Crossing the Line Kareem Rosser.2021-02-09 A marvelous addition to the literature of inspirational sports stories. - Booklist (Starred Review) This remarkable and inspiring story shines. - Publishers Weekly (Starred Review) Crossing the Line will not just leave you with hope, but also ideas on how to make that hope transferable” - New York Times bestselling author Wes Moore An inspiring memoir of defying the odds from Kareem Rosser, captain of the first all-black squad to win the National Interscholastic Polo championship. Born and raised in West Philadelphia, Kareem thought he and his siblings would always be stuck in “The Bottom”, a community and neighborhood devastated by poverty and violence. Riding their bicycles through Philly’s Fairmount Park, Kareem’s brothers discover a barn full of horses. Noticing the brothers’ fascination with her misfit animals, Lezlie Hiner, founder of The Work to Ride stables, offers them their escape: an after school job in exchange for riding lessons. What starts as an accidental discovery turns into a love for horseback riding that leads the Rossers to discovering their passion for polo. Pursuing the sport with determination and discipline, Kareem earns his place among the typically exclusive players in college, becoming part of the first all-Black national interscholastic polo championship team—all while struggling to keep his family together. Crossing the Line: A Fearless Team of Brothers and the Sport That Changed Their Lives Forever is the story of bonds of brotherhood, family loyalty, the transformative connection between man and horse, and forging a better future that comes from overcoming impossible odds.

Horses Have Wings Peter Van Minnen.2009-01-01 This is a book about the work I have been doing with horses over the last thirteen years. I believe that the healing work I do with horses is a gift, it comes naturally. I have been asked so many times to explain how this kind of communication, this kind of healing works: Can anyone do this? Are you talking to the horse? Are you a horse whisperer? Are you a shaman? So the idea grew of writing a book that would be entertaining, and informing, which would have general appeal: The case histories I offer in this book are unembellished. That's how they happened! In the book I make mention of a belief I hold, which is that a healing can occur in the simplest way: simply by recognizing the suffering of another living being, and just for a moment, sharing that suffering... My role is to simply witness the unfolding of that memory, that trauma. This is often enough to effect healing, releasing of what has been held inside, and what is holding back that creature of God from fully enjoying its life.

My Horses, My Healers Shelley R. Rosenberg.2006-10 My Horses, My Healers begins as a childhood drama of sexual abuse in the life of the author, and through the healing power of interacting with horses, Shelley Rosenberg transforms her experience into a protocol for self-healing through the willingness to be with the horse. For riders of all ages, for anyone who has experienced alienation from their own human kind in their days, for anyone who loves horses this book resonates with the good that can come from watching horses and humans interact and teach one another about the language of direct communication, feelings, and healing through truthful speaking of our emotions.

Horse Spirits Speak Kathy Pike.2020-03-25 Chaos. Stress. Disconnection. Almost everyone feels one or all of these symptoms in our high-paced age. No wonder that when we see a field with horses grazing in peace, we have such a strong visceral experience. Our heart rate slows down and we long for the same sense of harmony. Horse Spirits Speak: On Love, Presence, and Being Confident in a Chaotic World offers readers the opportunity to know that no matter what is happening in the world, they can access the same presence as horses do in their natural state. Horse Spirits Speak: On Love, Presence, and Harmony in a Chaotic World offers readers a framework to embody the horse's innate sense of harmony--in an instant. Horse Spirits Speak: On Love, Presence, and Being Confident in a Chaotic World, provides a concept similar to Conversations with God. The author has conversations with horses in spirit form and their ancient and unique wisdom allows for a journey of self-discovery through deepening a sense of one's authentic self and approaching life from another point of view. Wisdom imparted straight from the horse's mouth calms the reader, helps him or her to simplify their point of view, and find their way back to their authentic self. The book illuminates our world as seen from the way the horse navigates the challenges of its existence and offers inspirational advice to readers on how to canter joyfully through their lives. The teachings and stories in the book shift the reader to a more positive state and reconnects them spiritually with nature and the wisdom of horses. The further we get from experiencing the natural rhythm of nature, the greater our need for this reconnection. We all need this now more than ever. And rather than reach for a pill or a drink or other palliative actions, the reader is easily brought to a place of real connection and inner harmony. As a bonus, much of the information shared in this book is now backed up by recent studies in Quantum Mechanics.

Medicine Horse Woman Mary Marshall.2007-06 Mary Marshall, a nationally renowned animal communicator, takes readers on a fun-filled trip through the strange and fascinating world of animals. With clarity, humor and candor, she coaches readers in the art of interspecies communication, providing plenty of practical advice and how-to's for living a more fulfilling life with pets. She shares wisdom learned from ten years of healing animals and people, both physically and emotionally. The author introduces readers to Natalie, the Medicine Horse, an unusual creature who propelled Mary into the realm of spirit and intuition. Natalie's gifts as a healer and intuitive counselor to humans on subjects such as health, nutrition, spiritual and personal matters, are all revealed. Detailed healing exercises and medicinal uses for crystals, as prescribed by the four-legged shaman, are included for the reader's reference.

Indian Horse Richard Wagamese.2018-04-10 A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of Dream Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul’s victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, Indian Horse is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of Golden Age “A severe yet beautiful novel.... Indian Horse finds the granite solidity of Wagamese’s prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward.”—Donna Bailey Nurse, National Post (Toronto)

Horse Sense for People Monty Roberts.2002-05-28 From the author of the #1 bestseller The Man Who Listens to Horses Monty Roberts will make you marvel.—The New York Times Book Review In The Man Who Listens to Horses, Monty Roberts revealed the depth of communication possible between human and horse. Touching the hearts of more than four million readers worldwide, that memoir—which spent more than a year at the top of The New York Times bestseller list—described his discovery of the language of horses and the dramatic effectiveness of removing violence from their training. Now, the world's most famous horse gentler demonstrates how his revolutionary Join-Up technique can be used not just for horses, but as a model for how to strengthen human relationships. With vivid, often deeply moving anecdotes, Roberts shows how the lessons learned from the thousands of horses he has known can provide effective guidelines for improving the quality of our communication with one another—from learning

to read each other effectively, to creative fear-free environments, and, most importantly, teaching belief in the power of gentleness and trust.

Nurturing Healing Love Scarlett Lewis.2014-10-27 On December 14, 2012, Scarlett Lewis experienced something that no parent should ever have to endure: she lost her son Jesse in an act of unimaginable violence. The day started just like any other, but when a gunman opened fire at Sandy Hook Elementary School, Scarlett's life changed forever. However, this isn't a story about a massacre. It's a story about love and survival. It's about how to face the impossible, how to find courage when you think you have none, and how to choose love instead of anger, fear, or hatred. Following Jesse's death, Scarlett went on an unexpected journey, inspired by a simple three-word message he had scrawled on their kitchen chalkboard shortly before he died: Nurting Helin Love (Nurturing Healing Love). It was as if he knew just what his family would need in order to go on after this horrible tragedy. Bolstered by his words, Scarlett took her first step toward a new life. And with each step, it became clearer how true Jesse's message was. She learned that love was indeed the essential element necessary to move forward and that taking the path of love is a choice. We can live in anger and resentment, or we can choose love and forgiveness. With her decision made, she found some peace and began to believe that choosing love was the key to creating a healthy, safe, and happy world. She began the Jesse Lewis Choose Love Foundation to develop programs to teach children about the power each of us has to change our thoughts and choose a life without fear and hate. Nurturing Healing Love is Scarlett's story of how choosing love is changing her life—and how it could change our world. A portion of the proceeds from sales of this book will be donated to the Jesse Lewis Choose Love Foundation. To learn more about the foundation or to make a donation, go to www.jesselewischooselove.org.

Carousel Horse Elizabeth Wiley.2012-06 Spirit Horse II is the original of Carousel Horse. No single person is in the book. Each character is a mix of different riders, trainers, and volunteers. Some of the incidents really occurred, but are mixed with others that are similar, and some are fiction. Horses were an integral part of healing for the author, following a high-fever staph infection that left her very disabled. The ranch is a conglomerate of many programs run over the years by the author and other equine therapists. The author, while working with a severely abused horse one day, realized that if that animal could live in the small cage of a stall and still learn to trust her and build a new life, so could the author. That is the basis of Spirit Horse. The healing of the author started a program that has expanded to include working with psychiatrists, therapists, physical therapists, special education teachers, and parents, as well as veterans, first responders and their families. Spirit Horse II has joined Horses4heroes to provide vets ride free, a national effort of many member stables and programs to just provide a calm, peaceful moment in the lives of our veterans and their families to help them as they rebuild their lives after experiencing war. Horse owners, performance barns, and therapy or trail-riding stables are urged to join this project to share with our hometown heroes and their families the healing of horses. Whether just grooming, feeding carrots, or riding, horses have healed the author. Anyone who owns or works with horses is urged to join Horses4heroes and give a moment of your joy to others who surely have earned our help and respect.

Healing For Horses Margrit Coates.2011-09-30 Healing for Horses is the most comprehensive guide available on the subject of using healing energy with horses. In this book, the world's leading animal healer, explains what healing is, how it works and how it helps in the context of horses. Margrit Coates gives practical guidance on how you can learn the skill yourself, when and where to do it, together with 'dos and don'ts'. Margrit also describes the way energy runs through a living being, what and where the chakras are on horses, and how healing can benefit horses and improve the horse-human bond. Included are many fascinating case histories of horses who have been sick, depressed, injured, traumatised or terminally ill, with detailed descriptions of how healing has helped them all. Packed full of tips, photos, illustrations and guidelines, Healing for Horses is an essential book for every horse lover, as well as those of us who work with horses in any capacity way.

Prayers of Honoring Pixie Lighthouse.2019-04-15 Prayers of Honoring was written for sharing from the heart in community. In western culture, we keep many things to ourselves. Prayer, among other things, has become a private practice for those of us who don't congregate for spiritual purposes. Our language for connection to something greater than ourselves has become truncated to basic iterations and generalized affirmations. These prayers were written to honor the things which are easy to celebrate, and also those things which require more practice. It was written as a reminder of the process of honoring, which is to show high respect. It's my thought that respect and reverence have all but gone missing from western culture. To cultivate these things through the rhythm of prayer is to demonstrate devotion to the unfathomable energies which suspend us between the divine energies of Earth and Sky every day and night. It's my belief that creating our own family practice of prayerfulness brings us closer as we travel forth. Prayers of Honoring has supported my personal practice and allowed me to ground in an entirely new way. - Trace K. Prayers of Honoring was a gift from a fellow yoga teacher in Montana. I've carried it with me around the world and continually seek comfort in the beautiful words and phrases. I am so grateful that you are sharing your heart song, it's beautiful. - Emily S. Love Prayers of Honoring. As I entered my shamanic path, these prayers really helped with all of the energy I was calling in, and the energy I was letting go. I felt it was one of my strongest tools, especially when my closest cousin left earth side during it all. Thank you. - Leigh

Unspoken Messages Richard D. Rowland.2013-11-22 When someone faces an end-of-life diagnosis, he or she may have all hope of a continued existence and enjoyable quality of life taken away by people employed in this country's traditional medical profession. Discover how you can find

hope where none is offered and restore your peace of mind. In part one of *Unspoken Messages: Spiritual Lessons I Learned from Horses and Other Earthbound Souls*, read about spiritual experiences that are far beyond coincidental. You will leave part one convinced that animals are old souls with deep and ancient abilities to communicate with us if only we will open our hearts, minds, and eyes to their means of communication. Part two of *Unspoken Messages* is a guide to be used not only by those experiencing the possibility of an end to their physical existence, but by their loved ones too. It leads you through the life of a person that has lived the fear of death firsthand, traveled the path before you, and ultimately reached a place that is peaceful and filled with promise of an eventual continuation.

Many Brave Fools Susan E. Conley.2019-04-05 A moving memoir of a courageous codependent woman who found hope and healing on the back of a horse. Codependency, a compulsive behavior sometimes known as “relationship addiction,” is often characterized by a dysfunctional, one-sided relationship that is emotionally destructive—even abusive. For years Susan Conley found herself trapped, married to an addict whose health, welfare, and safety she valued far above her own. Over time, Conley watched as she lost contact with her own needs, desires, and sense of self. But then at forty-two, after yet another crisis came to an anticlimactic resolution that left nothing healed and little to hope for, she decided, having never so much as touched a horse, to take up riding. Here, with humor and honesty, Conley chronicles her experiences, sharing how her pledge to rediscover herself following her divorce was aided, abetted, and challenged by the horses in her life. “They were as large a part of my recovery as were any of the self-help books I read, personal development workshops I did, and 12-step meetings I attended,” she writes. “The struggle to heal the wounds of a dysfunctional marriage was actually made easier via the real wounds received from horseback riding.” *Many Brave Fools* explores the ways in which horses enriched Conley’s life, and how the process of making herself into a rider also helped her become the person she most wanted to be: not the “ex-wife of an addict,” but a responsive, confident, even courageous woman, entering the prime of her life.

What Horses Say Anna Clemence Mews,Julie Dicker.2004 Anna Clemence Mews presents a beautifully written collection of true stories that have made up a part of Julie Dicker's career as an animal communicator and healer. Client interviews, case notes, and an interesting collection of survey questions and answers that were actually posed to a representative group of Dicker's equine clientele provide anecdotal evidence of horses' emotions and their ability to reason.

Horse Speak: An Equine-Human Translation Guide Sharon Wilsie,Gretchen Vogel.2016-11-29 Horse Speak is not a training method or technique—it is a practical system for “listening” and “talking” to horses in their language, instead of expecting them to comprehend ours. Horse Speak can be used by anyone who works with horses, whether riding instructor, colt starter, recreational rider, or avid competitor. It promises improved understanding of what a horse is telling you, and provides simple replies you can use to tell him that you “hear” him, you “get it,” and you have ideas you want to share with him, too. The result? Time with your horse will be full of what horse trainer and equine-assisted learning instructor Sharon Wilsie of Wilsie Way Horsemanship calls Conversations, and soon the all-too-common misunderstandings that occur between horse and human will evolve into civil discussions with positive and progressive results! Learn Horse Speak in 12 easy steps; understand equine communication via breath and body language; and discover the Four Gs of Horse Speak: Greeting, Going Somewhere, Grooming, and Gone. Practice regulating your intensity, and sample dozens of ready-made Conversations with your horse, as step-by-step templates and instructional color photographs walk you through the eye-opening process of communicating on a whole new level.

Horses with a Mission Allen Anderson,Linda Anderson.2010-09-07 With twenty-one dramatic true stories of courageous, loyal, and loving horses

who found their life's purpose, this book reveals the wonders possible when both humans and horses are encouraged and allowed to follow their best instincts. The heroic equines you will meet include: Molly, a pony who survived Hurricane Katrina and the loss of a leg, who spreads her message of hope to disabled children. Her story went viral with coverage on the Internet, in the New York Times, and on the CBS Evening News. Sankofa, an Arabian stallion, who made it possible for social studies teacher Miles J. Dean to complete a cross-country journey in tribute to African American ancestors. Millions of adults and schoolchildren followed their odyssey as Miles and Sankofa made history come alive. Diana, a wild horse of the rare Gila herd, who proved to be a proud and resourceful lead mare who protected her herd and taught the great lesson of forgiveness. Butch, a retired gelding, who showed such an unswerving belief in a profoundly mentally retarded girl that he restored a mother's hopes for her child's future.

Hands-On Healing For Pets Margrit Coates.2012-06-30 This phenomenal book by Margrit Coates, the world's leading animal healer, will teach you how to make a real difference to your pet's happiness and well-being through hands-on energy healing. Energy healing is a non-invasive, complementary - yet very effective - therapy that can be used to help improve your pet's health and behaviour. In this fascinating guide, Margrit Coates provides practical advice on when, where and how to use hands-on healing to treat your pet. Whether you are caring for a dog or cat, rabbit or gerbil, bird or even a pet reptile or injured wild animals, the essential steps are given here, along with sections on other alternative treatments such as crystals, massage and flower remedies, and pet horoscopes. Throughout, Margrit shares case studies of animals who have been helped by hands-on healing.

Project Solomon Jodi Stuber, Jennifer Marshall Bleakley.2022-05 It's hard to be lonely, isn't it? To miss someone who should be here? Jodi Stuber wasn't looking for another horse for her struggling therapy ranch--let alone one like Solomon. After losing his herd, he was solitary and sad, spending his days standing near the plastic deer in his yard for company. No stranger herself to loss and heartache, Jodi knew she had to give Solomon a home. The road to recovery wouldn't be easy. As Solomon struggled to fit in with his new herd and Jodi continued to navigate her own grief, the two developed a deep bond. But just as Jodi and Solomon were both beginning to heal, an unthinkable tragedy struck the therapy ranch. And Solomon was about to teach Jodi the greatest lesson of all. Written by Jennifer Marshall Bleakley, author of *Joey: How a Blind Rescue Horse Helped Others Learn to See*, Project Solomon is a powerful story of resilience, sacrifice, and love that reminds us all how much we matter--to each other and to God. **The Amazing Afterlife of Animals** Karen A. The Horses Voice Elaine Tyley.2014-04-16 They say horses can't talk, but they can speak through Elaine who has a natural ability to communicate with horses. This book will take you on Elaine's journey to horse sharing the horses inner most secrets. Where seemingly ordinary horses tell their stories. some enchanting, some sad and disturbing then there are those that will make you laugh! He is a problem horse this is a label given to many when nobody has listened. Elaine is of the belief that a horse is not born a problem but the problems are created by man. We fail to listen to their communication, the turning away, the buck, the bite the list is endless and all of it communication. Through reading this book Elaine hopes that you will begin to question what your horse is trying to tell you and to look deeper within. The Horses Voice will take you on a journey, one that will open your eyes to not only your horse but also how your energy and emotions effect your horse. How past experiences have been stored within, by communicating and healing the emotions of these experiences can be released. By releasing the energy blocks and counseling them through the event that has caused it Elaine brings them peace. The owners see the difference and they feel the difference, not only on the ground but also when they ride. The stiffness has gone, the body and mind is relaxed and the owner understands their horse and begins to work in partnership with the horse and their relationship will never be the same again. The session opens their eyes to who their horse is, not an animal to be dominated and abused but a being that feels more than you can ever imagine. The emotions that are released during the session also forces the owner to break the emotional barrier and release their anxieties as well. Elaine describes herself as the horse counselor for mind, body and spirit because when they are allowed to speak, their world becomes a better place.

Riding Home Tim Hayes.2015-03-03 Riding Home: The Power of Horses to Heal, Horse Nation's must read book of 2016, is the first and only book to scientifically and experientially explain why horses have the extraordinary ability to emotionally transform the lives of thousands of men, women and children, whether they are horse lovers, or suffering from deep psychological wounds. It is a book for anyone who wants to experience the joy, wonder, self-awareness and peace of mind that comes from creating a horse/human relationship, and it puts forth and clarifies the principles of today's Natural Horsemanship (or what was once referred to as Horse Whispering) Everyone knows someone who needs help: a husband, a wife, a partner, a child, a friend, a troubled teenager, a war veteran with PTSD, someone with autism, an addiction, anyone in emotional pain or who has lost their way. Riding Home provides riveting examples of how Equine Therapy has become one of today's most effective cutting-edge methods of healing. Horses help us discover hidden parts of ourselves, whether we're seven or seventy. They model relationships that demonstrate acceptance, kindness, honesty, tolerance, patience, justice, compassion, and forgiveness. Horses cause all of us to become better people, better parents, better partners, and better friends. A horse can be our greatest teacher, for horses have no egos, they never lie, they're never wrong and they manifest unparalleled compassion. It is this amazing power of horses to heal and teach us about ourselves that is accessible to anyone and found in the pages of Tim Hayes's Riding Home. The information and lists of therapeutic and non-therapeutic equine programs, which are contained in the book, are also available at the book's website.

When Horses Run You Will Know the Meaning of the Times B. Farley.2006-10 The reason for this book to be written was to give proof as to what will be found in Atlantis, to prepare the way. There will be proof of joy and blessings once this book is read. For all of those who share in this knowledge, greater knowledge will come to them. They will be blessed and occurrences to begin immediately. Great positive changes will come about for the souls willing to walk the Path. You are blessed and joy and healing are with you. Have no despair, you are born to succeed. All of you on the Earth Plane have chosen success over failure before reincarnating. This goal will have eternal remembrance. This remembrance will surface in each and every one of you and will bring about the conditions we have talked about. Go, my children, go on your journey in peace and love. We are here to protect and guide you, you have only to ask.

On the Back of a Horse Claire Dorotik Ma.2011-02 On the Back of a Horse: Harnessing the Healing Power of the Human-Equine Bond is an entrance into the spiritual world of horses, the devastation of raw human trauma, and the equine facilitated psychotherapy that can help heal it. Using narrative interviews and case studies of equine experts and psychology researchers, the reader is given entrance into the world of equine facilitated psychotherapy, and in doing so, taken on an epic journey to discover how it is that these magical creatures understand so much about human trauma than we ourselves do.
