The East Wind and Other Short Stories Z̤amīruddīn

Aḥmad.2002 The stories collected in this volume represent a distinctive contribution to the modern Urdu short story. Focused primarily on the lives of Urdu-speaking Muslim families in Pakistan and pre-Partition India, the stories explore the nature of compromise and moral death, and the emotional and sexual lives of women with a remarkable command of cultural detail and understatement. But the narrow canvas of the stories and their quietness should not obscure the sense of outrage that lies at the heart of these stories-an outrage at the continued destruction of the unique multicultural heritage of the subcontinent, and of the linguistic heritage of Urdu at the hands of sectarian violence and religious chauvinism. Shiva Wolf-Dieter Storl.2004-09-14 An extensive look at all the aspects of multi-natured Shiva • Explores the shamanic roots of world spirituality as exemplified by this Hindu god who shares many of the attributes of the Norse Odin and the Celtic Cernunnos • Looks at Shiva's relation to contemporary culture,

Tantra, and the dualistic religions of the West To his devotees Shiva is the entire universe and the core of all beings. Hindu myth shows him appearing at the beginning of creation as a giant pillar of fire from which this world sprang forth. Yet he is also the most approachable of gods, for he is the lover of lovers and the devotee of his devotees. Of the 1,008 names of Shiva, Pashupati, Lord of Animals, is one of the most common. His special relation to animals along with his trickster nature reveal the deep connection of Shiva to shamanism and other gods such as the Norse Odin and the Celtic Cernunnos that came out of the Paleolithic traditions. Ethnologist Wolf-Dieter Storl was first captivated by Shiva when he was in India as a visiting scholar at Benares Hindu University. In this book he invites readers to join in the lively and mythical world of Shiva, or Mahadev, God of All Gods. Shiva is a study in contrasts: As the lord of dance he loses himself in ecstatic abandon; with his consort Parvati he can make love for 10,000 years. Both men and women worship him for his ability to unite and balance masculine and feminine energies. But as the ascetic Shankar he sits in deep meditation, shunning women, and none dare disturb him lest he open his third eye and immolate the entire universe. Lord of intoxicants and poisons, he is the keeper of secret occult knowledge and powers, for which he is worshipped by yogis and demons alike. Shiva dances both the joy of being and the dance of doom--but in every aspect he breaks through the false ego to reveal the true self lying within. This is his true power.

women tell it like it is... So riveting is the narration that it is difficult to put down the book until their stories are finished. For a non-fiction academic work this is no small feat.' — The Hindu Sharmila Rege's path breaking study of Dalit women's writings and lives offers a powerful counter-narrative to the mainstream assumptions about the development of feminism in India in the 20th century. Extensive extracts from eight Dalit women's writings cover issues such as food and hunger, community, caste, labour, education, violence, resistance and collective struggle. The voices that resound throughout the book, reveal that Dalit feminism, far from being 'silent' as so often presumed, is rich, powerful, layered - and highly articulate. Published by Zubaan. Cut & Stitch Ren Aldridge.2020-06-01 Cut & Stitch collects together some of the in-betweens and afterthoughts of Petrol Girls' latest record of the same name, from the perspective of lead vocalist and lyricist, Ren Aldridge. In a similar process to speaking between songs on stage, Aldridge develops and contextualises the ideas and lyrics on the record, writing in and out of them, and making links between them. Through a series of mini-essays, she explores cutting and stitching as a way of thinking about topics such as community, the environment, building solidarity, resisting perfectionism, emotional labour, gender and craft.

them.'-New York Times Book ReviewA dramatic portrait of the spirit of sacrifice that carried India through the years of the struggle for independence, this evocative memoir of an unusual childhood ends with the assassination of Mahatma Gandhi in 1948.Nayantara Sahgal describes what it was like growing up in Anand Bhavan, Allahabad, the home of her parents shared with her maternal uncle, Jawarlal Nehru, during the years when Gandhi was leading the movement for independence. It describes in loving detail the lives of a family for whom the country's fight for freedom was more important than anything else, certainly coming before comfort and riches.The book is particularly delightful for its picture of Nehru who springs from these pages as a man of friendly humanity and a joy in life that made him a beloved uncle, yet with an inborn greatness that inspired awe and admiration in the little girl who played with him.'She is brilliant...complex and questioning.' - Pearl S. Shadows in the Sun Gayathri Ramprasad.2014-10-13 As a young girl in Bangalore, Gayathri was surrounded by the fragrance of jasmine and flickering oil lamps, her family protected by gods and goddesses. But as she grew older, demons came forth from dark corners of her idyllic kingdom—with the scariest creatures lurking within her tortured mind. *Shadows in the Sun* traces Gayathri's courageous battle with debilitating depression that consumed her from adolescence through marriage and a move to the United States. Her inspiring memoir provides a first-of-its-kind cross-cultural view of mental illness—how it is regarded in India and in America, and how she drew on both her rich Hindu heritage and Western medicine to find healing.

Early Buddhist Artisans and their Architectural Vocabulary S Settar.2020-03-01 The early Buddhist architectural vocabulary, being the first of its kind, maintained its monopoly for about half a millennium, beginning from the third century BCE. foundation, though not identically. An attempt is made here to understand this vocabulary and the artisans who first made use of it.

Their Language of Love Bapsi Sidhwa.2013-02-15 In this brand-new collection of stories, Bapsi Sidhwa returns to chronicling the lives and loves of those on both sides of the Indo-Pak border. A wife worries for her family's survival during the 1965 Indo-Pak war. A mother is horrified when she learns that her daughter wants to marry her American boyfriend. An American housewife living in Lahore has a tempestuous affair with a Pakistani minister. An aged matriarch travels to the USA to discover she must confront a traumatic memory from her past. Finely nuanced, and laced with Sidhwa's sharply comic observations, this is a stellar collection of tales from one of the subcontinent's most important and beloved writers.

Lal Kitab Rādhākṛṣṇa Śrīmālī.2021-04-10 Who is not in distress in the present era' Some are anguished mentally some physically some by children some by spouse. There is no harmony in the family as before. Everybody wants to cook one's meal separately. The tradition of the joint family has already been shattered. One who is in trouble primarily wants freedom from it be it only a minor wound. His first priority remains to get relief from the pain whatsoever it may cost. The author of Lal Kitab had understood this principle much earlier and created trials or remedies imbibing good conduct righteousness and fundamental code of social and universal conduct along with the interweave of astrology so that the person might secure relief from the pain as well as remain connected with the societal customs. Most of the people in India are very well acquainted with the name of 'Lal Kitab' Originally this book was written by Shri. Girdhari Lal Sharma in Urdu language. Subsequently it was translated into Hindi language. Some adulteration is quite natural in the

translated version of the original text. Primarily our rishi-maharshis godmen astrologers fortune-tellers like Narad Parashar Kalidas Varahmihir Jaimini Bhrigu etc. and the contemporary saints had prescribed yajna hawan worship chanting God's name rituals and donations to mitigate the bad effect of planets. Later on acknowledging the paucity of money and time Shri Girdhari Lal Sharma the author of the original Lal Kitab proposed remedies that were simple and required least expense of money. These easy remedies became very popular in India. Keeping in mind a code of conduct dharma practical aspects good conduct and the basic principles of life and the need for proper discipline in society the author had suggested the remedies which were accepted by the common men by heart. For example respect of elders service to parents offering grass to cow offering bread to dog feeding monkeys with gram and jaggery etc. are such remedies that can easily be done by everybody. The principality of twelve signs and nine planets of Indian astrology has also been accepted by Lal Kitab. The mere difference is that whereas in the prevalent astrology the ascendant is determined by the time of birth Lal Kitab always keeps it between Aries and Pisces.
