Cities of Affluence and Anger Peter J. Hefner.2015-10-29 Providing a compact literary history of the twentieth century in England, *Cities of Affluence and Anger* studies the problematic terms of national identity during England's transition from an imperial power to its integration in the global cultural marketplace. While the countryside had been the dominant symbol of Englishness throughout the previous century, modern literature began to turn more and more to the city to redraw the boundaries of a contemporary cultural polity. The urban class system, paradoxically, still functioned as a marker of wealth, status, and hierarchy throughout this long period of self-examination, but it also became a way to project a common culture and mitigate other forms of difference. Local class politics were transformed in such a way that enabled the English to reframe a highly provisional national unity in the context of imperial disintegration, postcolonial immigration, and, later, globalization. Kalliney plots the decline of the country-house novel through an analysis of Forster's *Howards End* and Waugh's *Brideshead Revisited*, each ruthless in its sabotage of the trope of bucolic harmony. The traditionally pastoral focus of English fiction gives way to a high-modernist urban narrative, exemplified by Woolf's *Mrs. Dalloway*, and, later, to realists such as Osborne and Sillitoe, through whose work Kalliney explores postwar urban expansion and the cultural politics of the welfare state. Offering fresh new readings of Lessing's *The Golden Notebook* and Rushdie's *The Satanic Verses*, the author considers the postwar appropriation of domesticity, the emergence of postcolonial literature, and the renovation of travel narratives in the context of globalization. Kalliney suggests that it is largely one city--London--through which national identity has been reframed. How and why this transition came about is a process that *Cities of Affluence and Anger* depicts with exceptional insight and originality.

In this twentieth century cult classic, MacInnes captures the spirit of a generation and creates the style bible for anyone interested in Mod culture, and the changing face of London in the era of the first race riots and the lead up to the swinging Sixties...

Sam Selvon, The lonely londoners The Open University.2014-01-14 This 10-hour free course explored the depiction of migration, and of memory as a vital part of the migrant's experience, in *The Lonely Londoners*.

Atlantic Passages Mark Looker.1996 Caribbean novelist Sam Selvon was part of the new wave of post-war West Indian writers - George Lamming, V.S. Naipaul, and Derek Walcott among others - who would redefine what -English- literature meant. In novels such as *A Brighter Sun* and *The Lonely Londoners*, Selvon invented a literary language at once playful and engaging, moving to the rhythms of both literary modernism and Caribbean folk tales and calypsos. *Atlantic Passages* is the first book-length study to place Selvon's fiction at the center of postcolonial theoretical debates. It measures Selvon's novels against their social and cultural contexts, gauging their productive counterpoise with ideas of history and community. More fully than any previous study, it maps the landscape of Selvon's novels and their fictional confrontation with modernity in the immigrant enclaves of London and the newly independent Caribbean islands.

The Lonely Londoners Sam Selvon.2014-09-25 Both devastating and funny, *The Lonely Londoners* is an unforgettable account of immigrant experience - and one of the great twentieth-century London novels. At Waterloo Station, hopeful new arrivals from the West Indies step off the boat train, ready to start afresh in 1950s London. There, homesick Moses Aloetta, who has already lived in the city for years, meets Henry 'Sir Galahad' Oliver and shows him the ropes. In this strange, cold and foggy city where the natives can be less than friendly at the sight of a black face, has Galahad met his Waterloo? But the irrepressible newcomer cannot be cast down. He and all the other lonely new Londoners - from shiftless Cap to Tolroy, whose family has descended on him from Jamaica - must try to create a new life for themselves. As pessimistic 'old veteran' Moses watches their attempts, they gradually learn to survive and come to love the heady excitements of London. This Penguin Modern Classics edition includes an introduction by Susheila Nasta. 'His *Lonely Londoners* has acquired a classics status since it appeared in 1956 as the definitive novel about London's West Indians' *Financial Times* 'The unforgettable picaresque ... a vernacular comedy of pathos' *Guardian*

The Housing Lark Sam Selvon.2020-01-14 The humorous yet poignant novel of West Indian migrant life in London that adds an iconic voice to the growing Caribbean canon. A Penguin Classic Set in London in the 1960's, when the UK encouraged its Commonwealth citizens to emigrate as a result of the post-war labor shortage, *The Housing Lark* explores the Caribbean migrant experience in the Mother Country by following a group of friends as they attempt to buy a home together. Despite encountering a racist and predatory rental market, the friends scheme, often comically, to find a literal and figurative place of their own. Will these motley folks, male and female, Black and Indian, from Trinidad and Jamaica, dreamers, hustlers, and artists, be able to achieve this milestone of upward mobility? Unique and wonderful, comic and serious, cynical and tenderhearted, *The Housing Lark* poses the question of whether their lark, or quixotic idea of finding a home, can ever become a reality. Kittitian-British novelist and playwright Caryl Phillips contributes a foreword, while postcolonial literature scholar Dohra Ahmad provides a contextual introduction.

Mongrel Nation Ashley Dawson.2018-05-09 *Mongrel Nation* surveys the history of the United Kingdom's African, Asian, and Caribbean populations from 1948 to the present, working at the juncture of cultural studies, literary criticism, and postcolonial theory. Ashley Dawson argues that during the past fifty years Asian and black intellectuals from Sam Selvon to Zadie Smith have continually challenged the United Kingdom's exclusionary definitions of citizenship, using innovative forms of cultural expression to reconfigure definitions of belonging in the postcolonial age. By examining popular culture and exploring topics such as the nexus of race and gender, the growth of transnational politics, and the clash between first- and second-generation immigrants, Dawson broadens and enlivens the field of postcolonial studies. *Mongrel Nation* gives readers a broad landscape from which to view the shifting currents of politics, literature, and culture in postcolonial Britain. At a time when the contradictions of expansionist braggadocio again dominate the world stage, *Mongrel Nation* usefully illuminates the legacy of imperialism and suggests that creative voices of resistance can never be silenced. Dawson "Elegant, eloquent, and full of imaginative insight, *Mongrel Nation* is a refreshing, engaged, and informative addition to post-colonial and diasporic literary scholarship." —Hazel V. Carby, Yale University "Eloquent and strong, insightful and historically precise, lively and engaging, *Mongrel Nation* is an expansive history of twentieth-century internationalist encounters that provides a broader landscape from which to understand currents, shifts, and historical junctures that shaped the international postcolonial imagination." —May Joseph, Pratt Institute Ashley Dawson is Associate Professor of English at the City University of New York's Graduate Center and the College of Staten Island. He is coeditor of the forthcoming *Exceptional State: Contemporary U.S. Culture and the New Imperialism*.

The Lonely Londoners Samuel Selvon.2006 From the brilliant, sharp, witty pen of Sam Selvon, this is a classic award-winning novel of immigrant life in London in the 1950s

Transcultural Modernities Elisabeth Bekers.2009-01 The swelling flows of migration from Africa towards Europe have aroused interest not only in the socio-political consequences of the migrants' insistent appeals to 'fortress Europe' but also in the artistic integration of African migrants into the

cultural world of Europe. While in recent years the creative output of Africans living in Europe has received attention from the media and in academia, little critical consideration has been given to African migrants' modes of narration and the manner in which these modes give expression to, or are an expression of, their creators' transcultural realities. *Transcultural Modernities: Narrating Africa in Europe* responds to this need for reflection by examining the manner in which migrants compose and negotiate their Euro-African affiliations in their narratives. The book brings together scholars in the fields of literary and art criticism, cultural studies, and anthropology for an extensive interdisciplinary exchange on the specific modes of narration displayed in Euro-African literatures, the visual arts, and cinema, as well as offering ethnographic case studies. The result is a wide range of reflections on how African artists, writers, and ordinary people living in Europe experience and explore their transcultural and/or postcolonial environments, and how their experiences and explorations in turn contribute to the construction of modern Euro-African life-worlds.

Samuel Selvon Roydon Salick.2013 This full-length study traces the evolution of Selvon from fledgling author of poems and short fiction to an established short-story writer and novelist. It argues that Selvon enjoys a special place in West Indian literature because of his celebration of the enormous struggle of the Indo-Trinidadian peasant out of the cane experience into every professional field and politics... ---Back cover.

London Calling Sukhdev Sandhu.2003 Black authors of the 18th century were powerful figures: out walking near Charing Cross with one of his artist friends, Ignatius Sancho was accosted by a young fop who cried out to his friend, Smoke Othello. Sancho placed himself across the path and exclaimed in booming tones, Aye, Sir, such Othellos you meet with but once in a century. Such Iagos as you, we meet with in every dirty passage. Proceed, Sir

Eldorado West One Samuel Selvon.1988 Focusing on the immigration of West Indians to Britain in the 1950s and 1960s, these seven one-act radio plays vividly capture the loneliness and isolation that can be felt in one of the world's largest cities. With characteristic humor and poignancy, these stories touch on the dreams and disappointments of both the young and old as they face racial and class differences in a sprawling, urban London.

This Thing Called Literature Andrew Bennett,Nicholas Royle.2015-02-11 What is this thing called literature? Why should we study it? And how? Relating literature to topics such as dreams, politics, life, death, the ordinary and the uncanny, this beautifully written book establishes a sense of why and how literature is an exciting and rewarding subject to study. Bennett and Royle delicately weave an essential love of literature into an account of what literary texts do, how they work and what sort of questions and ideas they provoke. The book's three parts reflect the fundamental components of studying literature: reading, thinking and writing. The authors use helpful, familiar examples throughout, offering rich reflections on the question 'What is literature?' and on what they term 'creative reading'. Bennett and Royle's lucid and friendly style encourages a deep engagement with literary texts. This book is not only an essential guide to the study of literature, but an eloquent defence of the discipline.

In Our Mad and Furious City Guy Gunaratne.2018-12-11 Long-listed for the 2018 Man Booker Prize Short-listed for the 2018 Gordon Burn Prize Short-listed for the 2018 Goldsmiths Prize Inspired by the real-life murder of a British army soldier by religious fanatics, Guy Gunaratne's *In Our Mad and Furious City* is a snapshot of the diverse, frenzied edges of modern-day London. A crackling debut from a vital new voice, it pulses with the frantic energy of the city's homegrown grime music and is animated by the youthful rage of a dispossessed, overlooked, and often misrepresented generation. While Selvon, Ardan, and Yusuf organize their lives around soccer, girls, and grime, Caroline and Nelson struggle to overcome pasts that haunt them. Each voice is uniquely insightful, impassioned, and unforgettable, and when stitched together, they trace a brutal and vibrant tapestry of today's London. In a forty-eight-hour surge of extremism and violence, their lives are inexorably drawn together in the lead-up to an explosive, tragic climax. *In Our Mad and Furious City* documents the stark disparities and bubbling fury coursing beneath the prosperous surface of a city uniquely on the brink. Written in the distinctive vernaculars of contemporary London, the novel challenges the ways in which we coexist now—and, more important, the ways in which we often fail to do so.

Time, the City, and the Literary Imagination Anne-Marie Evans,Kaley Kramer.2020-11-18 *Time, the City, and the Literary Imagination* explores the relationship between the constructions and representations of the relationship between time and the city in literature published between the late eighteenth century and the present. This collection offers a new way of reading the literary city by tracing the ways in which the relationship between time and urban space can shape literary narratives and forms. The essays consider the representation of a range of literary cities from across the world and consider how an understanding of time, and time passing, can impact on our understanding of the primary texts. Literature necessarily deals with time, both as a function of storytelling and as an experience of reading. In this volume, the contributions demonstrate how literature about cities brings to the forefront the relationship between individual and communal experience and time.

The Novels of Samuel Selvon Roydon Salick.2001-04-30 The author of such works as *A Brighter Sun* (1952), *The Lonely Londoners* (1956), and *The Plains of Caroni* (1970), West Indian novelist Samuel Selvon is attracting growing amounts of scholarly attention. Nonetheless, criticism of his works has largely been imbalanced, with most scholarship focusing primarily on his language. This book corrects that imbalance by placing Selvon's novels within historical, sociological, and ideological contexts. A new interpretation of Selvon's achievement as a novelist, the volume looks, for the first time, at his works in terms of categories of novels--peasant, middle-class, and immigrant. The book demonstrates that each category is different from the others, and that novels within categories are similar. Thus it provides a coherent vision of Selvon's canon. It illustrates, as well, the development of Selvon's philosophy of West Indians as peasant, bourgeois, and immigrant. In doing so, it explores the significance of ethnicity in his works and discusses Selvon's imaginative apotheosis of the Indo-Trinidadian peasant and the diminution of the Afro-Trinidadian immigrant. The volume also studies Selvon's fictional and rhetorical techniques and argues that his works range from Bildungsroman to picaresque to epic to satire.

The Lonely Londoners Samuel Selvon.1956 A novel that follows a group of black, primarily West Indian immigrants as they attempt to build new lives for themselves in postwar London. In dramatizing the tension between the immigrants' fantasies and expectations of a city 'paved with gold, ' and London's cold, gloomy, often hostile reality, the author touches upon themes of alienation and homesickness, as well as resistance and comic defiance. An Island Is a World Sam Selvon.2019-08-15 In the post-War Caribbean colony, as an earlier generation thinks of returning to India, Foster, a young man, goes to England and Rufis his brother leaves for the United States, each in search of himself and his world. Combining his characteristic humour with a vivid sense of place, Selvon's *An Island is a World* tells a moving story of personal and intellectual quest in our time. With an introduction by Kenneth Ramchand.

Moses Migrating Samuel Selvon.2009 It has been more than 25 years since Moses Aloetta became one of the 'Lonely Londoners' in the novel of that name. Now - though an avowed Anglophile - he hankers for Trinidad, for sunshine, Carnival, and rum punch. With characteristic irony and delicacy of touch, Sam Selvon tells the story of Moses' re-encounter with his native land. This edition of the novel includes a new introduction to Selvon's life and work by Susheila Nasta, as well as a preface by 'Moses' that was written in 1992 for the first US edition of the work. Trinidad Noir Earl Lovelace,Robert Antoni.2017-05-02 "To travel through the 19 works of poetry and prose in this remarkable anthology is to experience Trinidad and Tobago through a kaleidoscopic lens." —Publishers Weekly, starred review Two of Trinidad's top writers masterfully curate this literary retrospective of the nation's best writing over the past century from authors who were largely part of the literary wave that swept in with Trinidadian Independence in 1962. Though *Trinidad Noir: The Classics* encompasses a variety of moods and themes, it winds up capturing the uniquely Trinidadian character. Influenced by the waning days of the colonial world—an era rife with crime, violence, enslavement, and indentureship—the selections highlight the often heroic individuals of the underclass. In this anthology, you'll find reprints of classic stories and poems by C.L.R. James, Derek Walcott, Samuel Selvon, Eric Roach, V.S. Naipaul, Harold Sonny Ladoo, Michael Anthony, Willi Chen, Earl Lovelace, Robert Antoni, Elizabeth Nunez, Ismith Khan, Lawrence Scott, Wayne Brown, Jennifer Rahim, Elizabeth Walcott-Hackshaw, Sharon Millar, Barbara Jenkins, and Shani Mootoo. "Lovelace and Antoni offer a 'subversive' take on island culture . . . Whether history repeats itself or progress is stalled by people's infinite capacity to get in their own ways, these 19 reprinted tales offer a bittersweet perspective on the cussedness of human nature." —Kirkus Reviews "Holds strong appeal for fans of noir and literary writing." —Library Journal

Moses Ascending Samuel Selvon,Sam Selvon.2008-03-27 Sam Selvon's *Moses Ascending* depicts West Indian Immigration in England. Moses, a

Trinidadian who has been in England for some years now represents immigrants who come from all corners of the world to seek a better life. Like many immigrants he is hard-working. Sam Selvon's Dialectal Style and Fictional Strategy Clement H. Wyke.2011-11-01 Sam Selvon, a contemporary writer of major importance, is well known to British and Caribbean readers, but his work -- including ten novels -- has not attained the prominence it deserves internationally. This study is a literary analysis of Selvon's use of Trinidad Creole English as an important component of his style and method of fictional composition. Wyke follows the development of Selvon's writing from his early to his late career, starting with his first novel, *A Brighter Sun* (1952), continuing with *The Lonely Londoners* (1956) and the short stories *Ways of Sunlight* (1957), and devoting a large part of the book to Selvon's middle and later years, focusing on such novels as *I Hear Thunder* (1963), *The Housing Lark* (1965), and *Those Who Eat the Cascadura* (1972). He finishes with the last two works of Selvon's trilogy, *Moses Ascending* (1975) and *Moses Migrating* (1983).

Acculturation in Sam Selvon's "The Lonely Londoners" Stefan Hinterholzer.2007-11 Seminar paper from the year 2006 in the subject English Language and Literature Studies - Literature, grade: 1, University of Innsbruck (Department of English), course: New Ways of Writing Englishness, 5 entries in the bibliography, language: English, abstract: Acculturation is a phenomenon whose importance is more and more increasing due to our modern society that is becoming more mobile and the world becoming more and more a place in which people move either freely or forced (refugees, emigrants looking for a better place to live etc.). Of course, there are certain obstacles that make this process of mobility more difficult. People from one culture leave their roots and start a new life in a new culture. As a consequence, they are forced to adapt to and to adopt this new culture to a certain extent. This is a very complex progress that is described by cultural studies. Just like any other experience, acculturation can be dealt with in literature. Literature can serve as a mirror that reflects cultural phenomena, human experiences, events in history etc. Literary studies deal with the interpretation of these depictions (or reflections) in literary works. Since literary and cultural studies can partly deal with the same topics, there are interfaces. The focus of this research paper will be on acculturation theories and their application to Sam Selvon's *The Lonely Londoners* with a further focus on the historical background that is intended to provide a better understanding of the acculturation process Selvon's characters make through. It will also be analyzed how Selvon depicts his characters in their acculturation process, whether he uses stereotypes or a differentiated depiction and which problems the characters have to face. It will be shown in how far literature can reflect cultural phenomena and in how far this could be achieved in *The Lonely Londoners*.
