**Dreaming in Cuban** Cristina García.2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

**Healers in the Night** Eric de Rosny.2004-05-10 Mysterious the sway of the masters of the night! Of what unsubjected region of myself had they taken possession? Did they occupy the realm where dreams are born and bred? Had they seized the spot where the most contrary desires mingle -

the one to kill and the one to love, the one to make suffer and the one to adore, the phantasms born of water and fire, blood and death, in a perpetual maelstrom like the one I had seen with my own eyes in the course of the night seances at the hands of the 'ngangas'? There must be a hidden relationship, I thought, a secret pact, between the 'ngangas' and myself. Nothing else could have explained the fascination I felt when I was among them. Since childhood I had always wanted to reach other cultural worlds - to get as far away as I could from my own roots. And now that I had done so, I had the feeling of having arrived in a familiar land. From the book

**Christianity's Dangerous Idea** Jonas E. Alexis.2010 Today many in Hollywood and the media have declared open warfare on the family, education, and Christianity in general. Intellectuals have labeled religion, particularly Christianity, as mere wish fulfillment or a virus of the mind, something to be eradicated at all costs. In *Christianity's Dangerous Idea*, Jonas Alexis picks up where he left off in his previous books and continues to examine the ideological fallacies that have been fabricated in order to attack Christianity and the people who promote those fallacies. This latest book is a tour de force of rigorous logic and testable evidence for the Christian worldview from history, science, experience, common sense, and final destiny. More importantly, Alexis subjects the rivals of Christianity to the same rigorous testing. *Christianity's Dangerous Idea* clearly demonstrates the destructive nature of popular atheistic and anti-Christian philosophies, spread throughout Western culture by such famous people as Friedrich Nietzsche, Sigmund Freud, Carl Jung, David Cronenberg, Steven Spielberg, Alan Moore, William S. Burroughs, Philip K. Dick, Bruce Lee, Ayn Rand, Bart D. Ehrman, Richard Dawkins, and many more. In a scholarly yet readable fashion, Alexis shows that what the ancient Greeks often referred to as the cult of Dionysus has become mainstream in our modern age.

*My Nonidentical Twin* Evie Meg - This Trippy Hippie.2021-10-28 \*Order now to read the long-awaited debut book from the huge TikTok sensation Evie Meg | This Trippy Hippie!\* Hey guys, you might know me already from one of my social media channels where I talk about the highs and lows of living with Tourette's Syndrome. I've loved sharing those times with you and - as there are lots of things I can't fit into a 60 second video - I've decided to write a book! It's the full story of how I came to be diagnosed and how having Tourette's has changed my life. Writing it has given me an

opportunity to talk about things I haven't felt ready to share before - for some reason it's easier to put down private things in written words than in a video! I talk about the many other illnesses I've been through and the dreams that it's affected - about my school days, relationships and my very lowest points - but I also talk about what I've managed to achieve in spite of all the obstacles. I hope it'll make you laugh and make you think, and empower you to realise that no matter what you're facing in life, there are always ways to deal with the challenges. It's also so important to me that people understand what life is like with a disability, so we can be compassionate towards each other. I've bared my soul in this book to hopefully help others to do this. I'm so excited (and just a little bit nervous) for you to read it! Evie Meg xxx

**A Ray of Light** Ray Howard.2022-11-03 The script is a story of overcoming obstacles of gigantic proportions to create a person of courage and convictions. I grew because of three distinct personal impediments to a normal child growing up. I was born an identical mirror twin. I became bipolar and gay as my life unfolded. In spite of these handicaps, I was able to be teacher for forty years and a psychotherapist for twenty-five years. It is a story of overcoming obstacles and becoming a productive member of society. The tragedy of my script was a theme of unrequited love I have never found a person who could accept me as I am. I am still looking and hope to finish my script with a positive outcome. Thank you for getting to know me and greatness I want to be my legacy before I die.

*We Are Family* Susan Golombok.2020-10-06 From one of the world's leading experts, this absorbing narrative history of the changing structure of

modern families shows how children can flourish in any kind of loving home. The past few decades have seen extraordinary change in the idea of a family. The unit once understood to include two straight parents and their biological children has expanded vastly—same-sex marriage, adoption, IVF, sperm donation, and other forces have enabled new forms to take shape. This has resulted in enormous upheaval and controversy, but as Susan Golombok shows in this compelling and important book, it has also meant the health and happiness of parents and children alike. Golombok's stories, drawn from decades of research, are compelling and dramatic: family secrets kept for years and then inadvertently revealed; children reunited with their biological parents or half siblings they never knew existed; and painful legal battles to determine who is worthy of parenting their own children. Golombok explores the novel moral questions that changing families create, and ultimately makes a powerful argument that the bond between family members, rather than any biological or cultural factor, is what ensures a safe and happy future. *We Are Family* is unique, authoritative, and deeply humane. It makes an important case for all families—old, new, and yet unimagined.

**Twin Connections** Barbara Andrews.2019-10-20 One of the magical mysteries associated with twins is that they share a special connection beyond that of ordinary siblings. While the twin bond is a unique relationship, sometimes it's endowed with extraordinary, seemingly telepathic, qualities. The special bond between twins, Barbara and Rockney demonstrates the enduring nature of the twin bond even though Rockney isn't able to verbally communicate. This book is a must read for twins as well as those who know twins so that we can all better understand the unique Twin Connection.I have read so many articles on identical twins having a close bond and experiencing ESP. Never have I read about fraternal twins experiencing these unexplainable occurrences also. I had a twin brother who lived with Downs Syndrome and was very severely handicapped both physically and mentally. Throughout our life we experienced this unbelievable phenomenon so often.Sometimes over the years I would wonder if these powers were given to him because of his condition. All I knew for sure was that he was very special and the close bond we always had will stay with me forever. Rockney passed away in 2005 at the age of sixty-one. I was devastated of course and within this book I go into detail of unexplainable incidences which have also occurred since.I believe the human being has powers we don't understand and probably never will.This is a story of a deep love.

To let go...to forget...to forgive... Which road will you take? For eighteen years, Jude Farraday has put her children's needs above her own, and it shows—her twins, Mia and Zach, are bright and happy teenagers. When Lexi Bail moves into their small, close-knit community, no one is more welcoming than Jude. Lexi, a former foster child with a dark past, quickly becomes Mia's best friend. Then Zach falls in love with Lexi and the three become inseparable. Jude does everything to keep her kids out of harm's way. But senior year of high school tests them all. It's a dangerous, explosive season of drinking, driving, parties, and kids who want to let loose. And then on a hot summer's night, one bad decision is made. In the blink of an eye, the Farraday family will be torn apart and Lexi will lose everything. In the years that follow, each must face the consequences of that single night and find a way to forget...or the courage to forgive. Vivid, universal, and emotionally complex, Night Road raises profound questions about motherhood, identity, love, and forgiveness. It is a luminous, heartbreaking novel that captures both the exquisite pain of loss and the stunning power of hope. This is Kristin Hannah at her very best, telling an unforgettable story about the longing for family, the resilience of the human heart, and the courage it takes to forgive the people we love. You cannot read Night Road and not be affected by the story and the characters. The total impact of the book will stay with you for days to come after it is finished. —The Huffington Post

Arrival Stories Amy Schumer,Christy Turlington Burns.2022-04-05 A wide range of women—actors, athletes, academics, CEOs, writers, small-business owners, birth workers, physicians, and activists—share their experiences of becoming mothers in this multifaceted, moving, and revealing collection. Throughout her difficult pregnancy and following her frightening labor experience, Amy Schumer found camaraderie and empowerment in hearing birth stories from other women, including those of her friend Christy Turlington Burns. Turlington Burns’s work in maternal health began after she experienced a childbirth-related complication in 2003—an experience that would later inspire her to direct and produce the documentary feature film *No Woman, No Cry*, about the challenges women face throughout pregnancy and childbirth around the world. It is through Schumer and Turlington Burns’s conversations that the idea for *Arrival Stories* was born. By sharing their experiences, the contributors to *Arrival Stories* offer an informative and deeply affecting account of what it feels like when a woman first realizes she is a mother. This beautiful collection features essays by: Serena Williams • Alysia Montaña • Abby G. Lopez • Amber Tamblyn • Shilpa Shah • Christy Turlington Burns • Emily Oster • Emma Hansen • Leslie Feist • Amanda Williams • Angel Geden • Adrienne Bosh • Latham Thomas • Rachel Feinstein • Ashley Graham • Jill Scott • Jennie Jeddry and Kim DeLise • La La Anthony • Shea Williams • Sienna Miller • Katrina Yoder • Amy Schumer Intimate and urgent, *Arrival Stories* offers a panoramic view of motherhood and highlights the grave injustices that women of color face in maternal healthcare. It is the perfect book for any expectant or new mother, or for anyone who knows and loves one.

*Out of the Ashes of the Ruin* Lisa Keel Franks.2015-11-20 I want to share my personal testimony to leave a legacy for the future generation to see how the LORD God desires relationship with us as His creation. Since the fall of man, we are all born into a sinful nature. It is up to each one of us on this journey of life to recognize the need for a Savior at the time it pleases God to reveal himself to you. Once your spiritual eyes are open, and you have allegiance with God through Christ Jesus, there will be trials and tribulations here on earth. I share to entice readers to consider their position with God and to encourage fellow Christians to overcome and live in victory. All the answers to life's concerns and the need for guidance are written in the Word of God, the Holy Inspired Bible. Our sacrifice is to praise Him, as singer Kristian Stanfill voiced in the lyrics: Oh, Praise the one who paid my debt and raised this life up from the dead. Yes, He did. I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Romans 12:1 ESV Tyler Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect. Romans 12:2 ESV Shane Rejoice in hope, be patient in tribulation, be constant in prayer. Romans 12:12 ESV Jessica
