That Winter Pamela Gillilan. 1986 Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter* (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Dilip Kumar Dilip Kumar. 2014-07-28 An authentic, heartfelt and compelling narrative - straight from the horse's mouth - that reveals for the first time numerous unknown aspects of the life and times of one of the greatest legends of all time who stands out as a symbol of secular India. Dilip Kumar (born as Yousuf Khan), who began as a diffident novice in Hindi cinema in the

early 1940s, went on to attain the pinnacle of stardom within a short time. He came up with spellbinding performances in one hit film after another - in his almost six-decade-long career - on the basis of his innovative capability, determination, hard work and never-say-die attitude. In this unique volume, Dilip Kumar traces his journey right from his birth to the present. In the process, he candidly recounts his interactions and relationships with a wide variety of people not only from his family and the film fraternity but also from other walks of life, including politicians. While seeking to set the record straight, as he feels that a lot of what has been written about him so far is 'full of distortions and misinformation', he narrates, in graphic detail, how he got married to Saira Banu, which reads like a fairy tale! Dilip Kumar relates, matter-of-factly, the event that changed his life: his meeting with Devika Rani, the boss of Bombay Talkies, when she offered him an acting job. His first film was Jwar Bhata (1944). He details how he had to learn everything from scratch and how he had to develop his own distinct histrionics and style, which would set him apart from his contemporaries. After that, he soon soared to great heights with movies such as Jugnu, Shaheed, Mela, Andaz, Deedar, Daag and Devdas. In these movies he played the tragedian with such intensity that his psyche was adversely affected. He consulted a British psychiatrist, who advised him to switch over to comedy. The result was spectacular performances in laugh riots such as Azaad and Kohinoor, apart from a scintillating portrayal as a gritty tonga driver in Naya Daur. After a five-year break he started his 'second innings' with Kranti (1981), after which he appeared in a series of hits such as Vidhaata, Shakti, Mashaal, Karma, Saudagar and Qila.

language, 'reinvented' over the last century. It has responded to the new social and technological demands of globalization with a vigorously developing multisourced lexicon, enriched by foreign language contact. In this detailed and rigorous study, the author provides a principled classification of neologisms, their semantic fields and the roles of source languages, along with a sociolinguistic study of the attitudes of 'purists' and ordinary native speakers in the tension between linguistic creativity and the preservation of a distinct language identity.

Charlotte's Web E. B. White.2015-03-17 Don't miss one of America's top 100 most-loved novels, selected by PBS's The Great American Read. This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is just about perfect. Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in *Charlotte's Web*, high up in Zuckerman's barn. *Charlotte's spiderweb* tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and Laura Ingalls Wilder's *Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite.

The Firebird, 1919 Suite Igor Stravinsky.2016-09-15 Stravinsky's ballet score for *The Firebird* launched his career as a composer after its Paris premiere in 1910. he was able to arrange a suitable concert suite for a normal-sized orchestra, which was given its premiere by Ernest Ansermet and the newly founded Orchestre de la Suisse Romande in April of 1919. Offered here is the first definitive newly engraved publication of the concert-hall staple in the near-century since its first publication by Chester in 1920 - in a notoriously error-heavy edition. Thoroughly researched and edited by Clark McAlister and Clinton F. Nieweg, this new study score will be a most welcome addition to the libraries of conductors, music students and fans of the great Russian master's music everywhere.

Navketan Sidharth Bhatia.2011-11-03 Dev Anand has long been known as the evergreen star of Hindi cinema. Navketan, the production company he started in 1949, is as perennial too. It has come to be known for stylish, contemporary films and some of the finest film music ever produced in India. But Navketan is more than just its films. It spans a crucial phase in the growth of the Indian film industry, from the early, post-independence phase of black and white films to the glorious, music-filled colourful cinema of the 1960s and '70s. It has been a training ground and school for many famous directors, producers, composers and technicians. It has also launched several actors who went on to become big stars in their own right. Some of the landmark films of Indian cinema have been produced by Navketan, from the noir classic Taxi Driver and the cultish Hare Rama Hare Krishna, to the all-time entertainer Jewel Thief and Guide, which features in every list of the ten best films ever made in India. The story of Navketan therefore is a parallel history of the Hindi film business and indeed a social history of India. By interviewing scores of people in front of and behind the camera, and after poring over archives and through old, faded cuttings, Sidharth Bhatia has put together a fascinating saga of the creative partnerships which spawned an organization that defined popular film-making for decades. Profusely illustrated with stunning photographs, stills from Navketan's films, publicity brochures and posters-some of

The Mayor of Casterbridge Thomas Hardy. 1886 One of Hardy's most powerful novels, *The Mayor of Casterbridge* opens with a shocking and haunting scene: In a drunken rage, Michael Henchard sells his wife and daughter to a visiting sailor at a local fair. When they return to Casterbridge some nineteen years later, Henchard--having gained power and success as the mayor--finds he cannot erase the past or the guilt that consumes him. *The Mayor of Casterbridge* is a rich, psychological novel about a man whose own flaws combine with fate to cause his ruin. This Modern Library Paperback Classic reprints the authoritative 1912 Wessex edition, as well as Hardy's map of Wessex.

Positioned between India, Pakistan and China - three nuclear powers - Kashmir is the most militarized zone on the planet. Against this backdrop, the urgency to understand what Jammu and Kashmir means to those who actually belong to its territory has increased. This book not only helps readers navigate subtleties in a complex part of the world but is the first of its kind - written for a global audience from local perspectives, which to date have been sorely lacking.

collection of England's finest establishments: Merchant Taylors' School, London, St John's College, Oxford, and St Catharine's College, Cambridge, where he took his B.A. degree in approximately 1618. He first published in 1618, a poem entitled *Echo, or the Unfortunate Lovers*. As with many artists of this period full details of his life and career are not recorded. Sources say that after graduating he became a minister of God's word in or near St Albans. A conversion to the Catholic faith enabled him to become master of St Albans School from 1623-25. He wrote his first play, *Love Tricks, or the School of Complement*, which was licensed on February 10th, 1625. From the given date it would seem he wrote this whilst at St Albans but, after its production, he moved to London and to live in Gray's Inn. For the next two decades, he would write prolifically and with great quality, across a spectrum of thirty plays; through tragedies and comedies to tragicomedies as well as several books of poetry. Unfortunately, his talents were left to wither when Parliament passed the Puritan edict in 1642, forbidding all stage plays and closing the theatres. Most of his early plays were performed by Queen Henrietta's Men, the acting company for which Shirley was engaged as house dramatist. Shirley's sympathies lay with the King in battles with Parliament and he received marks of special favor from the Queen. He made a bitter attack on William Prynne, who had attacked the stage in *Histriomastix*, and, when in 1634 a special masque was presented at Whitehall by the gentlemen of the Inns of Court as a practical reply to Prynne, Shirley wrote the text-*The Triumph of Peace*. Shirley spent the years 1636 to 1640 in Ireland, under the patronage of the Earl of Kildare. Several of his plays were produced by his friend John Ogilby in Dublin in the first ever constructed Irish theatre; *The Werburgh Street Theatre*. During his years in Dublin he wrote *The Doubtful Heir*, *The Royal Master*, *The Constant Maid*, and *St. Patrick for Ireland*. In his absence from London, Queen Henrietta's Men sold off a dozen of his plays to the stationers, who naturally, enough published them.

When Shirley returned to London in 1640, he finished with the Queen Henrietta's company and his final plays in London were acted by the King's Men. On the outbreak of the English Civil War Shirley served with the Earl of Newcastle. However when the King's fortunes began to decline he returned to London. There his friend Thomas Stanley gave him help and thereafter Shirley supported himself in the main by teaching and publishing some educational works under the Commonwealth. In addition to these he published during the period of dramatic eclipse four small volumes of poems and plays, in 1646, 1653, 1655, and 1659. It is said that he was a drudge for John Ogilby in his translations of Homer's Iliad and the Odyssey, and survived into the reign of Charles II, but, though some of his comedies were revived, his days as a playwright were over. His death, at age seventy, along with that of his wife, in 1666, is described as one of fright and exposure due to the Great Fire of London which had raged through parts of London from September 2nd to the 5th. He was buried at St Giles in the Fields, in London, on October 29th, 1666.

Twelve Years a Slave Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

A Santal Dictionary P. O. Bodding. 1998-03 Santali, or the language of the Santhals, is spoken by the sons of the soil in a large territory spread over Bihar, West Bengal, Orissa and North-Eastern India. Apart from Santhals several other tribes also use Santali as their dialect. Though several dictionaries on the Santali language have been compiled by earlier Christian missionaries to spread the message of Bible in the local idiom, Bodding's remains the most exhaustive, most elaborate and most acceptable of all the lexicons. The entries carry not only the meaning and usage but also ethnological description. The reason is to help all readers who use the dictionary for clearer understanding of what each word stands for or refers to. With parentheses at the end of each article some etymological matter has been added. Foreign words which have been assimilated into Santali are included. In all, the dictionary is the only complete and authoritative reference work for those who want to use Santali either as mother tongue or neighbouring or foreign language.

men and women who have dazzled generations of audiences. In this series of sketches, Ashok Kumar, the screen idol of yore, emerges as a shy, yet brilliant actor, forever looking to flee the eager advances of his female fans; Nargis comes across as just another young girl looking for companionship among her peers before she steps on the ladder that will forever take her away from the comforts of an ordinary middle-class life; and Shyam-the dashing, handsome hero-is portrayed as a straightforward, flirtatious young man pining for the woman he loves. Manto also describes in detail the obsessions of Sitara Devi; the unfulfilled desires of Paro Devi; and the intriguing twists and turns which transform Neena Devi from an ordinary housewife into a pawn in the hands of film companies. He writes with relish about the bunglings of the comedian V.H. Desai and the incredible dedication of Nawab Kaashmiri to the art of acting. There are also stories about the rise of Nur Jehan as the greatest singer of her times; and the various peccadilloes of the musician, Rafiq Ghaznavi. With subjects ranging from film journalism to the sexual eccentricities of these stars, Manto brings to life a generation with his characteristic verve and honesty.

quarter of the twentieth century, there were expectations that Islam's political and cultural influence would dissipate as the advance of westernization brought modernisation and secularisation in its wake. Not only has Islam failed to follow the trajectory pursued by variants of Christianity, namely confinement to the private sphere and depoliticisation, but it has also forcefully re-asserted itself as mobilisations in its name challenge the global order in a series of geopolitical, cultural and philosophical struggles. The continuing (if not growing) relevance of Islam suggests that global history cannot simply be presented as a scaled up version of that of the West. Quests for Muslim autonomy present themselves in several forms — local and global, extremist and moderate, conservative and revisionist — in the light of which the recycling of conventional narratives about Islam becomes increasingly problematic. Not only are these accounts inadequate for understanding Muslim experiences, but by relying on them many Western governments pursue policies that are counter-productive and ultimately hazardous for Muslims and non-Muslims alike. Recalling the Caliphate engages critically with the interaction between Islam and the political in context of a post colonial world that continues to resist profound decolonisation. In the first part of this book, Sayyid focuses on how demands for Muslim autonomy are debated in terms such as democracy, cultural relativism, secularism, and liberalism. Each chapter analyses the displacements and evasions by which the decolonisation of the Muslim world continues to be deflected and deferred, while the latter part of the book builds on this critique and attempts to accelerate the decolonisation of the Muslim Ummah.
