FreeBookSpot can be just the right solution to your needs. You can search through their vast online collection of free eBooks that feature around 5000 free eBooks. There are a whopping 96 categories to choose from that occupy a space of 71.91GB. The best part is that it does not need you to register and lets you download hundreds of free eBooks related to fiction, science, engineering and many more. The Online Books Page: Maintained by the University of Pennsylvania, this page lists over one million free books available for download in dozens of different formats. Besides being able to read most types of ebook files, you can also use this app to get free Kindle books from the Amazon store. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall. Google Books will

remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. Most of the ebooks are available in EPUB, MOBI, and PDF formats. They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read. Each book can be read online or downloaded in a variety of file formats like MOBI, DJVU, EPUB, plain text, and PDF, but you can't go wrong using the Send to Kindle feature. If your public library has a subscription to OverDrive then you can borrow free Kindle books from your library just like how you'd check out a paper book. Use the Library Search page to find out which libraries near you offer OverDrive. ree eBooks offers a wonderfully diverse variety of free books, ranging from Advertising to Health to Web Design. Standard memberships (yes, you do have to register in order to download anything but

it only takes a minute) are free and allow members to access unlimited eBooks in HTML, but only five books every month in the PDF and TXT formats.
