**Let The Cash Flow: A practical guide to getting paid on time by your customers** Simon J. Littlewood,Mark Laudi.2021-04-15 Any business that allows their customers credit terms will invariably run into late or non-payments. This affects cash flow and business viability. However, as the authors show, customers that are solvent will pay some suppliers every month, even if they don't pay everyone. So how do you ensure you are first in line to get paid? This book examines the strategies that work - and those that don't. The authors introduce a simple but highly effective model, the Virtuous Revenue Cycle, that shows readers how to cultivate business relationships that keep the cash flowing. The strategies are highly practical, down to advice on just how to phrase those tricky emails reminding customers to pay up!

**Smart Calling** Art Sobczak.2010-03-04 Praise for SMART CALLING Finally, a sales book that makes sense! As a master sales trainer, Art nailed—no, obliterated—the number one fear of selling in this great book: cold calling! Let him teach you to stop cold calling and start Smart Calling!—LARRY WINGET, television personality and New York Times bestselling author Smart Calling is the benchmark as the highest professional standard for effective cold calling. Take the initiative to read and implement Art's rational principles and you will sell much more and develop a prospect base of potential customers who will call you when they are ready to purchase or graciously take your future calls. This is THE BEST sales text I have read in the past twenty years.—REX CASWELL, PhD, VP, LexisNexis Telephone Sales You get only one chance to make the right impression in sales. If a top prospect gets a hundred calls a week, you want to be the one he remembers and buys from. Art's proven methods create a unique brand for you and position your offering as the best option. Art's advice isn't just smart, it's priceless.—BOB SILVY, VP, Corporate Marketing, American City Business

Journals Smart Calling effectively enables inside sales reps and organizations to accomplish a top priority—acquiring new customers. Art's pragmatic and actionable techniques will increase productivity, success, and professional satisfaction.—BILL McALISTER, SVP, Inside Sales, McAfee A must-read, must-own book for anyone who wants to increase their sales right away with less effort and more fun. I'm so sure this book is a winner for anyone who needs to call prospects that I'll personally assure you that your results will increase noticeably after reading it, or I'll send you your money back.—MIKE FAITH, CEO & President, Headsets.com, Inc. If you need to make a first call to anyone, for whatever reason, this book is for you. More than common sense, it's a real-world, no-fluff, simple approach that anyone can use to be successful.—DARCI MAENPA, President, West Coast Chapter, American Teleservices Association; Director, Member Support, Toastmasters International

*SPIN® -Selling* Neil Rackham.2020-04-28 True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.
