If you are a student who needs books related to their subjects or a traveller who loves to read on the go, BookBoon is just what you want. It provides you access to free eBooks in PDF format. From business books to educational textbooks, the site features over 1000 free eBooks for you to download. There is no registration required for the downloads and the site is extremely easy to use. The store is easily accessible via any web browser or Android device, but you'll need to create a Google Play account and register a credit card before you can download anything. Your card won't be charged, but you might find it off-putting. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and*

Punishment, etc. Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs. Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. The Open Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and

subject. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. Open Culture is best suited for students who are looking for eBooks related to their course. The site offers more than 800 free eBooks for students and it also features the classic fiction books by famous authors like, William Shakespear, Stefen Zwaig, etc. that gives them an edge on literature. Created by real editors, the category list is frequently updated.
