Jakes turns his attention to the topic of relationships, guiding you on the right track to making decisions you will benefit from for the rest of your life. Jakes, “your tomorrow is no better than the decisions you make today.” “My promise is that if you read this book, you will be equipped, you will know all you need to know about making foolproof relational decisions,” writes T.D. Jakes. Choosing the right partner, at home or at work, is one of the most consequential decisions we’ll ever make. How can we be sure that we’re choosing wisely? How do we know if we’re doing the right thing when we change careers? By breaking our decisions down into their five crucial components: -Research: gathering information -Roadwork: removing obstacles -Rewards: listing choices and visualizing consequences -Revelation: narrowing your options and making your selection -Rearview: looking back and adjusting as necessary to stay on course Clear-sighted, realistic, and spiritually uplifting, *Making Great Decisions* is one of those rare books that can change lives.

**T.D. Jakes** Shayne Lee.2007-11 Examines the rise of one of the most prolific spiritual leader of modern times T.D. Jakes has emerged as one of the most prolific spiritual leaders of our time. He is pastor of one of the largest churches in the country, CEO of a multimillion dollar empire, the host of a television program, author of a dozen bestsellers, and the producer of two Grammy Award-nominated CDs and three critically acclaimed plays. In 2001 *Time* magazine featured Jakes on the cover and asked: Is Jakes the next Billy Graham? T.D. Jakes draws on extensive research, including interviews with numerous friends and colleagues of Jakes, to examine both Jakes’s rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption. Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly, looking at the ramifications of his rise—and the rise of similar preachers—for the way in which religion is practiced in this country, how social issues are confronted or ignored, and what is distinctly “American” about Jakes’s emergence. While offering elements of biography, the work also seeks to shed light on important aspects of the contemporary American and African American religious experience. Lee contends that Jakes’s widespread success symbolizes a religious realignment in which mainline churches nationwide are in decline, while innovative churches are experiencing phenomenal growth. He emphasizes the “American-ness” of Jakes’s story and reveals how preachers like Jakes are drawing followers by delivering therapeutic and transformative messages and providing spiritual commodities that are more in tune with postmodern sensibilities. As the first work to critically examine Bishop Jakes’s life and message, *T.D. Jakes* is an important contribution to contemporary American religion as well as popular culture.
