*Redemption Song* Chris Salewicz.2008-05-13 With exclusive access to Strummer's friends, relatives, and fellow musicians, music journalist Chris Salewicz penetrates the soul of an rock 'n roll icon. The Clash was--and still is--one of the most important groups of the late 1970s and early 1980s. Indebted to rockabilly, reggae, Memphis soul, cowboy justice, and '60s protest, the overtly political band railed against war, racism, and a dead-end economy, and in the process imparted a conscience to punk. Their eponymous first record and London Calling still rank in Rolling Stone's top-ten best albums of all time, and in 2003 they were officially inducted into the Rock and Roll Hall of Fame. Joe Strummer was the Clash's front man, a rock-and-roll hero seen by many as the personification of outlaw integrity and street cool. The political heart of the Clash, Strummer synthesized gritty toughness and poetic sensitivity in a manner that still resonates with listeners, and his untimely death in December 2002 shook the world, further solidifying his iconic status. Salewicz was a friend to Strummer for close to three decades and has covered the Clash's career and the entire punk movement from its inception. He uses his vantage point to write *Redemption Song*, the definitive biography of Strummer, charting his enormous worldwide success, his bleak years in the wilderness after the Clash's bitter breakup, and his triumphant return to stardom at the end of his life. Salewicz argues for Strummer's place in a long line of protest singers that includes Woody Guthrie, John Lennon, and Bob Marley, and examines by turns Strummer's and punk's ongoing cultural influence.

**Writing My Wrongs** Shaka Senghor.2016 During his nineteen-year incarceration [for murder], seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others--tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his--Dust jacket flap.

*Reading behind Bars* Jill Grunenwald.2019-07-02 In December 2008, twentysomething Jill Grunenwald graduated with her master's degree in library science, ready to start living her dream of becoming a librarian. But the economy had a different idea. As the Great Recession reared its ugly head, jobs were scarce. After some searching, however, Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio. The catch? The job was behind bars as the prison librarian at a men's minimum-security prison. Talk about baptism by fire. As an untested twentysomething woman, to say that the job was out of Jill's comfort zone was an understatement. She was forced to adapt on the spot, speedily learning to take the metal detectors, hulking security guards, and colorful inmates in stride. Over the course of a little less than two years, Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars. They were just like every other library patron--persons who simply wanted to read, to be educated and entertained through the written word. By helping these inmates, Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had. At turns poignant and hilarious, *Reading behind Bars* is a perfect read for fans of *Orange is the New Black* and *Shakespeare Saved My Life*.

*Ask a Manager* Alison Green.2018-05-01 From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations--featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does--and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you--then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged--or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."--Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."--Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces--and to do so with grace, confidence, and a sense of humor."--Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."--Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**American Prison** Shane Bauer.2018-09-18 An enraging, necessary look at the private prison system, and a convincing clarion call for prison reform." --NPR.org New York Times Book Review 10 Best Books of 2018 \* One of President Barack Obama's favorite books of 2018 \* Winner of the 2019 J. Anthony Lukas Book Prize \* Winner of the Helen Bernstein Book Award for Excellence in Journalism \* Winner of the 2019 RFK Book and Journalism Award \* A New York Times Notable Book A ground-breaking and brave inside reckoning with the nexus of prison and profit in America: in one Louisiana prison and over the course of our country's history. In 2014, Shane Bauer was hired for \$9 an hour to work as an entry-level prison guard at a private prison in Winnfield, Louisiana. An award-winning investigative journalist, he used his real name; there was no meaningful background check. Four months later, his employment came to an abrupt end. But he had seen enough, and in short order he wrote an exposé about his experiences that won a National Magazine Award and became the most-read feature in the history of the magazine *Mother Jones*. Still, there was much more that he needed to say. In *American Prison*, Bauer weaves a much deeper reckoning with his experiences together with a thoroughly researched history of for-profit prisons in America from their origins in the decades before the Civil War. For, as he soon realized, we can't understand the cruelty of our current system and its place in the larger story of mass incarceration without understanding where it came from. Private prisons became entrenched in the South as part of a systemic effort to keep the African-American labor force in place in the aftermath of slavery, and the echoes of these shameful origins are with us still. The private prison system is deliberately unaccountable to public scrutiny. Private prisons are not incentivized to tend to the health of their inmates, or to feed them well, or to attract and retain a highly-trained prison staff. Though Bauer befriends some of his colleagues and sympathizes with their plight, the chronic dysfunction of their lives only adds to the prison's sense of chaos. To his horror, Bauer finds himself becoming crueler and more aggressive the longer he works in the prison, and he is far from alone. A blistering indictment of the private prison system, and the powerful forces that drive it, *American Prison* is a necessary human document about the true face of justice in America.

*Redemption* Karen Kingsbury,Gary Smalley.2009 A fresh new look for the best-selling series from America's number-one inspirational novelist, Karen Kingsbury. Fans will enjoy a personal note from Karen and Gary Smalley as well as discussion questions for book group use. Revisit the Baxter family in all their life-changing events, or share the series with someone who hasn't discovered it yet. The *Redemption* series won Christian Retailing's 2005 Retailer's Choice Award for Best Series When Kari Baxter Jacobs finds out that her husband is involved in an adulterous relationship and wants a divorce, she decides she will love him and remain faithful to her marriage at all costs. This book shows how God can redeem seemingly hopeless relationships, and it illustrates one of Gary Smalley's key messages: Love is a decision. *Redemption* is the first book in the five-book *Redemption* series about the Baxter family--their fears and desires, their strengths and weaknesses, their losses and victories. Each book explores key relationship themes as well as the larger theme of

redemption, both in characters' spiritual lives and in their relationships.

Becoming Ms. Burton Susan Burton, Cari Lynn. 2019-02-12 Winner of the 2018 National Council on Crime & Delinquency's Media for a Just Society Awards Winner of the 2017 Goddard Riverside Stephan Russo Book Prize for Social Justice "Valuable . . . [like Michelle] Alexander's *The New Jim Crow*." —Los Angeles Review of Books "Susan Burton is a national treasure . . . her life story is testimony to the human capacity for resilience and recovery . . . [Becoming Ms. Burton is] a stunning memoir." —Nicholas Kristof, in *The New York Times* Winner of the prestigious NAACP Image Award, a uniquely American story of trauma, incarceration, and the breathtaking resilience of the human spirit (Michelle Alexander) Widely hailed as a stunning memoir, *Becoming Ms. Burton* is the remarkable life story of the renowned activist Susan Burton. In this stirring and moving tour-de-force (John Legend), Susan Burton movingly recounts her own journey through the criminal justice system and her transformation into a life of advocacy. After a childhood of immense pain, poverty, and abuse in Los Angeles, the tragic loss of her son led her into addiction, which in turn led to arrests and incarceration. During the War on Drugs, Burton was arrested and would cycle in and out of prison for more than fifteen years. When, by chance, she finally received treatment, her political awakening began and she became a powerful advocate for a more humane justice system guided by compassion and dignity (Booklist, starred review). Her award-winning organization, A New Way of Life, has transformed the lives of more than one thousand formerly incarcerated women and is an international model for a less punitive and more effective approach to rehabilitation and reentry. Winner of an NAACP Image Award and named a Best Book of 2017 by the Chicago Public Library, here is an unforgettable book about the breathtaking resilience of the human spirit (Michelle Alexander).

**That Bird Has My Wings** Jarvis Jay Masters. 2009-09-22 OPRAH'S BOOK CLUB PICK 2022 When I think about the fact that society, a nation, has sentenced me to death, all I can do is turn inside myself, to the place in my heart that wants so desperately to feel human, still connected to this world, as if I have a purpose. The moving memoir of a Death Row inmate who discovers Buddhism and becomes an inspirational role model for fellow inmates, guards, and a growing public In 1990, while serving a sentence in San Quentin for armed robbery, Jarvis Jay Masters was implicated as an accessory in the murder of a prison guard. A 23-year-old Black man, Jarvis was sentenced to death in the gas chamber. While in the maximum security section of Death Row, using the only instrument available to him—a ball-point pen filler—Masters's astounding memoir is a testament to the tenacity of the human spirit and the talent of a fine writer. Offering us scenes from his life that are at times poignant, revelatory, frightening, soul-stirring, painful, funny and uplifting, *That Bird Has My Wings* tells the story of the author's childhood with parents addicted to heroin, an abusive foster family, a life of crime and imprisonment, and the eventual embracing of Buddhism. Masters's story drew the attention of luminaries in the world of American Buddhism, including Pema Chodron, who wrote a story about him for *O Magazine* and offers a foreword to the book. Thirty-two years after his conviction, Masters is still on Death Row. A growing movement of people believe Masters is innocent, and are actively working within the legal system to free him.

I Think You're Wrong (But I'm Listening) Sarah Stewart Holland, Beth Silvers. 2019-02-05 More than ever, politics seem to be driven by discord. People sitting together in pews every Sunday feel like strangers and loved ones at the dinner table feel like enemies. Toxic political dialogue, hate-filled rants on social media, and agenda-driven news stories have become the new norm. But it doesn't have to be this way. In *I Think You're Wrong (But I'm Listening)*, two working moms from opposite ends of the political spectrum teach us that politics don't have to divide us. Instead, we can bring the same care and respect to policy discussions that we bring to the rest of our lives. Sarah Stewart Holland and Beth Silvers, co-hosts of *Pantsuit Politics*, recently named an Apple Podcasts Show of the Year, give you all of the tools you need to: Respect the dignity of every person Recognize that issues are nuanced and can't be reduced to political talking points Listen in order to understand Lead with grace and patience Join Sarah from the left and Beth from the right as they teach you that people from opposing political perspectives truly can have calm, grace-filled conversations with one another. Praise for *I Think You're Wrong (But I'm Listening)*: Sarah and Beth are an absolute gift to our culture right now. Not only do they offer balanced perspectives from each political ideology, but they teach us how to dialogue well, without sacrificing our humanity. --Jen Hatmaker, *New York Times* bestselling author and speaker Sarah from the left and Beth from the right serve as our guides through conflict and complexity, delivering us into connection. I wish every person living in the United States would read this compelling book, from the youngest voter to those holding the highest office. --Emily P. Freeman, *Wall Street Journal* bestselling author of *The Next Right Thing*

**Touching the Jaguar** John Perkins. 2020-06-16 "This eloquent book inspires us to create a new reality of what it means to be humans on this magnificent planet." —Deepak Chopra This all happened while Perkins was a Peace Corps volunteer. Then he became an economic hit man (EHM), convincing developing countries to build huge projects that put them perpetually in debt to the World Bank and other US-controlled institutions. Although he'd learned in business school that this was the best model for economic development, he came to understand it as a new form of colonialism. When he later returned to the Amazon, he saw the destructive impact of his work. But a much more profound experience emerged: Perkins was inspired by a previously uncontacted Amazon tribe that "touched its jaguar" by uniting with age-old enemies to defend its territory against invading oil and mining companies. For the first time, Perkins details how shamanism converted him from an EHM to a crusader for transforming a failing Death Economy (exploiting resources that are declining at accelerating rates) into a Life Economy (cleaning up pollution, recycling, and developing green technologies). He discusses the power our perceptions have for molding reality. And he provides a strategy for each of us to change our lives and defend our territory—the earth—against current destructive policies and systems.

Writing My Wrongs Shaka Senghor. 2017-01-31 NEW YORK TIMES BESTSELLER • An "extraordinary, unforgettable" (Michelle Alexander, author of *The New Jim Crow*) memoir of redemption and second chances amidst America's mass incarceration epidemic, from a member of Oprah's SuperSoul 100 Shaka Senghor was raised in a middle-class neighborhood on Detroit's east side during the height of the 1980s crack epidemic. An honor roll student and a natural leader, he dreamed of becoming a doctor—but at age eleven, his parents' marriage began to unravel, and beatings from his mother worsened, which sent him on a downward spiral. He ran away from home, turned to drug dealing to survive, and ended up in prison for murder at the age of nineteen, full of anger and despair. *Writing My Wrongs* is the story of what came next. During his nineteen-year incarceration, seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others—tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his. His work in the community and the courage to share his story led him to fellowships at the MIT Media Lab and the Kellogg Foundation and invitations to speak at events like TED and the Aspen Ideas Festival. In equal turns, *Writing My Wrongs* is a page-turning portrait of life in the shadow of poverty, violence, and fear; an unforgettable story of redemption; and a compelling witness to our country's need for rethinking its approach

to crime, prison, and the men and women sent there.

*The Sun Does Shine* Anthony Ray Hinton, Lara Love Hardin. 2018-03-27 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit--

**Inside This Place, Not of It** Ayelet Waldman. 2014-06-19 People in U.S. prisons are routinely subjected to physical, sexual, and mental abuse. While this has been documented in male prisons, women in prison often suffer in relative anonymity. *Women Inside* addresses this critical social justice issue, empowering incarcerated and formerly incarcerated women to share the stories that have previously been silenced. Among the narrators: • Irma Rodriguez, in prison on drug charges. While in prison in 1990, Irma was diagnosed HIV positive, but after a decade and a half of aggressive and toxic treatment, Irma learned that she never had HIV. • Sheri Dwight, a domestic violence survivor who was sent to prison for attempting to kill her batterer. While in prison, she underwent surgery for abdominal pain and learned more than four years later that she had been sterilized without her consent.

*The Sentences That Create Us* PEN America. 2022-01-11 *The Sentences That Create Us* draws from the unique insights of over fifty justice-involved contributors and their allies to offer inspiration and resources for creating a literary life in prison. Centering in the philosophy that writers in prison can be as vibrant and capable as writers on the outside, and have much to offer readers everywhere, *The Sentences That Create Us* aims to propel writers in prison to launch their work into the world beyond the walls, while also embracing and supporting the creative community within the walls. *The Sentences That Create Us* is a comprehensive resource writers can grow with, beginning with the foundations of creative writing. A roster of impressive contributors including Reginald Dwayne Betts (*Felon: Poems*), Mitchell S. Jackson (*Survival Math*), Wilbert Rideau (*In the Place of Justice*) and Piper Kerman (*Orange is the New Black*), among many others, address working within and around the severe institutional, emotional, psychological and physical limitations of writing prison through compelling first-person narratives. The book's authors offer pragmatic advice on editing techniques, pathways to publication, writing routines, launching incarcerated-run prison publications and writing groups, lesson plans from prison educators and next-step resources. Threaded throughout the book is the running theme of addressing lived trauma in writing, and writing's capacity to support an authentic healing journey centered in accountability and restoration. While written towards people in the justice system, this book can serve anyone seeking hard won lessons and inspiration for their own creative—and human—journey.

**Vineland** Thomas Pynchon. 2012-06-13 "Later than usual one summer morning in 1984 . . ." On California's fog-hung North Coast, the enchanted redwood groves of Vineland County harbor a wild assortment of sixties survivors and refugees from the "Nixonian Reaction," still struggling with the consequences of their past lives. Aging hippie freak Zoyd Wheeler is revving up for his annual act of televised insanity when news reaches that his old nemesis, sinister federal agent Brock Vond, has come storming into Vineland at the head of a heavily armed Justice Department strike force. Zoyd instantly disappears underground, but not before dispatching his teenage daughter Prairie on a dark odyssey into her secret, unspeakable past. . . . Freely combining disparate elements from American popular culture—spy thrillers, ninja potboilers, TV soap operas, sci-fi fantasies—*Vineland* emerges as what Salman Rushdie has called in *The New York Times Book Review* "that rarest of birds: a major political novel about what America has been doing to itself, to its children, all these many years."

**Letters to the Sons of Society** Shaka Senghor. 2022-01-18 The *New York Times* bestselling author of *Writing My Wrongs* invites men everywhere on a journey of honesty and healing through this book of moving letters to his sons—one whom he is raising and the other whose childhood took place during Senghor's nineteen-year incarceration. "A visceral and visual journey for the ages . . . the perfect road map for us to remove the barriers and obstacles against our true feelings."—Kenya Barris, creator of black-ish **ONE OF THE MOST ANTICIPATED BOOKS OF 2022**—Essence Shaka Senghor has lived the life of two fathers. With his first son, Jay, born shortly after Senghor was incarcerated for second-degree murder, he experienced the regret of his own mistakes and the disconnection caused by a society that sees Black lives as disposable. With his second, Sekou, born after Senghor's release, he has experienced healing, transformation, intimacy, and the possibilities of a world where men and boys can openly show one another affection, support, and love. In this collection of beautifully written letters to Jay and Sekou, Senghor traces his journey as a Black man in America and unpacks the toxic and misguided messages about masculinity, mental health, love, and success that boys learn from an early age. He issues a passionate call to all fathers and sons—fathers who don't know how to show their sons love, sons who are navigating a fatherless world, boys who have been forced to grow up before their time—to cultivate positive relationships with other men, seek healing, tend to mental health, grow from pain, and rewrite the story that has been told about them. *Letters to the Sons of Society* is a soulful examination of the bond between father and sons, and a touchstone for anyone seeking a kinder, more just world.

**The Love Prison Made and Unmade** Ebony Roberts. 2019-07-09 A Notable Memoir by the *New York Times* Medium's Books to Help You Transition Into 2020 With echoes of *Just Mercy* and *An American Marriage*, a remarkable memoir of a woman who falls in love with an incarcerated man—a poignant story of hope and disappointment that lays bare the toll prison takes not only on those behind bars, but on their families and relationships. Ebony's parents were high school sweethearts and married young. By the time Ebony was born, the marriage was disintegrating. As a little girl she witnessed her parents' brutal verbal and physical fights, fueled by her father's alcoholism. Then her father tried to kill her mother. Those experiences drastically affected the way Ebony viewed love and set the pattern for her future romantic relationships. Despite being an educated and strong-minded woman determined not to repeat the mistakes of her parents—she would have a fairytale love—Ebony found herself drawn to bad-boys: men who cheated; men who verbally abused her; men who disappointed her. Fed up, she swore to wait for the partner God chose for her. Then she met Shaka Senghor. Though she felt an intense spiritual connection, Ebony struggled with the idea that this man behind bars for murder could be the good love God had for her. Through letters and visits, she and Shaka fell deeply in love. Once Shaka came home, Ebony thought the worst was behind them. But Shaka's release was the beginning of the end. *The Love Prison Made and Unmade* is heartfelt. It reveals powerful lessons about love, sacrifice, courage, and forgiveness; of living your highest principles and learning not to judge someone by their worst acts. Ultimately, it is a stark reminder of the emotional cost of American justice on human lives—the partners, wives, children, and friends—beyond the prison walls.

*Two Birds in a Tree* Ram Nidumolu. 2013-10-07 The health of business is inextricably linked with the health of humanity and nature. But our current approaches to leadership treat business as entirely separate—and the result has been recurring economic, environmental, and human crises. In this extraordinary book, Ram Nidumolu uses evocative parables and stories from the ancient Indian wisdom texts, the Upanishads, to introduce Being-centered leadership. This new kind of leadership is anchored in the concept of Being, the fundamental reality that underlies all phenomena. Being-centered leaders are guided by an innate sense of interconnection—the good of the whole becomes an integral part of their decisions and actions. Using the experiences of over twenty trailblazing CEOs, as well as those from his own life, Nidumolu describes a four-stage road map every aspiring leader can use to reconnect business to the wider world—to the benefit of all.

*When You Reach Me* Rebecca Stead. 2009-07-14 Like *A Wrinkle in Time* (Miranda's favorite book), *When You Reach Me* far surpasses the usual whodunit or sci-fi adventure to become an incandescent exploration of 'life, death, and the beauty of it all.' —The Washington Post This Newbery Medal winner that has been called smart and mesmerizing, (*The New York Times*) and superb (*The Wall Street Journal*) will appeal to readers of all types, especially those who are looking for a thought-provoking mystery with a mind-blowing twist. Shortly after a fall-out with her best friend, sixth grader Miranda starts receiving mysterious notes, and she doesn't know what to do. The notes tell her that she must write a letter—a true story, and that she can't share her mission with anyone. It would be easy to ignore the strange messages, except that whoever is leaving them has an uncanny ability to predict the future. If that is the case, then Miranda has a big problem—because the notes tell her that someone is going to die, and she might be too late to stop it. Winner of the Boston Globe-Horn Book Award for Fiction A *New York Times* Bestseller and Notable Book Five Starred Reviews A Junior Library Guild Selection Absorbing. —People Readers ... are likely to find themselves chewing over the details of this

superb and intricate tale long afterward. —The Wall Street Journal Lovely and almost impossibly clever. —The Philadelphia Inquirer It's easy to imagine readers studying Miranda's story as many times as she's read L'Engle's, and spending hours pondering the provocative questions it raises. —Publishers Weekly, Starred review

**The Second Chance Club** Jason Hardy.2021-02-16 A former parole officer shines a bright light on a huge yet hidden part of our justice system through the intertwining stories of seven parolees striving to survive the chaos that awaits them after prison in this illuminating and dramatic book. Prompted by a dead-end retail job and a vague desire to increase the amount of justice in his hometown, Jason Hardy became a parole officer in New Orleans at the worst possible moment. Louisiana's incarceration rates were the highest in the US and his department's caseload had just been increased to 220 "offenders" per parole officer, whereas the national average is around 100. Almost immediately, he discovered that the biggest problem with our prison system is what we do—and don't do—when people get out of prison. Deprived of social support and jobs, these former convicts are often worse off than when they first entered prison and Hardy dramatizes their dilemmas with empathy and grace. He's given unique access to their lives and a growing recognition of their struggles and takes on his job with the hope that he can change people's fates—but he quickly learns otherwise. The best Hardy and his colleagues can do is watch out for impending disaster and help clean up the mess left behind. But he finds that some of his charges can muster the miraculous power to save themselves. By following these heroes, he both stokes our hope and fuels our outrage by showing us how most offenders, even those with the best intentions, end up back in prison—or dead—because the system systematically fails them. Our focus should be, he argues, to give offenders the tools they need to re-enter society which is not only humane but also vastly cheaper for taxpayers. As immersive and dramatic as *Evicted* and as revelatory as *The New Jim Crow*, *The Second Chance Club* shows us how to solve the cruelest problems prisons create for offenders and society at large.

*My Life in Crime* John Kiriamiti.1989-07-13 The late 1690 and early 70s may be remembered as the years of the great bank and other armed robberies in Kenya. This is the true story of one of the participants in some of those robberies, John Kiriamiti. In raw and candid language, Kiriamiti tells the story of how he dropped out of secondary school when he was only fifteen years old, and for a time became a novice pickpocket, before graduating into crimes like car-breaking and ultimately into violent robbery. This spell-binding story takes the reader into the underworld of crime, and it depicts graphically the criminals struggle for survival against the forces of law. John Kiriamiti was imprisoned on 6 January 1971, after being convicted on a charge of committing robbery at Naivasha on 4 November 1970. Kiriamiti left Naivasha Maximum Security Prison in August 1984, just five months after the publication of this novel and those following which were a sensation with Kenyan youth in the late 1980s and '90s.

**Corrections in Ink** Keri Blakinger.2022-06-07 "Brave, brutal . . . a riveting story about suffering, recovery, and redemption. Inspiring and relevant." —The New York Times An electric and unforgettable memoir about a young woman's journey—from the ice rink, to addiction and a prison sentence, to the newsroom—and how she emerged with a fierce determination to expose the broken system she experienced. Keri Blakinger always lived life at full throttle. Growing up, that meant throwing herself into competitive figure skating with an all-consuming passion that led her to nationals. But when her skating career suddenly fell apart, that meant diving into self-destruction with the intensity she once saved for the ice. For the next nine years, Keri ricocheted from one dark place to the next: living on the streets, selling drugs and sex, and shooting up between classes all while trying to hold herself together enough to finish her degree at Cornell. Then, on a cold day during her senior year, the police caught her walking down the street with a Tupperware full of heroin. Her arrest made the front page of the local news and landed her behind bars for nearly two years. There, in the Twilight Zone of New York's jails and prisons, Keri grappled with the wreckage of her missteps and mistakes as she sobered up and searched for a better path. Along the way, she met women from all walks of life—who were all struggling through the same upside-down world of corrections. As the days ticked by, Keri came to understand how broken the justice system is and who that brokenness hurts the most. After she walked out of her cell for the last time, Keri became a reporter dedicated to exposing our flawed prisons as only an insider could. Written with searing intensity, unflinching honesty, and shocks of humor, *Corrections in Ink* uncovers that dark, brutal system that affects us all. Not just a story about getting out and getting off drugs, this galvanizing memoir is about the power of second chances; about who our society throws away and who we allow to reach for redemption—and how they reach for it.

*Picking Cotton* Jennifer Thompson-Cannino,Ronald Cotton,Erin Torneo.2010-01-05 The New York Times best selling true story of an unlikely friendship forged between a woman and the man she incorrectly identified as her rapist and sent to prison for 11 years. Jennifer Thompson was raped at knifepoint by a man who broke into her apartment while she slept. She was able to escape, and eventually positively identified Ronald Cotton as her attacker. Ronald insisted that she was mistaken-- but Jennifer's positive identification was the compelling evidence that put him behind bars. After eleven years, Ronald was allowed to take a DNA test that proved his innocence. He was released, after serving more than a decade in prison for a crime he never committed. Two years later, Jennifer and Ronald met face to face-- and forged an unlikely friendship that changed both of their lives. With *Picking Cotton*, Jennifer and Ronald tell in their own words the harrowing details of their tragedy, and challenge our ideas of memory and judgment while demonstrating the profound nature of human grace and the healing power of forgiveness.

**The Kite Runner** Khaled Hosseini.2011-09-05 Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realizes that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

**Halfway Home** Reuben Jonathan Miller.2021-02-02 A persuasive and essential (Matthew Desmond) work that will forever change how we look at life after prison in America through Miller's stunning, and deeply painful reckoning with our nation's carceral system (Heather Ann Thompson). Each year, more than half a million Americans are released from prison and join a population of twenty million people who live with a felony record. Reuben Miller, a chaplain at the Cook County Jail in Chicago and now a sociologist studying mass incarceration, spent years alongside prisoners, ex-prisoners, their friends, and their families to understand the lifelong burden that even a single arrest can entail. What his work revealed is a simple, if overlooked truth: life after incarceration is its own form of prison. The idea that one can serve their debt and return to life as a

full-fledge member of society is one of America's most nefarious myths. Recently released individuals are faced with jobs that are off-limits, apartments that cannot be occupied and votes that cannot be cast. As *The Color of Law* exposed about our understanding of housing segregation, *Halfway Home* shows that the American justice system was not created to rehabilitate. Parole is structured to keep classes of Americans impoverished, unstable, and disenfranchised long after they've paid their debt to society. Informed by Miller's experience as the son and brother of incarcerated men, captures the stories of the men, women, and communities fighting against a system that is designed for them to fail. It is a poignant and eye-opening call to arms that reveals how laws, rules, and regulations extract a tangible cost not only from those working to rebuild their lives, but also our democracy. As Miller searchingly explores, America must acknowledge and value the lives of its formerly imprisoned citizens. *The Memoir Project* Marion Roach Smith.2011-06-09 An extraordinary practical resource for beginners looking to write their own memoir—now new and revised (Kirkus Reviews)! The greatest story you could write is one you've experienced yourself. Knowing where to start is the hardest part, but it just got a little easier with this essential guidebook for anyone wanting to write a memoir. Did you know that the #1 thing that baby boomers want to do in retirement is write a book—about themselves? It's not that every person has lived such a unique or dramatic life, but we inherently understand that writing a memoir—whether it's a book, blog, or just a letter to a child—is the single greatest path to self-examination. Through the use of disarmingly frank, but wildly fun tactics that offer you simple and effective guidelines that work, you can stop treading water in writing exercises or hiding behind writer's block. Previously self-published under the title, *Writing What You Know: Raelia*, this book has found an enthusiastic audience that now writes with intent.

*Blue Rage, Black Redemption* Stanley Tookie Williams.2007-11-13 A gripping tale of personal revolution by a man who went from Crips co-founder to Nobel Peace Prize nominee, author, and antigang activist When his L.A. neighborhood was threatened by gangbangers, Stanley Tookie Williams and a friend formed the Crips, but what began as protection became worse than the original gangs. From deadly street fights with their rivals to drive-by shootings and stealing cars, the Crips' influence -- and Tookie's reputation -- began to spread across L.A. Soon he was regularly under police surveillance, and, as a result, was arrested often, though always released because the charges did not stick. But in 1981, Tookie was convicted of murdering four people and was sent to death row at San Quentin in Marin County, California. Tookie maintained his innocence and began to work in earnest to prevent others from following his path. Whether he was creating nationwide peace protocols, discouraging adolescents from joining gangs, or writing books, Tookie worked tirelessly for the rest of his life to end gang violence. Even after his death, his legacy continues, supported by such individuals as Archbishop Desmond Tutu, Snoop Dogg, Jesse Jackson, and many more. This posthumous edition of *Blue Rage, Black Redemption* features a foreword by Tavis Smiley and an epilogue by Barbara Becnel, which details not only the influence of Tookie's activism but also her eyewitness account of his December 2005 execution, and the inquest that followed. By turns frightening and enlightening, *Blue Rage, Black Redemption* is a testament to the strength of the human spirit and an invaluable lesson in how rage can be turned into redemption.

**My Time Will Come** Ian Manuel.2021 The ... story of a fourteen-year-old sentenced to life in prison, of the extraordinary relationship that developed between him and the woman he shot, and of his release after twenty-six years of imprisonment through the efforts of ... legal activist Bryan Stevenson--

*An Unfinished Life* Mark Spragg.2004-08-31 In an extraordinary tale of love and forgiveness, Mark Spragg brings us this novel of a complex, prodigal homecoming. Jean Gilkyson has a history of choosing the wrong men. After yet another night of argument turned to violence with her boyfriend, Roy, Jean knows it's time to leave—if not for herself, then for her ten-year-old daughter, Griff. But the only place they can afford to go is Ishawooa, Wyoming, where Jean's family is dead and her deceased husband's father Einar wishes Jean was too. Of course, Griff knows none of this—only that here in Wyoming, with a grandfather she has never known and his crippled friend Mitch, she may finally be able to find a home.

**Notes on an Execution** Danya Kukafka.2022-01-25 NATIONAL BESTSELLER • WINNER OF THE 2023 EDGAR AWARD FOR BEST NOVEL • NEW YORK TIMES BEST CRIME NOVEL OF THE YEAR “Defiantly populated with living women . . . beautifully drawn, dense with detail and specificity . . . Notes on an Execution is nuanced, ambitious and compelling.” —Katie Kitamura, NEW YORK TIMES BOOK REVIEW (Editors' Choice) A searing portrait of the complicated women caught in the orbit of a serial killer. . . . Compassionate and thought-provoking. —BRIT BENNETT, #1 New York Times bestselling author of *The Vanishing Half* Recommended by New York Times Book Review • Los Angeles Times • Washington Post • Entertainment Weekly • Esquire • Good Housekeeping • USA Today • BuzzFeed • Goodreads • Real Simple • Marie Claire • Rolling Stone • Business Insider • Bustle • PopSugar • The Millions • The Guardian • and many more! In the tradition of *Long Bright River* and *The Mars Room*, a gripping and atmospheric work of literary suspense that deconstructs the story of a serial killer on death row, told primarily through the eyes of the women in his life—from the bestselling author of *Girl in Snow*. Ansel Packer is scheduled to die in twelve hours. He knows what he's done, and now awaits execution, the same chilling fate he forced on those girls, years ago. But Ansel doesn't want to die; he wants to be celebrated, understood. Through a kaleidoscope of women—a mother, a sister, a homicide detective—we learn the story of Ansel's life. We meet his mother, Lavender, a seventeen-year-old girl pushed to desperation; Hazel, twin sister to Ansel's wife, inseparable since birth, forced to watch helplessly as her sister's relationship threatens to devour them all; and finally, Saffy, the detective hot on his trail, who has devoted herself to bringing bad men to justice but struggles to see her own life clearly. As the clock ticks down, these three women sift through the choices that culminate in tragedy, exploring the rippling fissures that such destruction inevitably leaves in its wake. Blending breathtaking suspense with astonishing empathy, *Notes on an Execution* presents a chilling portrait of womanhood as it simultaneously unravels the familiar narrative of the American serial killer, interrogating our system of justice and our cultural obsession with crime stories, asking readers to consider the false promise of looking for meaning in the psyches of violent men. Poetic and mesmerizing . . . Powerful, important, intensely human, and filled with a unique examination of tragedy, one where the reader is left with a curious emotion: hope. —USA TODAY “A profound and staggering experience of empathy that challenges us to confront what it means to be human in our darkest moments. . . . I relished every page of this brilliant and gripping masterpiece.—ASHLEY AUDRAIN, New York Times bestselling author of *The Push*

*Your Best Life Now* Joel Osteen.2007-09-03 In this remarkable New York Times bestseller, Joel Osteen offers unique insights and encouragement that will help readers overcome every obstacle in their lives.

*Trejo* Danny Trejo,Donal Logue.2022-04-05 For the first time, the full, fascinating, and inspirational true story of Danny Trejo's journey from crime, prison, addiction, and loss to unexpected fame as Hollywood's favorite bad guy with a heart of gold--

*Until We Reckon* Danielle Sered.2019-03-05 The award-winning “radically original” (The Atlantic) restorative justice leader, whose work the Washington Post has called “totally sensible and totally revolutionary,” grapples with the problem of violent crime in the movement for prison abolition A National Book Foundation Literature for Justice honoree A Kirkus “Best Book of 2019 to Fight Racism and Xenophobia” Winner of the National Association of Community and Restorative Justice Journalism Award Finalist for the Goddard Riverside Stephan Russo Book Prize for Social Justice In a book *Democracy Now!* calls a “complete overhaul of the way we’ve been taught to think about crime, punishment, and justice,” Danielle Sered, the executive director of Common Justice and renowned expert on violence, offers pragmatic solutions that take the place of prison, meeting the needs of survivors and creating pathways for people who have committed violence to repair harm. Critically, Sered argues that reckoning is owed not only on the part of individuals who have caused violence, but also by our nation for its overreliance on incarceration to produce safety—at a great cost to communities, survivors, racial equity, and the very fabric of our democracy. Although over half the people incarcerated in America today have committed violent offenses, the focus of reformers has been almost entirely on nonviolent and drug offenses. Called “innovative” and “truly remarkable” by The Atlantic and “a top-notch entry into the burgeoning incarceration debate” by Kirkus Reviews, Sered's *Until We Reckon* argues with searing force and clarity that our communities are safer the less we rely on prisons and jails as a solution

for wrongdoing. Sered asks us to reconsider the purposes of incarceration and argues persuasively that the needs of survivors of violent crime are better met by asking people who commit violence to accept responsibility for their actions and make amends in ways that are meaningful to those they have hurt—none of which happens in the context of a criminal trial or a prison sentence.

**The Life and the Adventures of a Haunted Convict** Austin Reed. 2017-01-24 The earliest known prison memoir by an African American writer—recently discovered and authenticated by a team of Yale scholars—sheds light on the longstanding connection between race and incarceration in America. “[A] harrowing [portrait] of life behind bars . . . part confession, part jeremiad, part lamentation, part picaresque novel (reminiscent, at times, of Dickens and Defoe).”—Michiko Kakutani, *The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE In 2009, scholars at Yale University came across a startling manuscript: the memoir of Austin Reed, a free black man born in the 1820s who spent most of his early life ricocheting between forced labor in prison and forced labor as an indentured servant. Lost for more than one hundred and fifty years, the handwritten document is the first known prison memoir written by an African American. Corroborated by prison records and other documentary sources, Reed’s text gives a gripping first-person account of an antebellum Northern life lived outside slavery that nonetheless bore, in its day-to-day details, unsettling resemblances to that very institution. Now, for the first time, we can hear Austin Reed’s story as he meant to tell it. He was born to a middle-class black family in the boomtown of Rochester, New York, but when his father died, his mother struggled to make ends meet. Still a child, Reed was placed as an indentured servant to a nearby family of white farmers near Rochester. He was caught attempting to set fire to a building and sentenced to ten years at Manhattan’s brutal House of Refuge, an early juvenile reformatory that would soon become known for beatings and forced labor. Seven years later, Reed found himself at New York’s infamous Auburn State Prison. It was there that he finished writing this memoir, which explores America’s first reformatory and first industrial prison from an inmate’s point of view, recalling the great cruelties and kindnesses he experienced in those places and excavating patterns of racial segregation, exploitation, and bondage that extended beyond the boundaries of the slaveholding South, into free New York. Accompanied by fascinating historical documents (including a series of poignant letters written by Reed near the end of his life), *The Life and the Adventures of a Haunted Convict* is a work of uncommon beauty that tells a story of nineteenth-century racism, violence, labor, and captivity in a proud, defiant voice. Reed’s memoir illuminates his own life and times—as well as ours today. Praise for *The Life and the Adventures of a Haunted Convict* “One of the most fascinating and important memoirs ever produced in the United States.”—Annette Gordon-Reed, *The Washington Post* “Remarkable . . . triumphantly defiant . . . The book’s greatest value lies in the gap it fills.”—O: *The Oprah Magazine* “Reed displays virtuosic gifts for narrative that, a century and a half later, earn and hold the reader’s ear.”—Thomas Chatterton Williams, *San Francisco Chronicle* “[The book’s] urgency and relevance remain undiminished. . . . This exemplary edition recovers history without permanently trapping it in one interpretation.”—*The Guardian* “A sensational, novelistic telling of an eventful life.”—*The Paris Review* “Vivid and painful.”—NPR “Lyrical and graceful in one sentence, burning with fury and hellfire in the next.”—Columbus Free Press

**Free Cyntoia** Cyntoia Brown-Long. 2020-05-05 NAACP Image Award nominee for Outstanding Biography/Autobiography In her own words, Cyntoia Brown-Long shares the riveting and redemptive story of how she changed her life for the better while in prison, finding hope through faith after a traumatic adolescence of drug addiction, rape, and sex trafficking led to a murder conviction. “Those...years in prison hadn’t just turned me into woman. They transformed me. The girl who desperately wanted to belong, who felt powerless, who clawed, and scratched her way out of every corner she was backed into, was gone.” At the age of sixteen, Cyntoia Brown, a survivor of human trafficking, was arrested for killing a man who had picked her up for sex. Two years later, she was sentenced to life in prison. Brown reflects on the isolation, low self-esteem, and sense of alienation that drove her straight into the hands of a predator. Once in prison, she attempts to build a positive path and honor the values her beloved adoptive mother, Ellenette, taught her, but Cyntoia succumbs to harmful influences that drive her to a cycle of progress and setbacks. Then, a fateful meeting with a prison educator turned mentor offers Cyntoia the opportunity to make the pivotal decision to strive for a better future, even if she’s never freed. In these pages, Cyntoia shares the details of her transformation, including a profound encounter with God, an unlikely romance, an unprecedented outpouring of support from social media advocates and A-list celebrities, and her release from prison. A coming-of-age memoir set against the shocking backdrop of a life behind bars, *Free Cyntoia* takes you on a spiritual journey as Cyntoia struggles to overcome a lifetime of feeling ostracized and abandoned by society.
