Czechs Won't Get Lost in the World, Let Alone in America Miloslav Rechcigl Jr..2018-05-02 This book features a panorama of the lives of selected personalities, whose roots had origin in the Czech lands and who, in the US, reached extraordinary success and who, with their activities, substantially influenced the growth and development of their new homeland. It is a saga of plain, as well as powerful, people whose influence and importance often exceeded the borders of the US. A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known. The book covers the total period from the times of the discovery of New World to the end of the twentieth century. During the selection, little concern was given to nationalistic or ethnographic criteria, the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands. The image on the front cover is a portrait of Augustine Herman, Lord of Bohemia Manor, the

first documented Czech immigrant in the United States. The portrait comes from his famous Map of Maryland and Virginia, dated 1670. The colorful story of his life would be unbelievable if made into a movie. Pioneer, merchant, explorer, surveyor, map maker, patriot, rebel, diplomat, and finally Lord! Read more about him in the book.

Chinese Indigo Batik Designs Lu Pu.2012-04-19 Rich in tradition and history, the art of batik has been a deeply integrated facet of Chinese folk art for over 2,000 years. Using molten beeswax, skilled artisans paint patterns onto white cloth, which is then dipped into indigo dye. When the wax is removed with boiling water, unique designs of great harmony and beauty remain. The themes depicted in batik decoration have a strong native flavor, and are distinctive of the Chinese provinces and districts where they were created. In Huangping, mountains, trees, and birds are represented. In the Miao district, the concentration is on flowers and butterflies, while in the Yunnan Province, designs of peacocks, monkeys, and elephants abound. In this stunning pictorial archive, more than 110 authentic designs have been carefully reproduced from a rare, early collection of batik art. Collected from the remote areas of China's southwestern provinces, each decorative pattern is rich in beauty and meaning. This royalty-free volume will be an invaluable resource for artists, designers, craftspeople, and any lover of traditional Chinese folk art.
