This Is War Kennedy Fox.2016-09-18 Travis King is the worst kind of asshole.He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him.It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to.His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more.Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear.He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing.Because the King is about to get played at his own game-and lose.Checkmate.

Doug Aitken Philippe Vergne.2016 Accompanying the artist's first full-scale survey exhibition, this generously illustrated book explores Doug Aitken's work across mediums, disciplines, and themes. From photography to architecture, and from video to spoken word, Doug Aitken has delved into a variety of art forms to create a provocative body of work. This volume surveys the full scope and depth of Aitken's work: sound pieces, sculpture, architectural experiments, land art and happenings, which embrace a collaborative spirit across disciplines and beyond walls, to re-imagine the nature of what a work of art can be. Interspersed with hundreds of color illustrations, the book's essays examine the plethora of ideas the artist tackles--from environmental decay to the end of linear time--and explain how and why Aitken challenges many artistic barriers.

The Aussie Next Door Stefanie London.2019-08-27 A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now

she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting.
