Landed Milly Lee.2006-02-21 Sun is ready to leave his village in China for America, the place known as Gum Saan, Gold Mountain. His father warns him, though, that passage will not be easy. Because of the 1882 Chinese Exclusion Act, new immigrants like Sun are detained at Angel Island until they are called to take a difficult oral exam before they can land - leave Angel Island and go ashore. On the boat, Sun had studied maps of his village and memorized facts about his ancestors. But as the weeks pass in detainment, the map's compass points swirl in his memory, and Sun worries that he will lose his direction and be turned away. The oil paintings are rich with historical details in this vivid recounting, based on the author's father-in-law's experiences, of a disturbing chapter in Chinese American history.

Angel Island Erika Lee,Judy Yung.2010-08-30 From 1910 to 1940, over half a million people sailed through the Golden Gate, hoping to start a new life in America. But they did not all disembark in San Francisco; instead, most were ferried across the bay to the Angel Island Immigration Station. For many, this was the real gateway to the United States. For others, it was a prison and their final destination, before being sent home. In this landmark book, historians Erika Lee and Judy Yung

(both descendants of immigrants detained on the island) provide the first comprehensive history of the Angel Island Immigration Station. Drawing on extensive new research, including immigration records, oral histories, and inscriptions on the barrack walls, the authors produce a sweeping yet intensely personal history of Chinese paper sons, Japanese picture brides, Korean students, South Asian political activists, Russian and Jewish refugees, Mexican families, Filipino repatriates, and many others from around the world. Their experiences on Angel Island reveal how America's discriminatory immigration policies changed the lives of immigrants and transformed the nation. A place of heartrending history and breathtaking beauty, the Angel Island Immigration Station is a National Historic Landmark, and like Ellis Island, it is recognized as one of the most important sites where America's immigration history was made. This fascinating history is ultimately about America itself and its complicated relationship to immigration, a story that continues today.

On Gold Mountain Lisa See.1999 When she was a girl, Lisa See spent summers in the cool, dark recesses of her family's antiques store in Los Angeles' Chinatown. There, her grandmother and great-aunt told her intriguing, colourful stories about their family's past - stories of missionaries, concubines, tong wars, glamorous nightclubs, and the determined struggle to triumph over racist laws and discrimination. They spoke of how Lisa's great-great-grandfather emigrated from his Chinese village to the United States, and how his son followed him. As an adult, See spent five

years collecting the details of her family's remarkable history. She interviewed nearly one hundred relatives and pored over documents at the National Archives, the immigration office, and in countless attics, basements, and closets for the intimate nuances of her ancestors' lives. The result is a vivid, sweeping family portrait that is at once particular and universal, telling the story not only of one family, but of the Chinese people in America - and of America itself, a country that both welcomes and reviles its immigrants like no other culture in the world.

Back in Philadelphia, the Harmon Foundation commissioned her to paint portraits of accomplished African-Americans. Paper Son: The Inspiring Story of Tyrus Wong, Immigrant and Artist Julie Leung.2019-09-24 Winner of the American Library Association's 2021 Asian/Pacific American Award for Best Picture Book! An inspiring picture-book biography of animator Tyrus Wong, the Chinese American immigrant responsible for bringing Disney's Bambi to life. Before he became an artist named Tyrus Wong, he was a boy named Wong Geng Yeo. He traveled across a vast ocean from China to America with only a suitcase and a few papers. Not papers for drawing--which he loved to do--but immigration papers to start a new life. Once in America, Tyrus seized every opportunity to make art, eventually enrolling at an art institute in Los Angeles. Working as a janitor at night, his mop twirled like a paintbrush in his hands. Eventually, he was given the opportunity of a lifetime--and using sparse brushstrokes and soft watercolors, Tyrus created the iconic backgrounds of Bambi. Julie Leung and Chris Sasaki perfectly capture the beautiful life and work of a painter who came to this country with dreams and talent--and who changed the world of animation forever.

A Walk in the Words Hudson Talbott. 2021-09-14 Winner of a Schneider Family Honor! “A beautifully rendered and deeply inspiring book for everyone who has ever read slowly—myself included!

Hudson shows us the beauty and magic that can come from taking our time. Brilliant.”—Jacqueline Woodson Hudson Talbott's inspiring story vividly reveals the challenges--and ultimately the rewards--of being a non-mainstream kind of learner. When Hudson Talbott was a little boy, he loved drawing, and it came naturally to him. But reading? No way! One at a time, words weren't a problem, but long sentences were a struggle. As his friends moved on to thicker books, he kept his slow reading a secret. But that got harder every year. He felt alone, lost, and afraid in a world of too many words. Fortunately, his love of stories wouldn't let him give up. He started giving himself permission to read at his own pace, using the words he knew as stepping-stones to help draw him into a story. And he found he wasn't so alone--in fact, lots of brilliant people were slow readers, too. Learning to accept the fact that everyone does things in their own unique way, and that was okay, freed him up and ultimately helped Hudson thrive and become the fabulous storyteller he is today.
