If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Most free books on Google Play are new titles that the author has self-published via the platform, and some classics are conspicuous by their absence; there's no free edition of Shakespeare's complete works, for example. If you are a student who needs books related to their subjects or a traveller who loves to read on the go, BookBoon is just what you want. It provides you access to free eBooks in PDF format. From business books to educational textbooks, the site features over 1000 free eBooks for you to download. There is no registration required for the downloads and the site is extremely easy to use. You can browse the library by category (of which there are hundreds), by most popular (which means total download count), by latest (which means date of upload), or by random (which is a great way to find new material to read). You can search for free Kindle books at Free-eBooks.net by browsing through fiction and non-fiction categories or by viewing a list of the best books they offer. You'll need to be a member of Free-eBooks.net to download the books, but membership is free. If you are not a bittorrent person, you can hunt for your favorite reads at the SnipFiles that features free and legal eBooks and softwares presented or acquired by resale, master rights or PLR on their web page. You also have access to numerous screensavers for free. The categories are simple and the layout is straightforward, so it is a much easier platform to navigate. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be

related works with the same title.
