Finnish Vocabulary Book Pinhok Languages.2022-05-01 Finnish vocabulary book + Finnish dictionary This Finnish vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Finnish-English as well as English-Finnish dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Finnish learning resource is a combination of Finnish vocabulary book and a two-way basic Finnish dictionary: Part 1 - Topic based Finnish vocabulary book: This is the main part of the book and represents a list of chapters each containing Finnish vocabularies for a certain topic. The Finnish vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Finnish dictionary: The index in the second half of the book can be used as a basic Finnish dictionary to look up words you have learned but can't remember or learn

new words you need. Part 3 - Basic Finnish-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Finnish words and directly find the English translation How to use this Finnish vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Finnish dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Finnish translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Finnish dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Finnish and comes in particularly handy at times when there is no internet to look up words and phrases.

Finnish Frequency Dictionary for Learners - Practical Vocabulary Mostusedwords, E. Kool. 2017-09-14 All Finnish Vocabulary You'll Need, In One Book. With this book, you can learn Finnish fast and efficiently: This book contains practical vocabulary for both spoken and written Finnish. Why Study By Frequency?: In any given language, you only use about 1000 different words a day in day-to-day spoken language. These high frequency words account for about 95% of all spoken language When it comes to reading; the 2.000 most used words account for about 85% of all that is written. The most used 10.000 words account for 99% of all spoken and 98% of all written Finnish text. How Much Vocabulary Do You Need To Know? While it's important to note it's impossible to pin down these numbers and statistics with 100% accuracy, these are a global average of multiple sources. According to scientific research, this is the amount of vocabulary needed for varying levels of fluency: 1. 250 words: the essential core of a language. Without these words, you cannot construct sentences. 2. 750 words: those that are used every single day by every person who speaks the language. 3. 2500 words: those that should enable you to express everything you could possibly want to say, although some creativity might be required. 4. 5000 words: the active vocabulary of native speakers without higher education. You will understand 95% of all written texts. 5. 10,000 words: the active vocabulary of native speakers with higher education. 6. 20,000 words: the amount you need to recognize passively in order to read, understand, and enjoy a work of literature such as a novel by a notable author. Keeping above facts in mind, the value of a frequency dictionary is immense. At least, that is if you want to become fluent in a language fast. Study the most frequent words, build your vocabulary and progress naturally. Sounds logical, right? What is Inside This Book? A frequency list of the most frequently used Finnish words, based on analysis of 7.5 gigabytes of Finnish subtitles, the equivalent of 30.000 books of 200 pages each; a good-sized library. A large base text collection is absolutely vital to establishing a good general frequency list. Subtitles have the advantage of corresponding both to written and spoken language, so you get the best of both worlds. The Finnish to English Frequency Dictionary for Learners can roughly be divided in three parts. * 10.000 Finnish words in ranked by general frequency * Frequency ranking by part of speech (E.G, The most used adjectives, nouns, verbs, etc) * 10.000 Words in Alphabetical order Summary The Finnish Frequency Dictionary for Learners gives you a practical word list to learn Finnish vocabulary. Study the most used words to rapidly gain a base vocabulary in Finnish. These high frequency words are a great tool for beginners, intermediate and advance students of Finnish. The frequency dictionary can be used as a stand-alone tool, or in combination with any other language learning program, app or book. This book roughly covers CEFR vocabulary ratings from A1 (absolute beginner) to C2+ (mastery). Invest this book, and invest in yourself. You will amaze yourself, and your friends and family by how fast you're progressing in your journey of speaking Finnish.

Finnish English Frequency Dictionary - Essential Vocabulary J. L. Laide. 2017-03-18 This Book Contains 95% Of All Daily Spoken Finnish And 85% Of All Finnish Written Texts. Learn Finnish Fast and Efficient: Learn vocabulary for practical spoken and written Finnish! New: Added 2500 Finnish to English word usage example sentences. Scientific research has shown that in day to day speech, you only use about 1.000 words a day. This holds true for every language. The 1000 most common words in Finnish account for 95% of all daily conversational Finnish. The 2.500 most used words account for 85% of all daily written Finnish. The Finnish English Word Frequency Dictionary 2.500 words and verbs give you a list of the most useful and most used words to build your Finnish vocabulary fast. These high frequency Finnish words are a great tool for beginners and intermediate students. This Finnish pocket dictionary contains the 2500 most common words and the 597 most common verbs in Finnish. Learn only the most important and most used words & verbs to quickly gain a practical knowledge of spoken and written Finnish. This Finnish frequency dictionary is perfect for beginners and intermediate students of teenage or adult age. It can be used as a stand-alone tool, or in combination with any other language learning program. Learning from a Finnish vocabulary list is a great way to learn Finnish fast. More fun facts on language learning and vocabulary: * The first 25 words are used in 33% of all everyday writing * The top 100 words make up 50% of all student and adult writing * Top 500 words make up around 70% of all everyday text. To gain 95% fluency, more than enough for day-to-day situations, you just need to know about 2.500 words. To further increase your fluency to 98% (a mere 3% increase), you would need to learn another 97.500 words. Talk about diminishing returns! It has been advised to first learn the first 1000 most common words before you start speaking a new language. The facts aforementioned seem to confirm this. That is why we created the Finnish frequency dictionary. With this book, you are able to cover 85% of the Finnish language in text and 95% of all of the in day-to-day spoken situations. The amount of words is enough to discover the meaning of yet unknown words through context. It is a rational move to prioritize learning the words that you are likely to use and hear the most. Frequency dictionaries and word lists are a good starting

point, and can produce the quickest results. The word frequency is based on analysis of Finnish subtitles. Scientific research has shown that subtitles are the best source of a practical, spoken frequency dictionary in any language. Subtitles correlate to both spoken and written Finnish. The product is unique and the best way to understand and speak Finnish quick, because other frequency dictionaries base themselves on written text. The dictionary is divided by part of speech, frequency order and alphabetical order. By studying this dictionary with the 2500 most common words and 487 most common verbs, you will quickly gain a broad understanding and practical knowledge of spoken and written Finnish. Your friends and family will be amazed by how fast you will speak Finnish. Invest in yourself now, and buy this book.
