.2017-07-11 Benjamin Netanyahu is currently serving his fourth term in office as Prime Minister of Israel, the longest serving Prime Minister in the country's history. Now Israeli journalist Ben Caspit puts Netanyahu's life under a magnifying glass, focusing on his last two terms in office. A biography of the steely Israeli prime minister that underscores his relentless, seemingly emotionless competitive drive ... A highly readable portrait of an enigmatic politician. - Kirkus Reviews Caspit covers a wide swath of topics, including Netanyahu's policies, his political struggles, and his fight against the Iranian nuclear program, and zeroes in on Netanyahu's love/hate relationship with the American administration, America's Jews, and his alliances with American business magnates. A timely and important book, The Netanyahu Years is a primer for anyone looking to understand this world leader.

Hollow Land Eyal Weizman.2012-08-07 From the tunnels of Gaza to the militarized airspace of the Occupied Territories, Eyal Weizman unravels Israel's mechanisms of control and its transformation of Palestinian towns, villages and roads into an artifice where all natural and built features serve military ends. Weizman traces the development of this strategy, from the influence of archaeology on urban planning, Ariel Sharon's reconceptualization of military defence during the 1973 war, through the planning and architecture of the settlements, to the contemporary Israeli discourse and practice of urban warfare and airborne targeted assassinations. Hollow Land lays bare the political system at the heart of this complex and terrifying project of late-modern colonial occupation.

When the Bulbul Stopped Singing Raja Shehadeh.2020-03-17 The Israeli army invaded Ramallah in March 2002. A tank stood at the end of Raja Shehadeh's road; Israeli soldiers patrolled from the rooftops. Four soldiers took over his brother's apartment and then used him as a human shield as they went through the building, while his wife tried to keep her composure for the sake of their frightened children, ages four and six. This book is an account of what it is like to be under siege: the terror, the frustrations, the humiliations, and the rage of civilians becoming trapped in their own homes and at the mercy of young soldiers who have been ordered to set aside their own sense of human decency in order to bully, harass and in some cases brutalize an unarmed population. How do you pass your time when you are imprisoned in your own home? What do you do when you cannot cross the neighborhood to help your sick mother? And what does it feel like when occupier and occupied, who are supposed to be enemies, are forced to set aside feelings of empathy? When the Bulbul Stopped Singing reveals universal and timeless truths. A new introduction by Colum McCann and an afterword by the author show how little things have changed since this record of life under siege was first compiled.

Yigal Allon, Native Son Anita Shapira.2015-06-30 Born in 1918 into the fabric of Arab-Jewish frontier life at the foot of Mt. Tabor, Yigal Allon rose to become one of the founding figures of the state of Israel and an architect of its politics. In 1945 Allon became commander of the Palmah—an elite unit of the Haganah, the semilegal army of the Jewish community—during the struggle against the British for independence. In the 1947-49 War of Independence against local and invading Arab armies, he led the decisive battles that largely determined the borders of Israel. Paradoxically, his close lifelong relations with Arab neighbors did not prevent him from being a chief agent of their sizable displacement. A bestseller in Israel and available now translated into English, Yigal Allon, Native Son is the only biography of this charismatic leader. The book focuses on Allon's life up to 1950, his clash with founding father David Ben-Gurion, the end of his military career, and the watershed in culture and character between the Jewish Yishuv and Israeli statehood. As a statesman in his more mature years, he formulated what became known as the Allon Plan, which remains a viable blueprint for an eventual two-state partition between Israel and the Palestinians. Yet in the end, the promise Allon showed as a brilliant young military commander remained unfulfilled. The great dream of the Palmah generation was largely lost, and Allon's name became associated with the failed policies of the past. The story of Allon's life frames the history of Israel, its relationship with its Arab neighbors, its culture and spirit. This important biography touches on matters—Israel's borders, refugees, military might—that remain very much alive today.

Ariel Sharon Nir Hefez,Gadi Bloom.2006 Sample Text

Warrior Ariel Sharon,David Chanoff.2001-10-01 In this autobiography, former Prime Minister of Israel Ariel Sharon tells his captivating story with frankness, power, intelligence, and a brilliant gift for detail. Prime Minister of Israel from March 2001 to April 2006, Ariel Sharon was a dynamic and controversial leader. A hero in Israel's wars, perhaps the most daring and successful commander in Israel's extraordinary military history, Sharon has always been a warrior, whether the enemies were hostile Arab nations, terrorists, Time magazine, or rival politicians. The public man is well known—aggressive in battle, hardline in politics—but the private man has always been obscured by Sharon's dazzling career and powerful personality. In this compelling and dramatic autobiography, the real Sharon appears for the first time: a complex man, a loving father, a figure of courage and compassion. A warrior who commands the respect and love of his troops, a visionary, and an uncompromising, ruthless pragmatist, Sharon is as outspoken as his friends—and enemies—would expect him to be.

Key to the Sinai George Walter Gawrych.1990

My Country, My Life Ehud Barak.2018-05-08 WINNER OF THE 2018 NATIONAL JEWISH BOOK AWARD The definitive memoir of one of Israel's most influential soldier-statesmen and one-time Prime Minister, Ehud Barak, with insights into forging peace in the Middle East. In the summer of 2000, the most decorated soldier in Israel's history—Ehud Barak—set himself a challenge as daunting as any he had faced on the battlefield: to secure a final peace with the Palestinians. He would propose two states for two peoples, with a shared capital in Jerusalem. He knew the risks of failure. But he also knew the risks of not trying: letting slip perhaps the last chance for a generation to secure genuine peace. It was a moment of truth. It was one of many in a life intertwined, from the start, with that of Israel. Born on a kibbutz, Barak became commander of Israel's elite special forces, then army Chief of Staff, and ultimately, Prime Minister. My Country, My Life tells the unvarnished story of his—and his country's—first seven decades; of its major successes, but also its setbacks and misjudgments. He offers candid assessments of his fellow Israeli politicians, of the American administrations with which he worked, and of himself. Drawing on his experiences as a military and political leader, he sounds a powerful warning: Israel is at a crossroads, threatened by events beyond its borders and by divisions within. The two-state solution is more urgent than ever, not just for the Palestinians, but for the existential

interests of Israel itself. Only by rediscovering the twin pillars on which it was built—military strength and moral purpose—can Israel thrive.

Arik David Landau.2014-11-11 A commander in the Israeli Army from its inception in 1948, and a politician whose tenure bridged numerous governments, as both a general and a politician Ariel Sharon championed the construction of Israeli settlements in the West Bank and Gaza. But in his later years, as prime minister, he took a dramatic turn, and became the driving force behind Israel's unilateral disengagement. In this first truly comprehensive biography, David Landau, the former editor-in-chief of Haaretz, paints a vivid picture of the most dramatic and imposing Israeli political and military leader of the last forty years—and takes a penetrating look at how Sharon transformed his country like no one else.

Ben-Gurion Shim'on Peres.2011 A revelatory portrait of Israel's first prime minister, written by its current president, includes coverage of his support of the United Nations 1947 Partition Plan for Palestine, his granting of first exemptions to Orthodox military servicepeople and his peaceful overtures toward post-Holocaust Germany.

Ariel Sharon Freddy Eytan.2006 This chronicle of Israeli history - seen through the lens of the life of one of its major actors - reveals a resolute man of action whose contribution to the survival and success of the State of Israel is the stuff of legend. From his birth in the village of Kfar Malal in Palestine through the birth of Israel and its courageous struggle for life, Ariel Sharon's story has intersected with those of the entire range of humanity, from the extraordinary to the mundane, from the inspirational to the abject. Ariel Sharon experienced heroic times, when nothing could be taken for granted and the razor's edge always under foot. The author of this book first met Ariel Sharon in 1956, and since then has remained fascinated by the life of a simple man of the land who profoundly, wanted no more than to live in peace on his desert ranch. But historical events thrust enormous responsibility upon his shoulders, and as is well known, Ariel Sharon Look that responsibility seriously. Though his life has been controversial and filled with large scale conflict, Ariel Sharon - Arik as Israelis call him - also suffered great personal tragedy with the death of his first wife and son. In the end, he had the courage to dramatically change his ideas and change the course of Middle Eastern history in an attempt to resolve, once and for all, the conflict that opposes Israeli and Palestinian. With more than fifty pages of little-known documents including the famous Roadmap to peace, important speeches by Ariel Sharon and Ehud Olmert, and correspondence between Jerusalem and Washington, Ariel Sharon a life in times of turmoil offers an intriguing account of the events that have made Israel what it is today.

For the Land and the Lord Ian Lustick.1988

Sharon Tate Ed Sanders.2016-01-05 Ed Sanders gave readers their clearest insight yet into the disturbing world of Charles Manson and his followers when he published *The Family* in 1971. Continuing that journalistic tradition, Sanders presents the most thorough look ever into the heartbreaking story of Sharon Tate, the iconic actress who found love, fame, and ultimately tragedy during her all-too-brief life. *Sharon Tate: A Life* traces Sharon's path from beauty queen to budding young actress: her early love affairs, her romance with and marriage to director Roman Polanski, and the excitement of the glamorous life she had always sought -- all set against the background of the turbulent 1960s. This sympathetic account tells the powerful story of her determined rise through the ranks of Hollywood and to the brink of stardom before her name became forever linked with the shocking murder spree that took her life. In 1969, the Polanski house was targeted by the followers of cultist Charles Manson. Why the Manson clan focused its gaze on Sharon remains unclear, but the world was soon shocked to its core as it learned of the brutal murders of a pregnant Sharon Tate and her friends at her idyllic home in Los Angeles. Sanders once again examines this horrific crime and its aftermath, expounding on what may have led the killers to that particular house on that particular evening. Sharon Tate takes readers on a sometimes joyous yet inevitably heart-wrenching tour of the '60s as seen through the eyes of someone who lived it, survived it, and remembers it all too well. Brilliant illustrations by noted artist Rick Veitch lend character to this riveting narrative of the life and times of a beloved actress whose image and whose fate still haunt us to this day.

Like Dreamers Yossi Klein Halevi.2013-10-01 Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Immerse yourself in heartwarming tales of love and emotion with *Explore Love with Annelies Wilder-Smith* is touching creation, *Experience Love's Journey in Arik The Life Of Ariel Sharon English Edition* .
