The Evangelical's Guide to Spiritual Warfare Charles H. Kraft.2015-02-10 Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you: · Differentiate between myths and truths about spiritual warfare · Recognize the everyday battles taking place around you · Learn what demons really are and what they actually do · Understand the rules for engaging the enemy · Achieve victory in daily battles with the help of the Holy Spirit Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. This book is a must-read for anyone looking to engage in spiritual warfare. --Larry Richards, author of *The Full Armor of God* Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free.--Tim Howard, president and founder, Wellsprings of Freedom International For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ.--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare.--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church.--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat.--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical.--John Shultz, Ph.D., president, Ashland Theological Seminary

Combat! Dennis L. Peterson.2020-02-07 Practical principles, with illustrations from military history, for winning spiritual battles and living a victorious Christian life In the Christian life, one fact is crystal clear: we are at war. It involves every Christian-and collectively the entire Church-and it is a holy war. It does not involve physical combat; it is against spiritual enemies. It is a hard-fought war, demanding everything a believer has and is. But it is also a war that has already been won, for the battle is the Lord's, and He long ago determined the outcome. But to do their part in this war, individual believers must engage the spiritual enemies with the weapons and equipment with which God has endowed them. And we must defeat the enemy using the organization that God has provided. We must follow His command-and-control system, get our necessary supplies using the logistical system He has provided, employ His intelligence network that reveals the enemy's methods, and follow the strategy and tactics that Jesus Christ, our Commander-in-Chief, has determined for our combat. If we do, we will live victorious and joyous lives, fulfilling our God-given purpose in this life. We can learn about all of this through God's Word, but His truths are also illustrated through the events that have occurred in human military history. This book uses both, surveying the military history of Israel from Abram's operation to rescue Lot through the fall of Jerusalem and examining our spiritual warfare in the light of military history and modern military organization.

Spiritual Warfare John A. Jackson.2005-07 When we are grieving, religious clichés and sentimental books with flowery scripts may be weak medicine. The existence of an afterlife cannot be proved, we tell ourselves. Belief in an afterlife must remain forever in the misty realm of faith, we tell ourselves. We need not rely entirely on blind faith, however. This Day in Paradise: Contemporary and Historical Evidence of Life After Death brings that misty realm of faith into sharper focus and shows, clearly and methodically, that good modern scientific technique is confirming what many religions and individuals have been teaching for thousands of years that the person, with all of his or her uniqueness, continues to live after bodily functions cease. From the Bible to the Tibetan Book of the Dead, from Christianity to Zoroastrianism, the components of death have been largely consistent with the findings of modern studies. For those who cannot bring themselves to believe in an afterlife, this book offers a credible epiphany. For those who have always believed, this book offers a welcome confirmation. And for those who are suffering, this book offers the soothing balm of a hope based on fact.

The Heart of Spiritual Warfare Darrin Lauder.2011-02 The subject of Spiritual Warfare must become common place if unsuspecting souls are to avoid major disaster in the mind of this author. Presently and at best this subject is designated peripheral and perhaps trivial and at worst hardly mentioned or dismissed as irrelevant. This book presents a biblical view of this important subject with the thesis and conclusion that it deserves greater prominence in the life of every living soul. This is because there are other crucial teachings tied so intricately to what effects all people like that of faith, apostasy and perseverance. While one could argue faith and apostasy are only matters for those who are religious everyone recognizes the need to persevere through life. And people of faith realize the need to endure to attain life. The emphasis of this author and those who have gone before him see good cause to review this topic of Spiritual Warfare and consider carefully whether it belongs in a daily practical sense with the essentials of the Christian faith. Essentials have always been recognized as beliefs that effect ones salvation or eternal well-being. The Bible from beginning to end addresses a people who must battle to receive a portion and inheritance promised by God. It is to those whom He calls to Himself and who show themselves to be His chosen people that He designates `overcomers'. The Scripture breaks down the whole of the human race into two major groups of people variously defined. The seed of the woman and the seed of the serpent are the children of God and those of the devil. The former are attacked by the latter and their only means of true spiritual defense is to trust the Lord and live out the will of God. This activity not only sifts and seals the destiny of those, who do so and those who deny God, in the respective categories previously stated but this warfare shapes and distinguishes those worthy of a heavenly inheritance and an everlasting reward. The author endeavors to present a compelling case that Spiritual Warfare is intricately tied to the soul's eternal destiny and thus deserves greater ascendancy in

Christian teaching. He claims because of its practical influence towards integrity and eternal salvation or its neglect to hypocrisy and Hell's unending fire. Character matters and what one believes about eternity, spiritual battles and the devil's part in the world pertaining to those things will find this book a true help.

Principles of War Jim Wilson.2009 In the study of warfare, great men have concluded that there are some overriding principles which, if followed, will always tend toward success in battle, and if neglected or ignored, will tend toward defeat or even destruction. These principles have been entitled the principles of war. But not all warfare is waged on a battlefield: every Christian is called to be a soldier. Our fight is against Satan, our objective is the acknowledgment and fulfillment of God's commands, and our ammunition is the power of the Holy Spirit. In Principles of War Jim Wilson outlines the time-tried, fundamental principles of war and explains how we can employ them in our daily spiritual battles as we fight a war which our commander in chief has already won for us. Jim Wilson has worked as a pastor and director of Community Christian Ministries (Moscow, Idaho) for over thirty-five years. Before that, he served in the Navy as an officer for nine years and then with Officer's Christian Fellowship for another twelve years. Jim has authored a number of books (including How to Be Free from Bitterness) and is well-known for his practical Bible teaching on relationships and evangelism. Understanding Spiritual Warfare Apostle Sharon E. Harris.2020-07-22 The information in this book will change a church, a ministry, and the individual reader himself. Understanding spiritual warfare is as important as a country knowing how to fight and survive the attacks from another country. We are in an epic war for our lives, our marriages, our ministry, our relationships, our country, our cities and states, and the list goes on because Satan, the enemy of our souls, is strategizing assaults against us, and he aims at striking every aspect of our lives. If it can affect us, he will strike at it. This book has great insights into the spiritual realm, Satan's war room tactics, God's war manual, and our position in Christ. We get a glimpse into the unseen world through the eyes of the Holy Spirit. We must no longer suffer defeat and remain in bondage. This book is an eye-opener because the information it contains are Holy Ghost inspired.

Spiritual Warfare Ron Hordyk.2020-01-06 In the past, people theorized the existence of microbes. Yet microbes did exist and affected the life and death of mankind. Today many people deny the existence of the spiritual realm. To ignore the spiritual does not prevent us from being manipulated by it, but to understand the spiritual realm and its governing principles will provide freedom through the ultimate spiritual being, Jesus Christ. Ron joined the military at the age of seventeen with the hope of adventure. On the flight to boot camp, he heard God's voice: Ron, are you going to live the rest of your life for yourself, or are you going to live for Me? By the time the plane landed, Ron had made Christ both his Savior and Lord. During his time in the military, he was nicknamed reverend

because of the radical change in his attitude, behavior, and character. After an honorable discharge, Ron has endeavored to serve his Lord Jesus Christ in instant, absolute obedience. Christians first recognized Ron's prophetic gift while he was working in the inner city. His heart was broken by the church's apathy to the poor and by their conformity to the world. The Bible defines the gift of prophecy: And if I have the gift of prophecy, and know all mysteries and all knowledge; ...but do not have love, I am nothing. (1Co.13:2 NIV) The gift of a prophet is used to reveal God's truth and will to man. In *Spiritual Warfare: Rules of Engagement*, Ron shares the truths that he has learned concerning the spiritual realm. When Ron was eighteen years old, he cast out a demon from a woman in a Spanish slum. While destroying spiritual strongholds in an animistic country, he was visibly confronted by a demon, which he commanded to leave. The Bible teaches the truth, and when it is applied to our lives, we will be set free. Ron's life has been committed to sharing the transforming truths of God's Word in the hope that Christians will be freed from the bondage of sin and Satan.
