We'll Soon Be Home Again Jessica Bab Bonde.2020-05-12 The testimonies of six survivors of the Holocaust are presented in comics form, aimed at teenage readers. Some of them were children then, and are still alive to tell what happened to them and their families. How they survived. What they lost--and how you keep on living, despite it all. Jessica Bab Bonde has, based on survivor's stories, written an important book. Peter Bergting's art makes the book accessible, despite its difficult subject. Using first-person point of view allows the stories to get under your skin as survivors describe their persecutions in the Ghetto, the de-humanization and the starvation in the concentration camps, and the industrial-scale mass murder taking place in the extermination camps. When right-wing extremism and antisemitism are being evoked once again, it's the alarm-bell needed to remind us never to forget the horrors of the Holocaust.

Good Enough Parent Bruno Bettelheim.1988-03-12 In this book, the preeminent child psychologist of our time gives us the results of his lifelong effort to determine what is most crucial in successful child-rearing. His purpose is not to give parents preset rules for raising their children, but rather to show them how to develop their own insights so that they will understand their own and their children's behavior in different situations and how to cope with it. Above all, he warns, parents must not indulge their impulse to try to create the child they would like to have, but should instead help each child fully develop into the person he or she would like to be.

Otto Tomi Ungerer.2010-10-20 This is an autobiographical tale of a teddy bear named Otto. Otto is a German-born teddy bear. His first memories are of being stitched together and being given to David, a Jewish boy living in Germany before WWII. David and his best-friend Oskar always play with Otto, using him for pranks, games and even teaching him to type on a typewriter. Life is a lot of fun for the Otto. However, one day, David starts to wear a yellow star on his jacket. He and his parents are soon carted away by men in leather coats and uniforms. David decides to give his dear teddy bear to Oskar. Many lonely days pass for Oskar and Otto. But even gloomier days soon arrive when Oskar's father is drafted into the army and the bombings start. One day, a sudden explosion sends Otto flying through the air and into the middle a raging battle-field. The teddy bear is spotted by a soldier, but the moment the soldier picks Otto up, they are both shot through the chest. Otto and the soldier, an American G.I., are taken away to a hospital. In hospital, the soldier keeps Otto by his side. When he recovers, he pins a medal on Otto's chest, saying that Otto saved his life, taking the brunt

of the bullet. The story makes papers and Otto becomes a mascot of the soldier's regiment. The teddy bear is then taken to America and is given to a sweet girl called Jasmin, the soldier's daughter. But Otto's new home and happiness is once again brutally ended when he is snatched away by mean and violent street urchins, who hit and trample on him and throw him into a bin. Otto is then picked up by an antiques dealer and taken to his shop. Years and years go by, until one rainy evening, when a bulky man stops and carefully examines the shop window. The man recognizes the bear instantly buys him. It is Oskar, Otto's old friend. The story of Oskar, a German tourist and survivor of the war finding his teddy bear in America soon makes the papers. And the day after Otto's picture appears in the paper, Oskar's telephone rings: it is his old friend David. And so, the three friends finally reunite, sharing the sorrows and pains of war and living a peaceful and happy life together. Otto now keeps himself busy, typing the story of his life on David's typewriter. Children will become attached to this loving, innocent protagonist, and will naturally be interested in his life story. Tomi Ungerer deals with one of the darkest chapters of history and pulls off the challenge admirably. This tale will prompt reflection and important questions without causing undue fear.

The Journals Of A White Sea Wolf Mariusz Wilk. 2011-06-30 In 1991 Mariusz Wilk, a Polish journalist long fascinated by the mysteries of the Russian soul, decided to take up residence in the Solovki islands, a lonely archipelago lost amid the far northern reaches of Russia's White Sea. For Wilk these islands represented the quintessence of Russia: a place of exile and a microcosm of the crumbling Soviet empire. On the one hand, they were a cradle of the Orthodox faith and home to an important monastery; on the other, it was here that the first experimental gulag was built after the 1917 revolution. Over the course of years Wilk came to know every single one of the islands' 1000 or so residents. From his remote home, from which he sent regular despatches to the Paris-based Polish newspaper *Kultura*, he attempted to observe and come to terms with the complexities and contradictions of Russian history, its glorious past and the cruelty of Soviet Communism. In the process, he has written a most unusual travel book, a beautifully descriptive work that belongs in the best tradition of writers such as Norman Lewis, Patrick Leigh Fermor and Claudio Magris.

Hana's Suitcase Karen Levine.2002-08-07 New edition with foreword by Nobel Peace Prize winner Desmond Tutu: "How extraordinary that this humble suitcase has enabled children all over the world to learn through Hana's story the terrible history of what happened and that it continues to urge them to heed the warnings of history." In the spring of 2000, Fumiko Ishioka, the curator of a small Holocaust education centre for children in Tokyo, received a very special shipment for an exhibit she was planning. She had asked the curators at the Auschwitz museum if she could borrow some artifacts connected to the experience of children at the camp. Among the items she received was an empty suitcase. From the moment she saw it, Fumiko was captivated by the writing on the outside that identified its owner - Hana Brady, May 16, 1931, Waisenkind (the German word for orphan). Children visiting the centre were full of questions. Who was Hana Brady? Where did she come from? What was she like? How did Hana become an orphan? What happened to her? Fueled by the children's curiosity and her own need to know, Fumiko began a year of detective work, scouring the world for clues to the story of Hana Brady. Writer Karen Levine follows Fumiko in her search through history, from present-day Japan, Europe and North America back to 1938 Czechoslovakia and the young Hana Brady, a fun-loving child with a passion for ice skating. Together with Fumiko, we learn of Hana's loving parents and older brother, George, and discover how the family's happy life in a small town was turned upside down by the invasion of the Nazis. Based on an award-winning CBC documentary, *Hana's Suitcase* takes the reader on an incredible journey full of mystery and memories, which come to life through the perspectives of Fumiko, Hana and later Hana's brother, who now lives in Canada. Photographs and original wartime documents enhance this extraordinary story that bridges cultures, generations and time. Ideal for young readers aged 9 and up. *Hana's Suitcase* is part of the award-winning Holocaust Remembrance Series for Young Readers.
