*Hidden Secrets of God's Economy* Lou Galloway.2008-06 Radically transform your financial position in life to one of abundance and prosperity by discovering the hidden financial secrets of God's economy. After receiving revelation from the Lord in October 2006, I discovered why I wasn't

prospering as promised in the Bible. My beliefs were based upon my personal experiences rather than the word of God. I discovered I wasn't using all the talents that God created within me. These hidden talents are the seeds to our financial and business success. The Lord revealed to me that I should be living in God's economy of abundance and that my finances are not meant to be tied to the world's economic system. I was challenged to transform the way I think and learn to apply the principles of abundance in generating a 30-fold, 60-fold and 100-fold return. Once my eyes were opened to this revelation the Lord began to reveal opportunities to me. For further details visit my web site at [www.harvestwells.com](http://www.harvestwells.com) Lou Galloway lives in Hobart, Australia with his wife Sandra. They have two daughters, two son-in-laws, a son and two grandsons. Lou has spent over 15 years in ministry, including many overseas missionary excursions. Lou has a diploma in Christian Ministries and a Bachelor of Computing degree. Lou is currently involved in developing business projects within the mission field and has a vision to expand this concept on a much larger scale.

**The Kingdom Way of Prosperity** Eric K'Otani.2021-03-11 The way we handle money and our perspectives on it, reflect largely on the level of our spiritual maturity. And none can claim spirituality unless they are able to manage money according to God's will. The gospel of Jesus Christ includes the discourse about the believers' attitude about money and their freedom from its controlling power. It isn't surprising that Jesus spoke a lot on financial management, which is a kingdom priority. And the citizens of God's kingdom need to acquaint themselves with the ways of the kingdom. There is great ignorance among believers concerning God's will regarding the creation and management of financial wealth. There is a whole lot of difference between how kingdom wealth should be managed and how money is handled outside of God's kingdom. And what may be legal may not necessarily be godly. God's kingdom has its inalienable values which should guide the management of financial resources among believers. The significance of money both at a personal level as well as in ministry work cannot be overemphasized. For money is the currency of transaction. Yet the mindset of transaction must be set aside when kingdom work is involved. The kingdom of God operates largely on transformation, and the concept of profit is alien. Those who have retained a transactional mindset in doing kingdom business have failed to fulfill God's will. Prosperity has become elusive for many believers despite their diligence. This is a testament to the dearth of biblical knowledge; which should guide every believer's financial management. Yet many would easily resist and oppose any teaching about financial prosperity, whether in church or in a Christian setting. But how will they be helped with that kind of attitude? Relevant biblical knowledge is direly needed before anyone can fulfill God's will. God says, My people are destroyed for lack of knowledge... (Hosea 4:6) God desires that you have more than enough resources so that you are able to support His kingdom work. He gives His children money for that purpose. Deuteronomy 8:18, And you shall remember the LORD your God, for it is He who gives you power to get wealth, that He may establish His covenant which He swore to your fathers, as it is this day. For you to serve God better, you need an understanding of His kingdom way concerning finances; for two cannot walk or work together unless they are agreed (Amos 3:3). It is my prayer that as you read this book, you shall understand God's perspective of money and be aligned to His way.

*Prayer to Unlock Financial Prosperity* Paul Bonke.2017-12-29 This book has been written to charge your faith and lift your courage to new heights. I believe after reading this; you will be touched by the presence of God knowing that your financial breakthrough is on its way. A financial breakthrough to get a high paying job, a prayer that will turn things around for you. The devil is wise in his ways and has many methods of oppressing the children of God, but one of the methods he uses is poverty. The devil is the originator of poverty, and he uses this to oppress the believers and non-believers. It doesn't matter if you are a believer or not; the devil can disrupt your financial status if you give him a chance, no

matter how famous or wealthy you are. It's so unfortunate that many believers also suffer from this because they don't know there stand and the covenant of God for their life. Therefore, the devil uses poverty as one of the methods to shake their faith and tear them apart. Has a believer, you must know and understand the covenant of God for your life. You must not let the devil to toy with your financial status that is why this book, PRAYER to UNLOCK FINANCIAL PROSPERITY has been put together to help you challenge every negative power's that has been assigned to oppress you and destabilize your financial status. No matter the condition of your financial status, I can assure you that God can take you from Zero to hero, from nothing to something, poverty to prosperity, lack to surplus, sorrow to joy, disgrace to favor. Order now to connect with God of prosperity.

*BIBLICAL FINANCIAL DECREES FOR KINGDOM WEALTH* Olusegun Festus Remilekun.2018-11-16 Money is one of the major needs of the body of Christ today. As a believer the moment you got born again, you need money to serve Jehovah. Divine prosperity, riches, and wealth are from God. Proverbs 8:18, says, "Riches and honor are with me, yea durable riches and righteousness." God is the only one that can bring financial blessings to His children. Haggai 2:8, " The silver is mine, and the gold is mine, saith the Lord of hosts. As believers, we can declare and decree the word of God into the spiritual atmosphere and command financial prosperity and wealth to manifest in our lives. Biblical prophetic decree is a powerful tool in the school of spiritual warfare. We need faith when we do this because faith is the hope of things yet unseen. When we desire financial prosperity and wealth in our lives, then we need to keep confessing, decreeing and declaring the word of God into our prosperity until it becomes a reality in our lives. God wants His children to be prosperous and wealthy in life so we may be a blessing to the nations. I want to encourage you to use these decrees every day and soon you will see the manifestation of a prosperous and wealthy life.

*Prosperity - What The Bible Really Says* Daniel C Juster.2016-07-05 In the charismatic-Christian world, teachings about financial prosperity often are maligned for erroneously promising an opulent lifestyle as the reward for sacrificially donating money "by faith" to ministers or their ministries. Daniel C. Juster counters such aberrant doctrines of financial gain with What the Bible Says About Prosperity. By comparing, contrasting, and explaining both the Old and New Testament passages on the subject, he delivers a biblically balanced and refreshingly holistic view of prosperity. Daniel will: · Show you God's covenant pattern for true prosperity. · Give you basic principles for investing. · Reveal how righteous investing and biblical prosperity work together. · And much more. Daniel's more than forty years of teaching the Scriptures will sharply increase your understanding of biblical prosperity and strengthen and inspire your faith in God as your provider.

**Financial Deliverance** Dr. D. K. Olukoya.2014-02-24 Financial Deliverance Poverty has been the cause of untold hardship in the lives of many people. This is not supposed to be the case for those who are born-again Christians because the benefit of Christ's crucifixion is freedom in all ramifications, including financial freedom but also many Christians are poor. God does not want the situation to be so, meaning there is a way out, which is still hidden to many.

*God's Principles of Prosperity* Michael D. Light.2009-05 GOD'S PRINCIPLES OF PROSPERITY GOD WANTS YOU TO PROSPER! **Holy Wealth** I D Oketa.2023-10 There are at least 3000 verses in the bible directly relating to money or financial wealth and the need to build wealth on earth. Likewise, Jesus Christ talks more about money and financial wealth more than faith and prayer (combined). The only thing Jesus taught more about than money is the kingdom of God (which invariably is how to use the power of God immersed in wisdom and knowledge of self and the universe). Relatively, money is a product of knowledge and there is always a need for humans to develop deeper understanding and knowledge about life, money and success or how to create wealth. Today in Christendom, the need to create more wealth has never been so intense. Consequently, here is the right knowledge and understanding to build holy wealth and financial prosperity for impact as captured in the following. The need to build more wealth and financial prosperity in contemporary times (at such a time as now). Scriptures about wealth and money or financial prosperity. The pathway to create wealth and financial prosperity. An offer and recommendation to help you create and multiply your wealth and financial prosperity the way of Christ. I sincerely encourage you to act on time based on the information shared herein before it becomes too late.

*Biblical Principles for Financial Prosperity* Richard Oswald Commey.2018-11 The importance of ministry in the Body of Christ cannot be overemphasized. There can be no real expansion of the Kingdom of God on earth without each member understanding this concept. The expansion of the Kingdom, thus, cannot occur without significant financial input. God predetermined that He would bless His people financially as they fulfil their part in His covenant of prosperity by experiencing the supernatural law of sowing and reaping. This general principle applies to all Believers but even more so to those called to the ministry of giving in the Body of Christ. These are the Christian businessmen and women. This book pragmatically examines the laws of financial prosperity and encourages all Believers to support kingdom business in order that they may experience God's financial blessing. It also serves to bring enlightenment to Christian businesspeople, regarding their purpose, obedience to their call, and the resultant blessings on their business enterprises.

Living in Financial Distinction Allan Kiuna.2016-11-08 I have a passionate desire to see people economically transformed. Having experienced abject poverty first hand, my passion is more informed and driven by experience rather than by knowledge. A zealous empowerment for the Body of Christ is a critical aspect of proving the power of our faith. God doesn't just want to make us whole and holy in our spirit - He also wants to establish us in prosperity. The promises He has done to us are not only under-guarded by vows but by clear declaration of His surest intentions to prosper us. He doesn't even call the covenant as 'our covenant', He calls it 'my covenant'. The believer has toyed with this truth for many generations yet God's word on prosperity has been steadfast and unwavering. In fact, God is not just a prosperous God, He is also a prospering God. A Father who has begotten us into wholeness, wellness, completeness, holiness and purchased us from poverty, misfortunes and the debilitating ravages of sin. Living in financial distinction is a carefully handcrafted presentation to teach God's intention, will and plan for His children concerning prosperity. Nothing has been spared in explaining, teaching, proclaiming and describing the place of total financial victory as God intended for His dearly beloved children. The first part of this book takes us on a powerful journey on the 'DOs' - things to do in order to experience this awesome prosperity plan of God for us. It guides on how to align ourselves to divine provision and how to stay connected to the source of our prosperity - God Himself. The second part is the book delves into the 'DONTs' - The pitfalls to avoid in order to walk in financial distinction. It spares no effort in highlighting the traps, exposing the snares, the lies and the misconceptions about making it financially according to God's plan. The message in this book is simple - prosperity is from God and it is for you! This book is a complete outfit designed to cover you in every way on your journey to living in distinction financially as a Christian. The contribution to make you a financial victor has been made with lots of love and a sincere hope that you will embrace these tools and transform your life for good. Your prosperity glorifies God! He has paid every price to grant you the entire financial inheritance He has for you. Receive it - accept it, go and prosper!

Prosperity Taiwo Olukoyede,E. Adeboye.2017-12-28 God wants us to be blessed and be a blessing to others. Prosperity is a divinely inspired Book written on the eternal principles of exceeding financial greatness. To those in the world, prosperity may mean all sorts of vain things. Whereas some Christians believe it is biblical to prosper, some others accept it with a pinch of salt. This is so because they believe that as Christians, we should only be preoccupied with the coming of our Lord Jesus Christ and not with prosperity. Another school of thought believes that prosperity referred to in the scriptures has to do with heaven alone - we will only prosper when we get to heaven. God expects us to be blessings to the world. We are called to be the salt of the earth. How can one be a blessing when his life is chained in the shackles of poverty? What evidence will you then have to tell someone

that God is good? To cater for the less privileged and destitute, you cannot afford to be a destitute yourself. Do not allow anyone to deceive you into believing that wealth is only for the worldly. In fact, the Almighty God has promised that the wealth of the wicked will be transferred to the righteous ones in our time. All we need to do is to be patient and key into His divine principles which are sure. These principles are explained in detail in this Book. Prosperity is certain with God if you are diligent and faithful. These among many other reasons are why this Book has carefully looked into various dimensions of prosperity that we are supposed to enjoy as children of God. What is God's mind about prosperity? What are the principles of unlimited prosperity? Why do you need to prosper? What should you do with your prosperity? How can you prosper? As you read this Book and say the prayers in each of the twenty five chapters, you will experience the God of prosperity in Jesus' name.

**Overflowing Prosperity** Dr. Samuel Adeagbo.2021-02-17 Poverty is a curse of the law. It is not palatable nor is it desirable because of its terrible effects. Jesus Christ, by redemption, has redeemed us from the curse of the law so that the blessings of Abraham might come unto the Gentiles by faith. Prosperity is the will of God for man and it is expected to be overflowing and ever-flowing. This book explains the pains of poverty and the pleasure and purpose of prosperity. It explains how to access God's true riches through covenant walk and tested principles. It is your turn to enjoy overflowing prosperity. Gen. 8:22, Ps. 1:1-3, Jere. 17:7-8, 2 Cor. 9:6-11. Receive the light and break your financial hardship.

*Financial Stewardship* Andrew Wommack.2012-05-01 Best-selling author Andrew Wommack shares his personal story of when he was young and strapped financially. God taught him how to have abundance in the area of finances. Andrew discusses the influence of money in our lives and how it is very real. He teaches that Jesus taught more about managing resources than He did on prayer or even faith. He exposes the manipulation that sometimes goes on with Christian ministers and how you can be immune from it. Andrew Wommack's message is clear that even though there are abuses in the body of Christ regarding money, that you can still benefit from the truths in God's Word about finances. He believes that by fixing your heart that you deal with the root cause of financial situations and then money will take care of itself. Once your heart is right, using wisdom in how you spend your money comes naturally.

**The Bible of Money Wealth and Prosperity** Mysore KARUNAKKOR.2021-11-04 This book represents the wisdom and God-given inspiration I have gained concerning Christian finances over the last several years. What I have learned about God's plan for His children's financial well-being has come from more than twenty years of Bible study. In some cases, God has shown me some very basic truths through special revelation of His Word. I have seen God's desire and financial plan for us plundered individually and for the Church as a whole. The devil has continually robbed Christians who do not understand their God-given authority over him. However, I have also seen knowledge and right action triumph over the deceiver, in my life and the lives of many others. The majority of the Church misunderstands what the Word of God teaches about money. They make the mistake of thinking money is evil. We have all heard people try to argue against the biblical message of abundance by saying, But the Bible says money is the root of all evil. The Bible doesn't say money is the root of all evil. It says the love of money is the root of all evil. For the love of money is the root of all evil 1 Timothy 6:10 God is not against your having money. He just doesn't want money to have you. God never wants money to rule

your life. If you start to love money, it will not be long before it becomes your master, making it impossible for you to properly serve God. Our Heavenly Father's plan for our finances is three-fold: 1) to provide for His children's needs, 2) to provide for the preaching of the gospel, and 3) to provide plenty for His children so that they can give joyfully to others. This book is written to accomplish two purposes: 1) to help those who need an immediate turn around in their personal finances to be blessed of God, so that they can be a blessing to others, and 2) to assist those who are already enjoying the Lord's financial blessings to be an even greater blessing to others. This book is combining needed general information with practical, step-by-step instruction. Part 1 gives an overview of God's desire and plan for your financial abundance, as well as information about just how the devil will try to rob you, often before that abundance even reaches your hands! You need to know your enemy to fight him effectively! Part 2 outlines God's plan, requirements, and laws for reaping the financial harvest you need or want. You will see how tithes and offerings are essential to obeying the laws of the harvest. Part 3 speaks of debt--about how and why we enter into it, the special responsibility it holds for Christians, and specific suggestions as to how we can reduce and eliminate it while we wait to reap the full harvests God has promised us. It is my sincere prayer that this book will be a blessing to you, and that you will use the knowledge in it to help others prosper and be blessed. You are going to have a wonderful experience! You are going to transform your mind from traditional thoughts to God's thoughts about prosperity. You may question some of the challenging principles this book contains. They may seem so different from your present beliefs that you may ask whether or not they are really biblical. Well, let this special scripture be your guide as you undertake this life-transforming experience. To the law and to the testimony: if they speak not according to this word, it is because there is no light in them. Isaiah 8:20 Please don't reject the principles I am about to teach you just because they may not agree with what you have learned over the years. Freely question the new thoughts I submit to you. See if they agree with the Word of God. If they do, accept them and put them into practice. I promise I will not give you any principle without supporting it with the Scripture...

**Principled Principles for Financial Prosperity** Michael A. Abiodun.2017-08-17 The ultimate purpose of Principled Principles for Financial Prosperity is to create financial consciousness in the reader with a view of making the readers break even and remain at the top, irrespective of any ill or positive wind sweeping across the corridors of the financial arena. It is equally a purpose objective of this book to provide information that can enhance informed decisions, offering readers the realization that it is far better to be a reflexive finance pro-actor than to be a subsequent finance reactor and awaken its readers to the reality that money, its management, and its handling do not need face value understanding. The point here is that there are mysteries surrounding money whose deeper understandings are most necessary. The application of these understandings would shape the readers attitude to money, spending, and management.

**Biblical Faith Meets Financial Strategy, 2nd ed.** Johnny McWilliams. 2022-09-20 Prosperity resides where prayerful planning, financial freedom, and radical relationships intersect. Do you have a healthy connection with all financial matters? • Have you ever wondered what the Bible has to say about money? • Do you want to know the best way to build wealth? • Would you like to have contentment in every aspect of life, at work and home, with family and friends, at church, and in your community? Do you want to know how to better manage money? The scriptures teach us to be in a relationship with God. Your Heavenly Father wants you to live a prosperous life and build wealth. The Bible teaches you the proper way to handle those finances. The final four chapters of this book will show you how financial prosperity and the fruit of the Spirit intersect. Once you understand and begin living by these foundational truths, your heart will overflow with love, joy, and peace. Your actions will be purposeful, with patience, kindness, and goodness. And your thoughts will be faithful and meek with self-control. These are not only Christian financial concepts and principles; these are financial truths. It's time for you to RECOVER, GROW, and ZERO IN on your financial target. Here are some of the faith + strategy intersections you will read about and be able to apply immediately: • Your dreams + Your life • Prayer + Patience • Your destiny + God's will • King Jesus + Servant Jesus • Your Purpose? + Your Position? The INTERSECTION series includes the titles below: • Biblical Faith Meets Financial Strategy, 2nd ed. - How to Lay a Solid Foundation for Prosperity • God's Ownership Meets Money Management - How to Be a Good and Faithful Steward • Divine Provision Meets Generosity Planning - How to Live Life to the Fullest While Richly Giving ...and the following companion for a deeper study: • Setting Your Sights on the Intersection - 90-Day Devotional & Journal About the book series: INTERSECTION - Where God's Wealth Meets God's Wisdom Imagine yourself at the shooting range aiming at a target. To ensure your aim is accurate, you look for a calibrated point of reference. There are two engraved lines to give you a single place to focus on when aiming at a target. The two lines cross at this spot and create what is known as crosshairs. Crosshairs are composed of two wires or lines, one parallel and the other perpendicular to the horizon. The area that you are focused on is where the two lines intersect. The objective is to align the crosshairs with the bullseye. Aiming to hit the bullseye requires precision, and using the simple principle of intersecting lines, you can easily pinpoint that target. When peering through the scope of your financial future, the strategy is the same. The two dimensions are God's Wealth (vertical) and God's Wisdom (horizontal). Once you have these two crosshairs in focus and zeroed-in, you can aim right at the center of your target and hit it consistently. If you want to pinpoint your financial destiny, you need to zero-in on your target, not someone else's mark. The simple tool needed for pinpoint accuracy is the crosshairs, and one of the most critical steps is knowing where you are aiming. The blessings come where the two lines meet. Get ready to manage money according to the Word of God and live a prosperous life!
