The Book of Common Prayer: A Very Short Introduction Brian Cummings.2018-08-13 The Book of Common Prayer is one of the most influential books in history. First published in the reign of Edward VI, in 1549, it was a product of the English Reformation following the break with Rome. For nearly five centuries, it has formed the order of worship for established Christianity in England. More listeners have heard these prayers, it is said, than the soliloquies of Shakespeare. As British imperial ambitions spread, the Book of Common Prayer became the primary instrument (at least as much as the King James Bible) of English culture, firstly in Ireland in 1551. When the Puritans fled to America in 1620 it was to escape the discipline imposed by of the Book of Common Prayer, yet the book came to embody official religion in America before and after Independence, and is still in use. Today it is a global book: it was the first book printed in many languages, from north America to southern Africa, to the Indian sub-continent. In this Very Short Introduction Brian Cummings tells the fascinating history of the Book of Common Prayer, and explains why it is easily misunderstood. Designed in the 1540s as a radical Protestant answer to Catholic superstition, within a century (during the English Civil Wars) radical Christians regarded the Book of Common Prayer as itself superstitious and even (paradoxically) Papist. Changing in meaning and context over time, the Book of Common Prayer has acted as a cultural symbol, affecting the everyday conduct of life as much as the spiritual, and dividing conformity from non-conformity, in social terms as well as religious, from birth to marriage to death. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Moment by Moment I Pray Warren S. Banks.2022-07-22 This is part 4 of Moment by Moment, I Pray, which deals with my praying life from January 1, 2018–September 12, 2018. The story behind part 4 is the same as that of parts 1, 2, and 3, which deal with my prayer life from February 10, 2016, and ends on August 31, 2016. I found myself alone after the funeral of my beloved wife, Annie Jewel “Chief” Banks. We had been together almost fifty years. The funeral was held on Monday, January 5, 2015, at Ben Hill UMC, located in the heart of the Ben Hill community. After a forty-plus-mile drive to our birth home of Griffin, Georgia, she was laid to rest. Three days after her funeral, I took my original manuscript from a storage area in the

house that we had made our home and had raised our family and went out into the backyard and destroyed all twenty-six thousand handwritten pages. I did not see the need to continue writing or to live. But that was January 8, 2015. I looked up into the heavens and asked the Lord what he wanted me to do. I said, "Lord, I have pulled myself up from a small town in the state of Georgia named Griffin, Georgia." I had completed Fairmont High School, entered Clark College (now known as Clark Atlanta University), with the completion date of May 1970, and I completed Woodrow Wilson College of Law, Georgia State University Schools of Education, for my first teacher's certification to teach school and the school of management. From 1966 to 1970, I completed my degree in sociology and psychology. During my senior year at Clark, I married the love of my life, Ms. Annie Jewel Hosely, my high school sweetheart, also from Griffin, Georgia. We set up housekeeping in Atlanta, Georgia. But in January 1971, I was drafted into the army and was shipped to the Republic of South Vietnam to serve a tour of duty as a squad leader in a military police unit. I worked very hard, and I was promoted to the rank of Sergeant E5. I survived Vietnam and many other situations, but Chief's death took a toll upon the very essence of my soul. On February 12, 2016, I started back writing, and after a talk with the Lord on September 17, 2018, I had handwritten about three thousand pages. At this point, I asked the Lord, "Lord, what do you want me to do?" A soft but firm voice came to me, "Warren, my son, I want you to publish your story, which you have written in the form of a continued prayer." Well, looking back upon my life, the Lord has always been there for me, even when I thought my life was over. About seven days later, I was listening to my favorite gospel radio station. I heard his message: "If you are considering publishing your manuscript, call this number or go to this website." I was not quick enough to get the information down. Therefore, I missed out on getting the information that I needed to make my contact. But a few days later, while I was again listening to the same radio station, that same message came again. This time, I was able to get the information that I needed, and I made contact. Within the next few minutes, I received a phone call. The person on the other end of the line said that she had been assigned from the Christian Faith Publishing Company to serve as my literary agent. I was told that she would be my guide throughout the production process. I was given information where I needed to mail my manuscript to. I mailed my manuscript off to the address that was given to me. Within a few days, I got a call from my agent indicating that my manuscript had been accepted for publication. I was really beside myself. I have been in constant prayer with my Lord and Savior, Jesus Christ. He saw so much more in me than I saw in myself. He said that he would never leave me nor forsake me, and he never has.

God-Inspired Short Prayers and Inspirational Quotes Gary Meeke.2021-03-14 The inspiration for this prayer book came at a time when I was in desperate need of prayer myself laying in my hospital bed very poorly with Covid. Being a member of my church prayer team myself, as well as a daily prayer warrior for a long list of people in need, weather it's praying for hope, love, finances, or serious illness my commitment and faith in God for praying for other people is my calling from God and I am very blessed and privileged to have such an important and sometimes lifesaving role. The spirit of God has placed a multi book series on my heart, but I have been told to start with this simple prayer book of short personal prayers to show people a way, along with some Inspirational statements and a few special scriptures so that you can say read and pray quietly to yourself each day, or be bolder and read them out load. There will be one very special prayer right towards the end of this book which is probably the most important and powerful prayer that you can ever say, but I will leave that as a surprise and give you an explanation beforehand. My main focus is on God, love, honesty, hope, peace, healing and faith but I may add a few extra short prayers as they will all be spirit led from God at the time of writing. On the subject of honesty, this is my first ever book. I'm not an educated man and have no idea even how to write a book, put a picture on the front cover, or even publish a book, but God has placed this on my heart and I trust in Him fully without question and know he will lay the path down before me to follow, so if you are now reading this, then God showed me a way, and Gods message is available for all to read. I truly hope and pray that you find this prayer book helpful in your own journey, and it gives you the strength and confidence to say your own prayers to our Mighty God each day. Love and Blessings to you all. Gary Meeke

A Little Book of Prayers R. Owles.2018-07-17 The Book of James says that the prayers of a just person are effective. This means that Christian prayer produces results. The results may not always be what we are expecting, but they are always somehow effective. Paul tells us to Constantly pray! This book is a collection of prayers from different sources to assist with the apostolic instruction to pray. Some of the prayers are traditional. Some of the prayers are not traditional. Some of the prayers are for specific circumstances and conditions. In addition to a collection of prayers for various occasions, there are also prayers that are found in the Bible, and a short collection of psalms that are useful for praying. This book is a resource for those who may be new to faith and not know yet how to pray or may not feel comfortable praying on their own; for those who are confident in their ability to pray, but who like to meditate on other prayers or use other prayers as a guide for their own; and perhaps even for those who have become forgetful from illness or age, who desire to pray but find it difficult to remember prayers. Many people have found the prayers in this book to be both inspiring and useful. May they be so for you.

Practical Prayer .2012-11-28 Prayer can be difficult. This little book is meant to help. It's short because it's a starter, a catalyst, a first peek into a castle that takes a lifetime to explore. The words in this book are just a sampling of some of the prayers that have guided the devotion of millions of people for thousands of years. There is much more where this came from. It's small because we hope you'll carry it with you as a practical tool to establish a new habit or to deepen an old habit of communicating with God all throughout the day. You really can learn to pray. You really can become a person of prayer.

A Place for God Graham James.2017-11-16 In *The Lent Factor*, Graham James wrote about 40 people (one for each day of Lent) who had inspired him and helped to shape his spiritual journey. In this new book he turns his attention to places, from the Flinders Ranges in Australia to Devil's Island (French Guiana) via the Holy Land, Center Parcs and Holborn Underground Station. As with the previous book, each chapter of *A Place for God* offers a daily reflection, beginning with a suggested Bible reading and ending with a short prayer, and employing the same engaging combination of autobiography, history and spirituality. Some of the locations are well known and others very obscure: what they have in common is the part they have played in the author's life, in enabling his 'discovery of the divine in the landscape and the built environment, and of a God who always locates himself in our world, supremely revealed in Jesus of Nazareth'.

Together We Pray: a Prayer Book for Families . *Together We Pray* is a book of prayers written especially for families with children. It brings together grandparents, parents, older children, and even the youngest child to give thanks and to ask for God's help and mercy for the family and for the world. The prayers offered in *Together We Pray* are inspired by the Psalms of the Bible, scripture shared by Jews and Christians. They include prayers for the table, devotional prayers, and memory prayers that young children can easily understand. The prayers for table and devotion begin with a line or two from the Psalm in which the prayer is rooted and celebrate the good things of life just as the Psalms do--food, joy, home, love, and more. They also express a concern for other people and places around the world. For so many families, life today seems fast-paced and chaotic. Stopping for a moment to breathe, pausing and expressing thanks and gratitude to God, can be very powerful, even if the pause is relatively brief. *Together We Pray* helps families to take that pause, to share in God's love and grace, and to do so in the most profound and lasting way--together as a family.

A Short Book on Prayer John Bell.2013-05-03 This book on prayer is different because the primary focus is on who we are praying to. As one man said after reading , We have a wonderful Heavenly Father, don't we? Yes we do. My goal is the help you see that you can call out to Him. He not only hears you but immediately moves to help you.The book has a simple outline: why should we pray, how should we pray and what happens when we pray? I am certain that none of us take advantage of the full resources of prayer. I know I don't. You can't learn to swim from a correspondence course. You've got to get in the water. You can't learn to pray from a book. You've got to cry out to God. I hope this little book encourages you to cry out.This book will help you dialogue with God wherever you are. Prayer is not reserved for one part of your day. Pray without ceasing is the key to a powerful prayer life. Prayer is also a group activity. When two or three gather in Jesus name, heaven is moved. May your prayers be frequent and intense, may you intercede and give thanks. May the powerful name of Jesus give force to your most urgent request!
