[A New Hope: Star Wars: Episode IV](#) George Lucas.2011-06-28 The classic adventure that started it all A long time ago in a galaxy far, far away . . . Luke Skywalker lived and worked on his uncle's farm on the remote planet of Tatooine—and he was bored beyond belief. He yearned for adventures out among the stars, adventures that would take him beyond the farthest galaxies to distant and alien worlds. But Luke gets more than he bargained for when he intercepts a cryptic message from a beautiful princess held captive by a dark and powerful warlord. Luke doesn't know who she is, but he knows he has to save her—and soon, because time is running out. Armed only with courage and with the lightsaber that had been his father's, Luke is catapulted into the middle of the most savage space war ever—and headed straight for a desperate encounter on the enemy battle station known as the Death Star. . . .

Star Wars: The Princess and the Scoundrel Beth Revis.2022-08-16 You are cordially invited to the wedding of Princess Leia Organa and Han Solo. The Death Star is destroyed. Darth Vader is dead. The Empire is desolated. But on the forest moon of Endor, amongst the chaos of a changing galaxy, time stands still for a princess and her scoundrel. After being frozen in carbonite, then risking everything for the Rebellion, Han is eager to stop living his life for other people. He and Leia have earned their future together, a thousand times over. And when he proposes to Leia, it's the first time in a long time he's had a good feeling about this. For Leia, a lifetime of fighting doesn't truly seem over. There is work still to do, penance to pay for the dark secret she now knows runs through her veins. Her brother, Luke, is offering her that chance -- one that comes with family and the promise of the Force. But when Han asks her to marry him, Leia finds her answer immediately on her lips . . . Yes. But happily ever after doesn't come easily. As soon as Han and Leia depart their idyllic ceremony on Endor for their honeymoon, they find themselves on the grandest and most glamorous stage of all: the Halcyon, a luxury vessel on a very public journey to the most wondrous worlds in the galaxy. Their marriage, and the peace and prosperity it represents, is a lightning rod for everyone in the galaxy -- including Imperial remnants still clinging to power. Facing their most desperate hour, the soldiers of the Empire have dispersed across the galaxy, retrenching on isolated worlds vulnerable to their influence. As the Halcyon travels from world to world, one thing becomes abundantly clear: The war is not over. But as danger draws closer, Han and Leia find that they fight their best battles not alone but as husband and wife.

George Lucas George Lucas.1999 A director, producer, and writer, George Lucas is the power behind The Force. The son of a conservative small-town businessman, he grew up to become arguably the most identifiable and popular filmmaker in the history of the medium. Yet unlike his more publicly engaged contemporaries, Lucas rarely grants reporters an audience. This first book of Lucas's interviews affords fans and students of film and science fiction a rare opportunity. Editor Sally Kline collects conversations from the reticent director spanning Lucas's entire career, from the making of his first film, 1971's THX-1138, through American Graffiti, the triumph of the Star Wars trilogy, and even a 1999 interview given while awaiting the release of Star Wars: Episode One--The Phantom Menace. In interviews from venues such as Rolling Stone, Playboy, and American Film, Lucas reveals his distrust of the Hollywood establishment, his love for making movies, and his unambiguous values and how those values translate into the epic clash between good and evil created when he explores characters like Darth Vader and Luke Skywalker. Lucas revolutionized the movie industry and created the most successful film series of all time. Along with films of his close friend Steven Spielberg, Lucas's releases invented the notion of blockbuster movies. Before the end of the millennium, he could count the loyal fans of the Star Wars trilogy in the millions. Sally Kline is film critic for The Journal newspapers. She has worked as a film commentator on a number of Washington, D.C. radio stations and as a guest lecturer at George Washington University. A freelance writer and researcher, she has contributed to two books, including a biography of Robert F. Kennedy.

Why We Love Star Wars Ken Napzok.2019-05-15 Celebrate the greatest saga ever told with this “intergalactically awesome book” (Tiffany “Smithlord” Smith). The first shots of the ragtag Rebels running from the monstrous Galactic Empire. Young Anakin winning the podrace. The first time we saw the crackle of Luke Skywalker’s lightsaber. All of us who are deeply influenced by the epic saga of Star Wars have our favorite moments, and each time the screen goes black and we see those words—A Long Time Ago, In A Galaxy Far, Far Away—the music blasts through us and we feel like kids again. In this book, Star Wars aficionado Ken Napzok counts down one hundred of those special moments that makes this series not just the best movies of all time, but the Greatest Saga Ever Told. What began as one movie about good people, evil oppressors, and the space wizards that stood between them has exploded into so much more. The moments that continue to inspire are on screen and in the pages of novels. They are found in the panels of comic books and among animated sequences on television. And they all continue to grow in stature, importance, and myth through discussions, debates, and daydreams. Why We Love Star Wars is a joyful journey through the universe we love to inhabit, again and again.

Get free eBooks for your eBook reader, PDA or iPOD from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders, Kindle, iPads, and Nooks.offers the most complete selection of pre-press, production, and design services also give fast download and reading book online. Our solutions can be designed to match the complexity and unique requirements of your publishing program and what you searching of book.The split between “free public domain ebooks” and “free original ebooks” is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you’ll find some interesting stories.They also have what they call a Give Away Page, which is over two hundred of their most popular titles, audio books, technical books, and books made into movies. Give the freebies a try, and if you really

like their service, then you can choose to become a member and get the whole collection.Social media pages help you find new eBooks from BookGoodies, but they also have an email service that will send the free Kindle books to you every day.At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added.Looking for the next great book to sink your teeth into? Look no further. As the year rolls on, you may find yourself wanting to set aside time to catch up on reading. We have good news for you, digital bookworms — you can get in a good read without spending a dime. The internet is filled with free e-book resources so you can download new reads and old classics from the comfort of your iPad.It’s disappointing that there’s no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word ‘free’ (free science fiction, or free history, for example). It works well enough once you know about it, but it’s not immediately obvious. Because this site is dedicated to free books, there’s none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site’s genres are presented on the homepage, so you don’t have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).
