BookGoodies has lots of fiction and non-fiction Kindle books in a variety of genres, like Paranormal, Women's Fiction, Humor, and Travel, that are completely free to download from Amazon. World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look. International Digital Children's Library: Browse through a wide selection of high quality free books for children here. Check out Simple Search to get a big picture of how this library is organized: by age, reading level, length of book, genres, and more. Kindle Buffet from Weberbooks.com is updated each day with the best of the best free Kindle books available from Amazon. Each day's list of new free Kindle books includes a top recommendation with an author profile and then is followed by more free books that include the genre, title, author, and synopsis. Don't forget about Amazon Prime! It now comes with a feature called Prime Reading, which grants access to thousands of free ebooks in addition to all the other amazing benefits of Amazon Prime. And if you don't want to bother with that, why not try some free audiobooks that don't require downloading? Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and

organizing your ebooks easy. Free-eBooks download is the internet's #1 source for free eBook downloads, eBook resources & eBook authors. Read & download eBooks for Free: anytime! The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.
