Two Wedding Crashers Meghan Quinn.2018-03-11 A wild, sexy, and heart-filled adventure of two strangers who meet in the most unlikely of places. This laugh out loud and heartwarming romantic comedy from bestselling author Meghan Quinn will keep you on the edge of your feet as you fall in love with the second book in the Dating by Numbers Series. ****CAN BE READ AS A STANDALONE**** I don't know what love is anymore. Well, that's not entirely true, but I'm going to tell you a little secret: I've lost the spark. You know the kind of spark I'm talking about? Where butterflies take flight in your stomach from two hands innocently colliding. Or catching your breath when you first meet someone attractive. Yeah, that spark. Except I haven't felt that feeling in forever; there is nothing left inside of me. Normally, this wouldn't be a problem--but I'm a writer on a serious deadline, and my editor is breathing down my neck for a romantic, Nicholas Sparks type love story. No pressure, right? That's how I find myself flying across the country to crash a wedding in the name of research, dress and heels stuffed into my small suitcase. It should be the easiest book research ever. Drinking some free champagne, basking in the love of two strangers, and tapping into my romantic side. That'll be a breeze. I'm a pro. I can handle this. Until I mistakenly end up in the wrong hotel room, naked as the day I was born, with the sexiest human I have ever met staring me down, wondering what I'm doing taking a shower in his bathroom. I don't think calling it research will get me out of this mess. But it will make for one hell of a story.

The Night Circus Erin Morgenstern.2011-09-13 #1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • Part love story, part fable ... defies both genres and expectations. —The Boston Globe The circus arrives without warning. No announcements precede it. It is simply there, when yesterday it was not. Within the black-and-white striped canvas tents is an utterly unique experience full of breathtaking amazements. It is called *Le Cirque des Rêves*, and it is only open at night. But behind the scenes, a fierce competition is underway: a duel between two young magicians, Celia and Marco, who have been trained since childhood expressly for this

purpose by their mercurial instructors. Unbeknownst to them both, this is a game in which only one can be left standing. Billionaire Baby Daddy Jenny Rose.2016-10-19 When I went out for my twenty-first birthday, all I wanted was a few drinks and a night out with my friends but what I ended up with was so much more than what I'd expected. A night of frivolity with the girls soon ended up being a night to remember when we were invited to the VIP area of the hottest club in town to see my favorite DJ and when I met him, I knew my life would never be the same. A one night stand and a year later, I found myself raising a beautiful baby boy by myself and though he was the greatest blessing I'd ever received, money was tight and times were getting pretty hard, but I was managing. As luck would have it, I ran into Trent Mandrake one day as I was walking and after a brief conversation, I informed him of his child. His reaction was the absolute worst and after the uncomfortable encounter, he handed me a business card and informed me that he wanted me to have a paternity test done and then we could handle things from there. After the test, he made it clear that he didn't want anything to do with us but would help out financially and that was better than nothing at this point, but I wanted my son to have his father. I wondered if there were any way that Trent and I could ever make some sort of relationship possible and the more that I saw him, the more I wanted to be near him. Could things between the rich and arrogant philanthropist ever work out or would I always just be another bill that he had to pay? Could we ever find that spark that we had on the night we met or was I doomed to want him from afar and be doomed to forever just be nothing more than his son's mother?

The Road Cormac McCarthy.2007-03-20 WINNER OF THE

PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, each the other's world entire, are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

My Father's Dragon (Illustrated) Ruth Stiles

Gannett.2019-06-24 *My Father's Dragon* is a children's novel about a young boy, Elmer Elevator, who runs away to Wild Island to rescue a baby dragon. The narrative mode is unusual, in that the narrator refers to the protagonist only as my father, giving the impression that this is a true story that happened long ago. The novel was made into an anime film titled, *Elmer's Adventure: My Father's Dragon*, alongside a new animated film to be released in 2021 on Netflix. Excerpt: One cold rainy day when my father was a little boy, he met an old alley cat on his street. The cat was very drippy and uncomfortable so my father said, Wouldn't you like to come home with me? This surprised the

cat—she had never before met anyone who cared about old alley cats—but she said, I'd be very much obliged if I could sit by a warm furnace, and perhaps have a saucer of milk.

House of Leaves Mark Z. Danielewski.2000-03-07 “A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious.” —The New York Times Years ago, when *House of Leaves* was first being passed around, it was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

Stroked Meghan Quinn.2016-07-16 Reese King: Olympic medalist, underwear model, Greek god.His body is chiseled from rock, sculpted by the weight room, and refined by water.On a daily basis his skin is completely bare for everyone to see, tan and defined, only covered up by a minuscule piece of spandex. There is no denying his sex appeal.I hate to admit it, but I'm head over heels infatuated with him.There is one HUGE problem though. His achingly gorgeous abs, inked up arm, and cocky swagger belong to my boss, the high-profile, reality star bitch from hell and certified heinous human being, Bellini Chambers.What I think is going to be an easy job assisting a glorified wench turns into a cluster f*ck of epic proportions.

Dreamland Burning Jennifer Latham.2017-02-21 A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.

Boss Baby Daddy Claire Adams. One mistake will haunt her forever, especially when the father finds out... Work romances are

never a smart idea. Especially not when one of them is the well-known anchor of a very popular news show. Jason Bowman is in the prime of his life but when his head writer finally decides she just can't put up with him anymore he spirals out of control. Shelby Aster has had enough and makes a change, but one mistake will haunt her forever, especially when the father finds out. Can these two put aside past arguments and become a family.

Among the Hidden Margaret Peterson Haddix.2002-06-12 In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

[The David Story: A Translation with Commentary of 1 and 2](#)

Samuel Robert Alter.2009-10-21 A masterpiece of contemporary Bible translation and commentary.—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his

life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays. *Choosing the Wrong Baby Daddy 2* Sophia Jenkins. Desiree is torn between her feelings for Rashad and Tyrell ever since Tyrell stepped up to be a better father. Kendra plans to stop at nothing to keep Desiree as far away from her baby's daddy as possible. Her efforts work, and Desiree gives up on her relationship with Rashad and decides to marry Tyrell—even though she still loves the “King of Houston.” She wants to make her family with Tyrell work, but a new addition to their family just may split them up.
