[The Little Pine Cookbook](#) Moby.2021-09-07 Musician and plant-based ambassador Moby shares his favorite creative and delicious vegan dishes Moby became vegan more than thirty years ago, when few people knew how to pronounce the word. Since then, vegan cuisine has flourished as the fastest-growing and most innovative cuisine on the planet. As a passionate animal rights advocate and also a food lover, Moby has helped fuel this evolution at his wildly popular restaurants. He is the original owner of the L.A. celebrity hotspot Little Pine, which showcases an elevated menu proving once and for all that vegan food is “all grown up” and the most delicious way to be eating today. Now Moby takes readers inside this special corner of Southern California with The Little Pine Cookbook, a collection of 125 recipes inspired by the restaurant's beloved dishes. Gateway recipes like Panko-Crusted Piccata will wow even the hardest-to-please meat lovers. And veg-forward small plates like Fried Cauliflower with Kimchi Aioli and go-to pastas like Orecchiette with Braised Leeks, Asparagus & English Peas will become back-pocket staples, no matter your diet. And didn't you know that desserts are healthier when they are vegan? Indulge in the simple pleasure of Butterscotch Pudding or the rich decadence of Chocolate Bread Pudding while feeling good about yourself and your contribution to a better planet. Whatever you're making, the spirit of Little Pine—of community, of sharing, and of giving—is in all these recipes, and they are here for you to savor every day.

Many: The Diversity of Life on Earth Nicola Davies. 2020-10-06 After magnifying the beauty of unseen organisms in *Tiny Creatures*, Nicola Davies and Emily Sutton turn their talents to the vast variety of life on Earth. The more we study the world around us, the more living things we discover every day. The planet is full of millions of species of plants, birds, animals, and microbes, and every single one — including us — is part of a big, beautiful, complicated pattern. When humans interfere with parts of the pattern, by polluting the air and oceans, taking too much from the sea, and cutting down too many forests, animals and plants begin to disappear. What sort of world would it be if it went from having many types of living things to having just one? In a beautiful follow-up, the creators of the award-winning *Tiny Creatures: The World of Microbes* deliver an inspiring look at the extraordinary diversity of Earth's inhabitants — and the importance of their preservation.

A popular way to read an ebook is on an e-reader, such as a Kindle or a Nook, but you can also read ebooks from your computer, tablet, or smartphone. The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media profiles are also available if you don't want to check their site every day. As the name suggests, Open Library features a library with books from the Internet Archive and lists them in the open library. Being an open source project the library catalog is editable helping to create a web page for any book published till date. From here you can download books for free and even contribute or correct. The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Providing publishers with the highest quality, most reliable and cost effective editorial and composition services for 50 years. We're the first choice for publishers' online services.
