Bad Things R. K. Lilley.2013-06-10 Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

It grows and develops-with hurt, sacrifice, and heartache-over the span of a lifetime. Eva Fox is the princess of the Silver Demons Motorcycle Club. Growing up with bikers in the club lifestyle is all that she knows. When she's a young girl, Eva meets the reason for her existence. Deuce West is the sexy, biker bad-ass of the Hell's Horsemen Motorcycle Club. Like Eva, he was born and raised in the club-but that's where the similarities end. Their first meeting is innocent, but as Eva matures into a woman, their chance reunions evolve into a fit of lust and love.

Fate continues to bring them together time and time again, but their twisted journey is filled with pain, betrayal, and bloodshed that could tear them apart. Lovely Trigger R K Lilley.2014-03-12 BOOK THREE: TRISTAN & DANIKA THE IMPACT Tristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken she had to walk away.

THE AFTERMATH Picking up the pieces of your life after a tragedy is a daunting prospect, and that's considering you still own all of the pieces. But what if you don't? What if someone else owns those pieces, and those pieces are a part of your soul? You dig deep and work with what you've got. That's what Danika told herself and believed, every single day, for years. Tristan and Danika's love had failed every test that life had thrown at them. She couldn't forget that, not for one second. And if those tests had been overly harsh, well, she wasn't one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well.

THE REUNION Over six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristan's company, as they attend the wedding of two of their dearest friends. It's been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: There'd been a reason she'd gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point.

THE HARSH REALITY After everything that's happened, the rise and the fall, the pain and the aftermath, can these two navigate the waters of acute regret, survive the trials of coming face to face with all that they have lost, and find the

strength to try again?
