Ask a Manager Alison Green.2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

How to Write Thank You Letters, Emails, and Notes Dianna Daniels Booher.2012-01-31 Gifts, hospitality, help, encouragement, great service. All of these are special occasions for expressing gratitude to your friends, family, and colleagues at work. Don't miss these opportunities to cement relationships by forgetting to say thank you. And if you're going to take the time to write a letter, note, or email, make it count. Say something meaningful that comes from your heart—something that doesn't sound like a pre-printed card or cliché that everyone else writes on such occasions. Make your letter or note one that they'll read more than once—and maybe even file away for years as a memento of your relationship and the occasion. If you can't find the right words to say “thank you” in a way to make the reader feel special, customize one from this professionally written collection of thank you letters, emails, and notes. You'll find thank you letter examples—and email models as well--for both personal and business situations: Personal and Business Thank You Letters, Emails, and Notes, Plus Situations Included: · Birthday Gifts · Monetary Gifts · Baby Shower Gifts · Christmas Gifts · Wedding Gifts · Help--During Crisis · Help--Arranging Events · Help--Meeting Deadlines · Help--Encouragement and Support · Sympathy or Comforting Notes · Jobs Well Done · Good Deeds · Shared Expertise · Volunteering · Honesty and Advice—Friend Honesty and Advice · Honesty and Advice--Stranger · Romantic Evenings · Hospitality · Visits --To Coach or Gym Teacher --To Private Instructor --To Teacher --To Babysitter --To Neighbor for Watching Child --To Clergy Service --To Daycare Facility --To Clergy --To Counselor · Service --Medical Team —Hotel Service --Airline Service --Rental Car Agency Service --Technical Support Service --Helpful Salesperson Service --Safety Personnel Service --Honest Mechanic --Complimentary Services or Goods --For Referrals --For Business --For Meetings -- For Appointments How to Use This Thank You Letters and Notes Package? You can search and download free books in categories like scientific, engineering, programming, fiction and many other books. No registration is required to download free e-books. We are a general bookseller, free access download ebook. Our stock of books range from general children's school books to secondary and university education textbooks, self-help titles to large of topics to read. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Wikibooks is a collection of open-content textbooks, which anyone with expertise can edit - including you. Unlike Wikipedia articles, which are essentially lists of facts, Wikibooks is made up of linked chapters that aim to teach the reader about a certain subject. The Online Books Page: Maintained by the University of

Pennsylvania, this page lists over one million free books available for download in dozens of different formats. In addition to the sites referenced above, there are also the following resources for free books: WorldBookFair: for a limited time, you can have access to over a million free ebooks. WorldLibrary: More than 330,000+ unabridged original single file PDF eBooks by the original authors. FreeTechBooks: just like the name of the site, you can get free technology-related books here. FullBooks.com: organized alphabetically; there are a TON of books here. Bartleby eBooks: a huge array of classic literature, all available for free download. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here. Amazon's star rating and its number of reviews are shown below each book, along with the cover image and description.
