**Chavs** Owen Jones.2020-10-27 In modern Britain, the working class has become an object of fear and ridicule. From Little Britain's Vicky Pollard to the demonization of Jade Goody, media and politicians alike dismiss as feckless, criminalized and ignorant a vast, underprivileged swathe of society whose members have become stereotyped by one, hate-filled word: chavs. In this acclaimed investigation, Owen Jones explores how the working class has gone from "salt of the earth" to "scum of the earth." Exposing the ignorance and prejudice at the heart of the chav caricature, he portrays a far more complex reality. The chav stereotype, he argues, is used by governments as a convenient figleaf to avoid genuine engagement with social and economic problems and to justify widening inequality. Based on a wealth of original research, *Chavs* is a damning indictment of the media and political establishment and an illuminating, disturbing portrait of inequality and class hatred in modern Britain. This updated edition includes a new chapter exploring the causes and consequences of the UK riots in the summer of 2011.

The Kindle Owners' Lending Library has hundreds of thousands of free Kindle books available directly from Amazon. This is a lending process, so you'll only be able to borrow the book, not keep it. If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you click the Buy button, the ebook will be sent to any Kindle ebook readers you own, or devices with the Kindle app installed. However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere. It's worth remembering that absence of a price tag doesn't necessarily mean that the book is in the public domain; unless explicitly stated otherwise, the author will retain rights over it, including the exclusive right to distribute it. Similarly, even if copyright has expired on an original text, certain editions may still be in copyright due to editing, translation, or extra material like annotations. To stay up to date with new releases, Kindle Books, and Tips has a free email subscription service you can use as well as an RSS feed and social media accounts. A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality.
