Achtung-Panzer! Heinz Guderian.1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Shadow of the Silk Road Colin Thubron.2009-10-13 Shadow of the Silk Road records a journey along the greatest land route on earth. Out of the heart of China into the mountains of Central Asia, across northern Afghanistan and the plains of Iran and into Kurdish Turkey, Colin Thubron covers some seven thousand miles in eight months. Making his way by local bus, truck, car, donkey cart and camel, he travels from the tomb of the Yellow Emperor, the mythic progenitor of the Chinese people, to the ancient port of Antioch—in perhaps the most difficult and ambitious journey he has undertaken in forty years of travel. The Silk Road is a huge network of arteries splitting and converging across the breadth of Asia. To travel it is to trace the passage not only of trade and armies but also of ideas, religions and inventions. But alongside this rich and astonishing past, Shadow of the Silk Road is also about Asia today: a continent of upheaval. One of the trademarks of Colin Thubron's travel writing is the beauty of his prose; another is his gift for talking to people and getting them to talk to him. Shadow of the Silk Road encounters Islamic countries in many forms. It is about changes in China, transformed since the Cultural Revolution. It is about false nationalisms and the world's discontented margins, where the true boundaries are not political borders but the frontiers of tribe, ethnicity, language and religion. It is a magnificent and important account of an ancient world in modern ferment.

Handbook of French Semantics Francis Corblin, Henriëtte de Swart.2004 This book focuses on the semantic particularities of the French language, covering five empirical themes: determiners, adverbs, tense and aspect, negation, and information structure. The specialists contributing here—including general linguists in France and French linguists in the Netherlands—take formal approaches to semantics and its interface with syntax and pragmatics, highlighting meaning in its relation to both structure and use. Their results should be of particular interest to French and Romance linguists who want to study French from a formal semantic perspective and to general linguists who are interested in cross-linguistic semantics.

A Bride's Story, Vol. 4 Kaoru Mori.2018-09-25 Acclaimed creator Kaoru Mori's tale of life on the nineteenth-century Silk Road turns westward, following Englishman Mr. Smith on his long journey to Ankara. Passing through a fishing village along the Aral Sea, Smith and his guide encounter a pair of spirited young girls named Laila and Leily-identical twins who are fishing not for sturgeon, but for husbands! Despite their efforts to find two wealthy, healthy, and handsome brothers to wed, Laila and Leily's plans generally only land them in loads of trouble!

Sociology in Hungary Victor Karády,Péter Tibor Nagy.2019-07-29 This book is the first English-

language study of the social, intellectual and institutional history of sociology and the social sciences in Hungary. Starting with the emergence of the discipline in the early 20th century, Karady and Nagy chart its development throughout various transformations of Hungarian society: from the liberal Dual Monarchy, through the respective Christian and Stalinist regimes, and culminating in the modern scholarly field today. Drawing on large-scale prosopographical materials, the authors use empirically-based socio-historical analysis to measure the impact of successive and radical regime changes on the country's intellectual life. This will be an important and original point of reference for scholars and students of historical sociology, and Eastern European intellectual history.

The Dead Lake Hamid Ismailov.2014-02-15 A haunting Russian tale about the environmental legacy of the Cold War. Yerzhan grows up in a remote part of Soviet Kazakhstan where atomic weapons are tested. As a young boy he falls in love with the neighbour's daughter and one evening, to impress her, he dives into a forbidden lake. The radioactive water changes Yerzhan. He will never grow into a man. While the girl he loves becomes a beautiful woman. Why Peirene chose to publish this book: 'Like a Grimm's fairy tale, this story transforms an innermost fear into an outward reality. We witness a prepubescent boy's secret terror of not growing up into a man. We also wander in a beautiful, fierce landscape unlike any other we find in Western literature. And by the end of Yerzhan's tale we are awe-struck by our human resilience in the face of catastrophic, man-made, follies.' Meike Ziervogel 'A haunting and resonant fable.' Boyd Tonkin, Independent 'A tantalising mixture of magical and grim realism . . . a powerful study of alienation and environmental catastrophe.' David Mills, Sunday Times 'A poetic masterpiece, a novella of shocking legacies, alien beauty and blistering emotional intensity'. Pam Norfolk, Lancashire Evening Post 'A writer of immense poetic power.' Kapka Kassabova, Guardian Elizabeth Buchan, Daily Mail 'This superb novella . . . reads like a modern fairy-tale, full of a surreal yet mundane horror.' Lesley McDowell, Independent on Sunday 'Central Asian storytelling at its best.' Marion James, Today's Zaman

The Poetry of Rimbaud Robert Greer Cohn.1999 The standard work on Rimbaud returns to print In this proven study on Arthur Rimbaud, the world's leading authority on Stéphane Mallarmé provides a guide to the understanding and appreciation of Rimbaud's entire poetic oeuvre. Robert Greer Cohn begins with an outline of the poet's life, focusing particularly on a childhood and adolescence that produced astoundingly original and frequently exquisite works, the whole body of poetry by a writer who ended his literary creation in his twentieth year. Cohn's analysis, combined with a substantial introduction, weaves together the known biographical facts with major clues from the poems to present a coherent portrait of the inner and outwardly imaged world of the young poet. Cohn draws on nondoctrinaire and open-minded approaches of modern depth psychology and philosophy and, most particularly, on the dazzlingly integral cosmic vision of Mallarmé. The resulting unified view affords insights into the meaning of many difficult passages, especially in the most hermetic and resistant of the Illuminations. Cohn also reveals the early poems, which heretofore received little attention, to be rich in poetic humanity. He suggests that the seeds of Rimbaud's later development lie in these early poems, which provide convincing paths into subsequent complexities.

The Zahir Paulo Coelho.2009-10-13 "Superabundant talent, stunning originality, an elegant way with words... The Zahir is something more." -- Los Angeles Times The narrator of *The Zahir* is a bestselling novelist who lives in Paris and enjoys all the privileges money and celebrity bring. His wife of ten years, Esther, is a war correspondent who has disappeared along with a friend, Mikhail, who may or may not be her lover. Was Esther kidnapped, murdered, or did she simply escape a marriage that left her unfulfilled? The narrator doesn't have any answers, but he has plenty of questions of his own. Then one day Mikhail finds the narrator and promises to reunite him with his wife. In his attempt to recapture a lost love, the narrator discovers something unexpected about himself. A haunting and redemptive story about obsession, *The Zahir* explores its potential to fulfill our dreams, and to destroy them.

A Fulfulde (Maasina) - English - French Lexicon Donald W. Osborn, David J. Dwyer, Joseph I. Donohoe.2012-01-01 The Lexicon brings together lexical material from a wide range of published and non-published sources to create an extensive compilation of the vocabulary of Fulfulde as it is spoken in that part of central Mali known as Masina (in Fulfulde, Maasina). The Lexicon is intended primarily for non-Fulfulde speakers who are learning the language at the intermediate or advanced levels and who need access to a comprehensive reference source on Fulfulde vocabulary. Scholars, development workers, and others whose research or fieldwork involves use of the Fulfulde of Masina may find it helpful as well in clarifying nuances of meaning and standardized spelling for the less familiar terms they might encounter. It is also intended that the present work, beyond the matter of organizing vocabulary, will contribute significantly to the expanding lexicographical and linguistic investigations of Fulfulde.

The Book of Queens Joumana Haddad.2023-09-12 A book of history, heritage, loyalty, religion, feminism, families, and the Armenian genocide *The Book of Queens* is a family saga that spans four generations of women caught up in the tragic whirlwind of turf wars and suffering in the Middle East—from the Armenian genocide and the Israeli occupation of Palestine to modern-day civil wars and the struggles between Christians and Muslims in Lebanon and Syria. Four queens of a deck of cards dealt a bad hand by fate—Qayah, Qana, Qadar and Qamar—form the branches of the same family tree rooted in the land of their origins despite the forceful winds that repeatedly try to carry them away. A line of red-haired women united by the ties of blood that runs through their veins—which violence has spread through the ages—each with a deep story and all with one thing in common: unwavering power and resilience in the face of adversities of being a woman in a war-torn region. With the perfect mastery of finely chiseled writing, Joumana Haddad manages to construct a novel of extraordinary intensity, without ever sinking into pathos or grandiloquence. She also challenges the systematic abuse of political and religious power and authority that continues to cloud the lives of a culturally diverse and progressive youth until the present day.

Classroom Portraits Julian Germain.2012 This captivating collection of large-scale portraits of classes of children and adolescents around the world reveals much about the present and raises fascinating questions about the future. What happens when a stranger enters a classroom during a lesson and asks for the pupils' total concentration for 15 minutes in order to make their portrait? He positions everyone with great care (so that they can clearly be seen) and then demands that they stay completely still for the long exposure. The results are both predictable and astonishing. This ongoing series by Julian Germain started in northeast England. Since then Germain has visited schools throughout North and South America, Europe, the Middle East, Africa, and Southeast Asia. His magnificent photographs are packed with detail - books open on graffitied desks, instructions on white and blackboards, artwork hanging on walls, notes scribbled on the backs of hands. And of course there are the faces of the children themselves; enrapt, bored, inquisitive, arrogant, or shy, they incite endless curiosity about what these kids' lives are like and what their futures hold. Exquisitely reproduced in an oversize format, these portraits trigger memories of our own schooldays and bring into sharp focus the contemporary school experience throughout the world, in

all its diversity and universality. ILLUSTRATIONS: 110 colour

French 'Ecocritique' Stephanie Posthumus.2017-10-31 French *Écocritique* is the first book-length study of the culturally specific ways in which contemporary French literature and theory raise questions about nature and environment. Stephanie Posthumus's ground-breaking work brings together thinkers such as Guattari, Latour, and Serres with recent ecocritical theories to complicate what might otherwise become a reductive notion of French ecocriticism. Working across contemporary philosophy and literature, the book defines the concept of the ecological as an attentiveness to specific nature-culture contexts and to a text's many interdiscursive connections. Posthumus identifies four key concepts, ecological subjectivity, ecological dwelling, ecological politics, and ecological ends, for changing how we think about human-nature relations. French *Écocritique* highlights the importance of moving beyond canonical ecocritical texts and examining a diversity of cultural and literary traditions for new ways of imagining the environment.

A Bride's Story, Vol. 6 Kaoru Mori.2018-10-30 Acclaimed creator Kaoru Mori's tale of life on the nineteenth-century Silk Road heads back to Amir and Karluk. In the year since his marriage, Karluk has grown a good deal, but Amir can't help but feel overprotective of her much younger husband. Karluk wants nothing more than to prove that he can be a strong and competent man--and he may soon have the opportunity to prove just that. Desperate for land to feed their flocks, Amir's former tribe prepares to attack her village with a fearsome arsenal of cannons and guns provided by their new allies. This time the Halgals are not interested in capturing Amir--no one is safe from their terrible assault! Crafted in painstaking detail, Ms. Mori's pen breathes life into the scenery and architecture of the period in this heart-warming, slice-of-life tale that is at once wholly exotic, yet familiar and accessible through the everyday lives of the characters she has created.

Give Me Your Image Bertien van Manen.2006 From 2002 through 2005, Bertien van Manen traveled all over Europe visiting families and documenting their personal photographs, some selected from albums or hanging on walls, and others stashed in less obvious places around their lives. She collected traces of war and suppression and of happiness and sadness, encompassing a century of history in these recorded--and here re-recorded--meetings of human eyes, minds and

hearts. Beyond its very basic appeal, the project seems to reassess van Manen's earlier work--a career of more direct photojournalism including *A Hundred Summers*, *a Hundred Winters*, on the people of the former Soviet Union, and *East Wind West Wind* on the people China--and to memorialize the paper print itself, in light of pervasive new digital cameras and photo-enabled cell phones that make her work all the more rare.

Contributors engage with the work of such authors, filmmakers and cartoonists as Michel Serres, Luc Ferry, Patrice Nganang, Marie Darrieussecq, Yann-Arthus Bertrand and Plantu, and such topics as human zoos, eco-colonialism, queer theory, and the environmental catastrophes of WWI and, globally, of human civilization as recorded in the recent eco-documentary, *HOME*. Wide-ranging, provocative and topical these articles both broaden and deepen the efficacy of ecocriticism as a tool for enriching our understanding of the field beyond the English and American "nature writing" at the theory's core.

Even Silence Has an End Ingrid Betancourt. 2010-09-21 Betancourt's riveting account...is an unforgettable epic of moral courage and human endurance. -Los Angeles Times In the midst of her campaign for the Colombian presidency in 2002, Ingrid Betancourt traveled into a military-controlled region, where she was abducted by the FARC, a brutal terrorist guerrilla organization in conflict with the government. She would spend the next six and a half years captive in the depths of the Colombian jungle. *Even Silence Has an End* is her deeply moving and personal account of that time. The facts of her story are astounding, but it is Betancourt's indomitable spirit that drives this very special narrative--an intensely intelligent, thoughtful, and compassionate reflection on what it really means to be human.
