Twelve Years a Slave Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle

'Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Sad Songs and Gray Dresses Ruth Mini.2019-06-05 Remember back in high school when things seem so perfect, and then they go horribly wrong. Jane is struggling to cope with her parents' recent divorce, but starts to feel happy again as she falls in love with the perfect guy. Jane and Adam have spent a lot of time together, but never had a friendship with each other. One day that all changes and they go from strangers to lovers. Jane is tempted by a new guy at school who is in the grade below her. He is intelligent and great at acting just like her. Jane will have to choose whom she likes more before it's too late. This story is proof that when you love someone, tell them because they can slip away before you have a chance to say I love you too.

Three Years in Mississippi James Meredith. 2019-02-15 On October 1, 1962, James Meredith was the first African American student to enroll at the University of Mississippi. Preceded by violent rioting resulting in two deaths and a lengthy court battle that made it all the way to the Supreme Court, his admission was a pivotal moment in civil rights history. Citing his divine responsibility to end white supremacy, Meredith risked everything to attend Ole Miss. In doing so, he paved the way for integration across the country. Originally published in 1966, more than ten years after the Supreme Court ended segregation in public schools in *Brown v. Board of Education*, Meredith describes his intense struggle to attend an all-white university and break down long-held race barriers in one of the most conservative states in the country. This first-person account offers a glimpse into a crucial point in civil rights history and the determination and courage of a man facing unfathomable odds. Reprinted for the first time, this volume features a new introduction by historian Aram Goudsouzian.

The Routledge Companion to Dramaturgy Magda Romanska.2014-08-07 Dramaturgy, in its many forms, is a fundamental and indispensable element of contemporary theatre. In its earliest definition, the word itself means a comprehensive theory of play making. Although it initially grew out of theatre, contemporary dramaturgy has made enormous advances in recent years, and it now permeates all kinds of narrative forms and structures: from opera to performance art; from dance and multimedia to filmmaking and robotics. In our global, mediated context of multinational group collaborations that dissolve traditional divisions of roles as well as unbend previously intransigent rules of time and space, the dramaturg is also the ultimate globalist: intercultural mediator, information and research manager, media content analyst, interdisciplinary negotiator, social media strategist. This collection focuses on contemporary dramaturgical practice, bringing together contributions not only from academics but also from prominent working dramaturgs. The inclusion of both means a strong level of engagement with current issues in dramaturgy, from the impact of social media to the ongoing centrality of interdisciplinary and intermedial processes. The contributions survey the field through eight main lenses: world dramaturgy and global perspective dramaturgy as function, verb and skill dramaturgical leadership and season planning production dramaturgy in translation adaptation and new play development interdisciplinary dramaturgy play analysis in postdramatic and new media dramaturgy social media and audience outreach. Magda Romanska is Visiting Associate Professor of Slavic Languages and Literatures at Harvard University, Associate Professor of Theatre and Dramaturgy at Emerson College, and Dramaturg for Boston Lyric Opera. Her books include *The Post-Traumatic Theatre of Grotowski and Kantor* (2012), *Boguslaw Schaeffer: An Anthology* (2012), and *Comedy: An Anthology of Theory and Criticism* (2014).

Perfumes Luca Turin,Tania Sanchez.2010-08-06 'I've long wished perfumery to be taken seriously as an art, and for scent critics to be as fierce as opera critics, and for the wearers of certain fragrances to be hissed in public, while others are cheered. This year has brought *Perfumes: The Guide* by Luca Turin and Tania Sanchez, which I breathed in, rather than read, in one delighted gulp.' Hilary Mantel, *Guardian* *Perfumes: The Guide* is the culmination of Turin's lifelong obsession and rare scientific flair and Sanchez's stylish and devoted blogging about every scent that she's ever loved and loathed. Together they make a fine and utterly persuasive argument for the unrecognised craft of perfume-making. Perfume writing has certainly never been this honest, compelling or downright entertaining.

Sign Bilingualism Carolina Plaza Pust,Esperanza Morales López.2008 This volume provides a unique cross-disciplinary perspective on the external ecological and internal psycholinguistic factors that determine sign bilingualism, its development and maintenance at the individual and societal levels. Multiple aspects concerning the dynamics of contact situations involving a signed and a spoken or a written language are covered in detail, i.e. the development of the languages in bilingual deaf children, cross-modal contact phenomena in the productions of child and adult signers, sign bilingual education concepts and practices in diverse social contexts, deaf educational discourse, sign language planning and interpretation. This state-of-the-art collection is enhanced by a final chapter providing a critical appraisal of the major issues emerging from the individual studies in the light of current assumptions in the broader field of contact linguistics. Given the interdependence of research, policy and practice, the insights gathered in the studies presented are not only of scientific interest, but also bear important implications concerning the perception, understanding and promotion of bilingualism in deaf individuals whose language acquisition and use have been ignored for a long time at the socio-political and scientific levels.

An Obedient Father Akhil Sharma.2022-07-12 Revised and featuring a new foreword by the author, this uncompromising novel returns, more powerful than ever: A portrait of a country ravaged by vendetta and graft, its public spaces loud with the complaints of religious bigots and its private spaces cradling unspeakable pain. (Hilary Mantel, New York Review of Books) *An Obedient Father* introduced one of the most admired voices in contemporary fiction. Set in Delhi in the 1990s, it tells the story of an inept bureaucrat enmired in corruption, and of the daughter who alone knows the true depth of his crimes. Decried in India for its frank treatment of child abuse, the novel was widely praised elsewhere for its compassion, and for a plot that mingled the domestic with the political, tragedy with farce. Yet, as Akhil Sharma writes in his foreword to this new edition, he was haunted by what he considered shortcomings within the book: almost twenty years later, he returned to face them. Here is the result, a leaner, surer version with even greater power.

Handbook of Vocational Education and Training Simon McGrath,Martin Mulder,Joy Papier,Rebecca Suart.2019-07-29 This handbook brings together and promotes research on the area of vocational education and training (VET). It analyzes current and future economic and labor market trends and relates these to likely implications for vocational education and training. It questions how VET engages with the growing power of human development approaches and with the sustainable development agenda. Equity and inclusion are discussed in a range of ways by the authors and the consideration of the construction of these terms is an important element of the handbook. It further addresses both the overall notion of system reform, at different scales, and what is known about particular technologies of systems reform across a variety of settings. Vocational learning and VET teacher/trainer education are discussed from a comparative perspective. National and comparative experiences are also shared on questions of equity and efficiency in funding in terms of those that fund and are funded, and for a range of funding methodologies. As well as reviewing existing gaps, this handbook is looking forward in identifying promising new directions in research and environment. Areas covered: The Changing World of Work | Editors: Margarita Pavlova and Salim Akoojee Skills for Sustainable Human Development | Editor: Lesley Powell Planning and Reforming Skills Systems | Editor: Robert Palmer Private Training Markets | Editors: Michael Gessler, Larissa Freund and Susanne Peters Vocational Learning | Editors: Karen Evans and Natasha Kersh Competence and Excellence | Editor: Kirby Barrick Measuring Learning and Instructional Performance | Editor: Esther Winther Supporting Learners | Editor: Joy Papier VET Teacher/Trainer Education | Editor: Volker Wedekind
