Maria Stuart .2020-10-30 Maria Stuart, described as Schiller's most perfect play, is a finely balanced, inventive account of the last day of the captive Queen of Scotland, caught up in a great contest for the throne of England after the death of Henry VIII and over the question of England's religious confession. Hope for and doubt about Mary's deliverance grow in the first two acts, given to the Scottish and the English queen respectively, reach crisis at the center of the play, where the two queens meet in a famous scene in a castle park, and die away in acts four and five, as the action advances to its inevitable end. The play is at once classical tragedy of great fineness, costume drama of the highest order-a spectacle on the stage-and one of the great moments in the long tradition of classical rhetoric, as Elizabeth's ministers argue for and against execution of a royal prisoner. Flora Kimmich's new translation carefully preserves the spirit of the original: the pathos and passion of Mary in captivity, the high seriousness of Elizabeth's ministers in council, and the robust comedy of that queen's untidy private life. Notes to the text identify the many historical figures who appear in the text, describe the political setting of the action, and draw attention to the structure of the play. Roger Paulin's introduction discusses the many threads of the conflict in Maria Stuart and enriches our understanding of this much-loved, much-produced play. Maria Stuart is the last of a series of five new translations of Schiller's major plays, accompanied by notes to the text and an authoritative introduction.

Further Cuttings Flann O'Brien.2000 When The Best of Myles was published in 1968, it was hailed (by S. J. Perelman among others) as one of the supreme comic achievements of the English language. Now, in response to the clamorous demands of men of science and the arts, men of steam, of straw and of the law, comes Further Cuttings from Cruiskeen Lawn. Flann O'Brien adopted the name Myles na Gopaleen for the hilarious Cruiskeen Lawn column which he wrote for The Irish Times from 1940-1966. Whereas The Best of Myles covered the first five years of the column's life, this companion edition covers the period from 1947-1957. Here can be found the true transcripts of Myles's clashes with the law courts on charges of larceny, currency offenses, marrying without the consent of his parents, gang warfare, and using bad language; here too are bizarre obituaries,

bores, banalities, jovialities and immoralities, and the return of the preposterous Brother. Also included is the first-ever Myles article.

Twelve Years a Slave Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Tacky Rax King.2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. The Forgotten Rohingya: Their Struggle for Human Rights in Burma Habib Habib Siddiqui.2019 Imagine that you are living in a country that does not recognize you as a citizen in spite of the fact that your people have maintained a continuous existence there for several centuries. If that was not enough of a traumatic experience, consider that because of your racial, ethnic and religious identity other ethnic groups that are fighting the brutal military regime in your country for their self-determination and human rights consider you as settlers from a neighboring country. It must be your worst nightmare when you realize that half of your people (almost 2 million) have been forced to take asylum or refuge outside, and you may be the next in line to seek a way out of this living hell of xenophobia, discrimination, intolerance, racism and bigotry. The victims are the Rohingya people of Burma (Myanmar). Because of their religion, race, ethnicity, color and language they are the most discriminated and persecuted people in our planet. Some argue that they are also one of the most forgotten. The Myanmar military regime has denied their citizenship rights, claiming that they are illegal settlers from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations? For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in the election and imprisoned leaders and workers of the democracy movement. They cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets? - Are restricted from traveling outside their villages? - Have no legal right to own land or property? - Are restricted from getting education, finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings? - Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan? - Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights? Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people. The Forgotten Rohingya makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.

Flann O'Brien Werner Huber, Paul Fagan, Ruben Borg.2014 Employing a wide range of critical perspectives and new comparative contexts, *Flann O'Brien: Contesting Legacies* breaks new ground in Brian O'Nolan scholarship (he wrote his novels under the name of Flann O'Brien) by testing a number of popular commonplaces about this Irish (post-) Modernist author. Challenging the narrative that Flann O'Brien wrote two good novels and then retired to the inferior medium of journalism (as Myles na gCopaleen), the collection engages with overlooked shorter, theatrical, and non-fiction works and columns ('John Duffy's Brother', 'The Martyr's Crown', 'Two in One') alongside *At Swim-Two-Birds*, *The Third Policeman*, and *An Bócht*. The depth and consistency of O'Nolan's comic inspiration that emerges from this scholarly engagement with his broader body of work underlines both the imperative and opportunity of reassessing O'Brien's literary legacy. Challenging the critical standard of O'Brien as a provincial writer, these essays reveal his writing as a space that uniquely complicates the old lines between stay-at-home conservatism and international experimentalism. Renegotiating O'Brien's place in the European Avant-Garde alongside tensions closer to home - Republicanism, the Gaelic tradition, the Dublin literary scene - the collection reveals as outdated prejudice the dismissal of his talent as a matter of localized interest. Finally, the contributors excavate O'Nolan's oeuvre as fertile territory for a broad range of critical perspectives by confronting some of the more complex ideological positions tested in his writing. Employing perspectives from genetic criticism and cultural materialism to post-modernism and

deconstruction, the essays gathered in this volume address with new critical rigor the author's gender politics, his language politics, his parodies of nationalism, his ideology of science, and his treatment of the theme of justice.

Greek Myth and Religion Albert Henrichs. 2019-08-05 This volume contains the collected papers of Albert Henrichs on numerous subjects in ancient Greek myth and religion. What was ancient Greek religion really like? What is the reality of belief and action that lies behind the unwieldy sources, which stem from vast areas and epochs of the ancient world? What is the meaning, intended and otherwise, of religious action and speech in ancient Greece? Who were the Greek gods, how were they worshipped, and how were they viewed by those who worshipped them? One of the leading students of ancient Greek religion over the past five decades, Albert Henrichs, the Eliot Professor of Greek Literature at Harvard University, combines wide and deep learning, a pragmatic, incisive approach to the sources, and an apt use of comparative perspectives. Henrichs breaks new ground in discussing sacrifice, libation, cultic identity, religious action and speech, epiphany, and the personalities of the gods. Special attention is devoted to ancient Greek sources on the ancient Persian prophet Mani, founder of Manichaeism. As a group, Albert Henrichs' papers on Greek religion offer a basic education on Greek myth and religion and constitute a blueprint for serious study of the subject.
