East German Cinema S. Heiduschke.2013-10-10 East Germany's film monopoly, Deutsche Film-Aktiengesellschaft, produced a films ranging beyond simple propaganda to westerns, musicals, and children's films, among others. This book equips scholars with the historical background to understand East German cinema and guides the readers through the DEFA archive via examinations of twelve films.

Marketing Engineering Reloaded Pascal Schoog,Tobias Voigt.2023-09-03 Ohne Marketingtechnologie werden Unternehmen den Anschluss verlieren. Wenn es dazu um die nächste Stufe der digitalen Transformation vom Maschinen- raum zur Matrix für modernes Hochleistungsmarketing geht, wird Kollaboration zum entscheidenden Erfolgsfaktor. Das wiederum verlangt nach tiefgreifender Veränderungsfähigkeit und deren gekonnter Steuerung. Die drei Hauptkapitel zeigen deshalb nicht nur brandaktuelles Marktwissen von der Anbieterseite, sondern auch geländegängige Lösungen für deren erfolgreiche Implementierung in einem dynamischen Unternehmensumfeld. Das erste Kapitel räumt radikal mit dem Missverständnis auf, dass digitale Transformation in Marketing und Vertrieb ein Projekt mit Enddatum ist. Das zweite Kapitel zeigt konkret auf, wie man aus Daten echtes Gold spinnt und welches Monetarisierungspotenzial im Schürfen und Analysieren von Daten zu heben ist. Im dritten Kapitel geht es um die neuesten Ingredients für ein modernes Hochleistungsmarketing und deren organisatorische Konsequenzen bei der Implementierung. Hier geht es einmal mehr ganz tief in den Maschinenraum der Marketingautomation und seiner Protagonisten.

The Road to Financial Freedom Bodo Schaefer. Number-one worldwide best seller Bodo Schafer suggests tips to help make you as successful as he and many others have been by showing you the road to financial freedom. For many people, the concept of actually owning a million dollars at one time is completely unfathomable. So what if you could do it in seven years? Bodo Schafer, renowned financier and personal management aficionado, is back again to help people discover the tips and tricks that successful individuals employ to make it to the top. The Road to Financial Freedom is just that - a journey, and one Schafer has elected to help you undertake. Being rich and successful isn't merely luck; it takes discipline, tools, and an understanding of finances that most people simply don't have. This book is here to help unravel the shroud that keeps success out of the grasp of ordinary individuals. In this book you will learn: - How to manage and eliminate debt - Asset control and growth - Ways to not depend on others for financial solvency - And so much more! While becoming a millionaire in just seven years seems like a dream to some, those who practice the habits in this book could very well see it become a reality. Individuals are fraught with financial prejudices they don't know they have, which keep them from attaining success they don't know they are capable of. You can earn money, manage that money, and watch that money grow exponentially in a way that allows you every want without becoming destitute, because at the end of the day it's all about making your money work for you instead of spending your whole life working for your money. ©2016 AB Publishing, The Rights Company (P)2016 AB Publishing, The Rights Company

Marketing Problems Melvin Thomas Copeland.2019-03-11 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. The Stechlin Theodor Fontane.1995 Theodor Fontane (1819-98), widely regarded as Germany's most significant novelist between Goethe and Thomas Mann, pioneered the German novel of manners and upper-class society, following a trend in European fiction of the period. The Stechlin is Fontane's last book and his political testament. Like *Effi Briest*, his great work on the place of women in Bismarck's empire, it is set at the apex of the Wilhelmine era, both in Berlin and on the estate of a Prussian Junker on the shores of Lake Stechlin. It is a significant historical and cultural document, probably the finest chronicle of the life style of the German upper classes in the late nineteenth century; Fontane portrays the best in the life and ways of the passing Prussian aristocrats, while describing his hopes for the future of Germany and its nobility, which were never to be fully realized. Although this novel has been translated into many languages, it has never before been available in English; this edition thus fills an important gap in the significant works of European literature accessible to English readers.

Münchner illustrierte Presse .1973-03

The German Cinema Book Tim Bergfelder,Erica Carter,Deniz Göktürk,Claudia Sandberg.2020-02-20 This comprehensively revised, updated and significantly extended edition introduces German film history from its beginnings to the present day, covering key periods and movements including early and silent cinema, Weimar cinema, Nazi cinema, the New German Cinema, the Berlin School, the cinema of migration, and moving images in the digital era. Contributions by leading international scholars are grouped into sections that focus on genre; stars; authorship; film production, distribution and exhibition; theory and politics, including women's and queer cinema; and transnational connections. Spotlight articles within each section offer key case studies, including of individual films that illuminate larger histories (*Heimat*, *Downfall*, *The Lives of Others*, *The Edge of Heaven* and many more); stars from Ossi Oswalda and Hans Albers, to Hanna Schygulla and Nina Hoss; directors including F.W. Murnau, Walter Ruttmann, Wim Wenders and Helke Sander; and film theorists including Siegfried Kracauer and Béla Balázs. The volume provides a methodological template for the study of a national cinema in a transnational horizon.

Case Studies in Insomnia P.J. Hauri.1991-08-31 Sleep disorder experts discuss specific behavioral techniques, psychotherapeutic techniques and pharmacotherapy, comprehensive and integrated approaches, disorders of the sleep-wake schedule, and specific populations--the chronically ill and older adults. The field has seen rapid advances in recent years and has attained growing respectability--insomnia is now seen as something more than a manifestation of depression or simply an annoying nuisance to be extinguished with hyponotics. The Satanic Mill Otfried Preussler.1973-01-01 In seventeenth-century Germany, a boy desperately wants to escape from a school for Black Magic where he is held captive by demonic forces.

Politics as a Practical Science Wilhelm Hennis.2009-02-25 In essays reaching from 1959 to 2003 Wilhelm Hennis reconnects political theory to the tradition of politics as a 'practical science'.

The Lion's Game Nelson DeMille.2000-09-01 Detective John Corey, last seen in Plum Island, now faces his toughest assignment yet: the pursuit and capture of the world's most dangerous terrorist -- a young Arab known as The Lion who has baffled a federal task force and shows no sign of stopping in his quest for revenge against the American pilots who bombed Libya and killed his family. Filled with unrelenting suspense and surprising plot twists at every terrifying turn, *The Lion's Game* is a heartstopping race against time and one of Nelson DeMille's most riveting thrillers.

The Dada Seminars Leah Dickerman,Matthew S. Witkovsky.2005 Includes 12 illustrated essays, these case studies on artists and concepts present Dada as a coherent movement with a set of operating principles.

Live More Think Less Pia Callesen.2020-01-02 The Danish Bestseller Now Available in English Dr Pia Callesen presents the first practical book on metacognitive therapy, a groundbreaking new treatment proven to stop depression in its tracks. Many of us struggle with overthinking. We endlessly

analyse what we've said and done or the decisions we have to make. Rarely does this treat the stresses of our lives. Often we become overwhelmed; we end up feeling powerless, spiralling into sadness and even depression. Live More Think Less presents a radical strategy to take back control of our thinking processes. From training our attention to leaving our negative trigger-thoughts on the conveyor belt, the book guides us towards living better through mastering the attention we pay to our thoughts and how we act upon them. Depression and sadness are something we all have the power to overcome.

50 Years Porsche 914 J. Lewandowski.2019 The Porsche 911's little brother... In 1969 a very special sports car was born. The 914 rose from a marriage of convenience of Volkswagen and Porsche, because both companies wanted a small, modern and affordable sports car in their product range, but for little cost. Thus, it was decided to combine the skills of both manufacturers. The result was a light mid-engine sports car with a lively road performance and even 50 years after its launch, it pleases the eye with a fresh design. Back then it was often ridiculed as a 'housewife Porsche' or 'Volks-Porsche', but now, the 914 has come out of the shadow of its big brother the 911 and has a huge fan base; today it lives on in the Boxster and Cayman models. This volume includes: the result of thorough research in the Porsche and VW archives; rich photography; all technical data; development, production, model history and racing appearances.

Stress Between Work and Family John Eckenrode,Susan Gore.2013-06-29

The Wisdom of the Body Walter B. Cannon.1978-06-01

The Book of Dreams Nina George.2019-04-09 Warm, wise, and magical—the latest novel by the bestselling author of THE LITTLE PARIS BOOKSHOP and THE LITTLE FRENCH BISTRO is an astonishing exploration of the thresholds between life and death Henri Skinner is a hardened ex-war reporter on the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, THE BOOK OF DREAMS is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.

Endlich wieder richtig gut schlafen .

Aspekte des Menschseins im Alten Mesopotamien Ulrike Steinert.2012-02-17 Rooted in Assyriology with a strong interdisciplinary outlook, this book offers the first comprehensive study of ancient Mesopotamian notions of the human person, including semantic analyses of Akkadian terms for body parts and multiple aspects of the self.

Babylon Berlin Volker Kutscher.2017-09-12 THE BASIS FOR THE INTERNATIONAL TV SENSATION BABYLON BERLIN Cabaret on cocaine...captures the dark glamour of a briefly exhilarating time between the wars. --NPR Babylon Berlin is the first book in the international-bestselling series from Volker Kutscher that centers on Detective Gereon Rath caught up in a web of drugs, sex, political intrigue, and murder in Berlin as Germany teeters on the edge of Nazism. It's 1929 and Berlin is the vibrating metropolis of post-war Germany—full of bars and brothels and dissatisfied workers at the point of revolt. Gereon Rath is new in town and new to the police department. When a dead man without an identity, bearing traces of atrocious torture, is discovered, Rath sees a chance to find his way back into the homicide division. He discovers a connection with a circle of oppositional exiled Russians who try to purchase arms with smuggled gold in order to prepare a coup d'état. But there are other people trying to get hold of the gold and the guns, too. Rath finds himself up against paramilitaries and organized criminals. He falls in love with Charlotte, a typist in the homicide squad, and misuses her insider's knowledge for his personal investigations. And as he gets further entangled with the case, he never imagined becoming a suspect himself. "The first in a series that's been wildly popular in Germany is an excellent police procedural that cleverly captures the dark and dangerous period of the Weimer Republic before it slides into the ultimate evil of Nazism."—Kirkus Reviews "Conjures up the dangerous decadence of the Weimar years, with blood on the Berlin streets and the Nazis lurking menacingly in the wings."—The Sunday Times (London) "James Ellroy fans will welcome Kutscher's first novel and series launch, a fast-paced blend of murder and corruption sent in 1929 Berlin."—Publishers Weekly (starred review)

Santa Teresa Dr. Martina Bengert,Iris Roebing-Grau.2019-07-15 Even prior to her widely observed 500th anniversary, Teresa of Ávila (1515-1582) was already considered one of the most important authors of occidental mysticism. This volume gathers together contributions from a multitude of disciplines to explore the writings and reception of the Spanish author and saint. Previously disregarded lines of tradition are explored for a new understanding of her oeuvre, which is examined here with special regard to the potential to affect its readers. Teresa proves to not only be an accomplished, but also a very literary writer. Santa Teresa proves to be a figure of cultural memory, and the diffusion of her thinking is traced up to the present, whereby a recurrent focus is put on the phenomenon of ecstasy. Part of the widespread resonance of her work is the image of the iconic saint whose emergence as an international phenomenon is presented here for the first time. The volume is closed by an interview with Marina Abramovi answering four questions about Teresa.

Redescription Mining Esther Galbrun,Pauli Miettinen.2018-01-10 This book provides a gentle introduction to redescription mining, a versatile data mining tool that is useful to find distinct common characterizations of the same objects and, vice versa, to identify sets of objects that admit multiple shared descriptions. It is intended for readers who are familiar with basic data analysis techniques such as clustering, frequent itemset mining, and classification. Redescription mining is defined in a general way, making it applicable to different types of data. The general framework is made more concrete through many practical examples that show the versatility of redescription mining. The book also introduces the main algorithmic ideas for mining redescriptions, together with applications from various domains. The final part of the book contains variations and extensions of the basic redescription mining problem, and discusses some future directions and open questions.

The Wisdom of Egypt Anthony Hilhorst,George H. van Kooten.2018-12-10 This collection of essays gives a vivid impression of Egypt as background and stage of Jewish, Christian, and Gnostic thought and life in antiquity. It demonstrates Egypt's important role in the history, literature and culture of these religions.

Urban Public Health Gina S. Lovasi,Ana V. Diez Roux,Jennifer Kolker.2020-09-10 Today, we know cities as shared spaces with the potential to both threaten and promote human health: while urban areas are known to amplify the transmission of epidemics like Ebola, urban residency is also associated with longer, healthier lives. Modern cities encompass a wide ecology of infrastructures, institutions and services that impact health, from access to improved sanitation and early childhood education to the design of buildings and transportation systems. So how has this centuries-long transformation in human settlement affected the mindset surrounding public health research and practice? Urban Public Health is an interdisciplinary collaboration from experts across the globe that approaches the issue of urban health research from a uniquely public health orientation. The carefully crafted and thoughtful chapters in this volume grapple with the complexity of the urban setting as a physical and social space while also providing an abundance of global and local examples of current urban health practices. Urban Public Health is divided into four pragmatic sections which cover core conceptual models of public health and their inequities, methods of urban health research assessment, methods of urban health research analysis and explanation, and ultimately, opportunities for urban health research to inform action through partnership and collaboration, including those which elevate community voices and capacities. An accessible guide for both students and researchers alike, Urban

Public Health shines a light on how to understand, measure and change the urban setting so that cities grow, people thrive, and no one is left behind.

Akhenaten and Nefertiti Cyril Aldred.1973 Catalog of an exhibition celebrating the 150th anniversary of the Brooklyn Institute of Arts and Sciences.

Literary Translation, Reception, and Transfer Norbert Bachleitner.2020-09-21 The three concepts mentioned in the title of this volume imply the contact between two or more literary phenomena; they are based on similarities that are related to a form of 'travelling' and imitation or adaptation of entire texts, genres, forms or contents. Transfer comprises all sorts of 'travelling', with translation as a major instrument of transferring literature across linguistic and cultural barriers. Transfer aims at the process of communication, starting with the source product and its cultural context and then highlighting the mediation by certain agents and institutions to end up with inclusion in the target culture. Reception lays its focus on the receiving culture, especially on criticism, reading, and interpretation. Translation, therefore, forms a major factor in reception with the general aim of reception studies being to reveal the wide spectrum of interpretations each text offers. Moreover, translations are the prime instrument in the distribution of literature across linguistic and cultural borders; thus, they pave the way for gaining prestige in the world of literature. The thirty-eight papers included in this volume and dedicated to research in this area were previously read at the ICLA conference 2016 in Vienna. They are ample proof that the field remains at the center of interest in Comparative Literature.

Die Schlaf-Formel für Frauen Katja Wenzel.2019-11-06 Die Entspannungstherapeutin Katja Wenzel hilft anderen Frauen ihre Schlafprobleme zu überwinden. Ihr gebündeltes Wissen zum richtigen Schlafen hat sie im Experten Ratgeber Die Schlaf-Formel für Frauen zusammengefasst.

The Silent Death Volker Kutscher.2018-01-30 THE BASIS FOR THE INTERNATIONAL TV SENSATION BABYLON BERLIN "[Kutscher's] trick is ingenious...He's created a portrait of an era through the lens of genre fiction."—The New York Times Volker Kutscher, author of the international bestseller Babylon Berlin, continues his Gereon Rath Mystery series with The Silent Death as a police inspector investigates the crime and corruption of a decadent 1930s Berlin in the shadows the growing Nazi movement. March 1930: The film business is in a process of change. Talking films are taking over the silver screen and many a producer, cinema owner, and silent movie star is falling by the wayside. Celebrated actress Betty Winter is hit by a spotlight while filming a talkie. At first it looks like an accident, but Superintendent Gereon Rath finds clues that point to murder. While his colleagues suspect the absconded lighting technician, Rath's investigations take him in a completely different direction, and he is soon left on his own. Steering clear of his superior who wants him off the case, Rath's life gets more complicated when his father asks him to help Cologne mayor Konrad Adenauer with a case of blackmail, and ex-girlfriend Charly tries to renew their relationship—all while tensions between Nazis and Communists escalate to violence.
