**Calum's Road** Roger Hutchinson.2011-05-01 'An incredible testament to one man's determination' - The Sunday Herald Calum MacLeod had lived on the northern point of Raasay since his birth in 1911. He tended the Rona lighthouse at the very tip of his little archipelago, until semi-automation in 1967 reduced his responsibilities. 'So what he decided to do', says his last neighbour, Donald MacLeod, 'was to build a road out of Arnish in his months off. With a road he hoped new generations of people would return to Arnish and all the north end of Raasay'. And so, at the age of 56, Calum MacLeod, the last man left in northern Raasay, set about single-handedly constructing the 'impossible' road. It would become a romantic, quixotic venture, a kind of sculpture; an obsessive

work of art so perfect in every gradient, culvert and supporting wall that its creation occupied almost twenty years of his life. In Calum's Road Roger Hutchinson recounts the extraordinary story of this remarkable man's devotion to his visionary project.

*In-Yer-Face Theatre* Aleks Sierz.2014-10-23 The most controversial and newsworthy plays of British theatre are a rash of rude, vicious and provocative pieces by a brat pack of twentysomethings whose debuts startled critics and audiences with their heady mix of sex, violence and street-poetry. In-Yer-Face Theatre is the first book to study this exciting outburst of creative self-expression by what in other contexts has been called Generation X, or Thatcher's Children, the 'yoof' who grew up during the last Conservative Government. The book argues that, for example, *Trainspotting*, *Blasted*, *Mojo* and *Shopping and F\*\*king* are much more than a collection of shock tactics - taken together, they represent a consistent critique of modern life, one which focuses on the problem of violence, the crisis of masculinity and the futility of consumerism. The book contains extensive interviews with playwrights, including Sarah Kane (*Blasted*), Mark Ravenhill (*Shopping and F\*\*king*), Philip Ridley (*The Pitchfork Disney*), Patrick Marber (*Closer*) and Martin McDonagh (*The Beauty Queen of Leenane*).

*Someone Who'll Watch Over Me* Frank McGuinness.1992 There was once an Englishman, an Irishman and an American - locked up together in a cell in the Middle East. As victims of political action, powerless to initiate change, what can they do, how do they pass the time, and how do they survive? This play investigates.

**Paedophilia and Child Sexual Abuse in Drama and Theatre** Daniel Meyer-Dinkgräfe, Amanda M. Young-Hauser.2019-01-10 In many Western countries, numerous instances of cases of historical and present-day sexual abuse of children (Child Sexual Abuse, CSA) have made the headlines across the entire range of media. These cases are discussed variously as paedophilia and child sexual abuse. In the heat of the debate, concepts and related terminology tend to become at best vague, and there is much in the way of sheer sensationalism. Altogether, a hazy cloud of facts and fiction has been created around paedophilia in its relation to CSA. This book adds to the very urgently needed enhanced level of understanding by analysing the nature of paedophilia and its relation to CSA as they have been depicted and dealt with in contemporary British and American drama and theatre. Drawing on the plays and their reviews allows it to illustrate the ambiguity of paedophilia and child sex abuse, and to ask questions that are not often uttered and not easily answered.

**The Most Humane Way to Kill A Lobster** Duncan Macmillan.2012-08-14 You put it in the freezer, so when you transfer it to the boiling water it doesn't feel a thing. I suppose that this is how I've felt recently. I've been in some deep freeze and suddenly I can feel steam in my face, I'm falling headlong into scalding water. It's 2005, the sun is shining and Loretta is planning to make her daughter's favourite meal. But when Sophie stops talking to her, children start vanishing, and rooms begin to cry, Loretta can't help feeling that something is up and that she might have something to do with it. A play about one woman's journey back to her childhood, to stop her past flooding into the present.

**The Slab Boys Trilogy** John Byrne.2015-04-16 Spanning the 1950s to the 70s, the plays capture the rebellious mood of a post-war generation growing up to a backdrop of James Dean, Elvis, sharp-suited glamour, hope and despair. John Byrne takes the slab room he worked in and makes it pure theatre: the scams, the dreams, the aloof but gorgeous girl, the despair of life back home, the obligatory tormenting of the office 'weed', and the mandatory boy chat and pranks all help the day to pass. Phil and Spanky explode onto the stage in a classic vaudeville double-act. Now considered one of Scotland's defining literary works of the twentieth century, the Slab Boys Trilogy premiered at the Traverse back in the late 1970s and early 80s taking Scotland, then Britain, and then Broadway quickly by storm.

**Critical Metals Handbook** Gus Gunn.2014-01-06 Mankind is using a greater variety of metals in greater quantities than ever before. As a result there is increasing global concern over the long-term availability of secure and adequate supplies of the metals needed by society. Critical metals, which are those of growing economic importance that might be susceptible to future scarcity, are a particular worry. For many of these we have little information on how they are concentrated in the Earth's crust, how to extract them from their ores, and how to use, recycle and dispose of them effectively and safely. Published with the British Geological Survey, the Critical Metals Handbook brings together a wealth of knowledge on critical metals and provides a foundation for improving the future security and sustainability of critical metal supplies. Written by international experts, it provides a unique source of authoritative information on diverse aspects of the critical metals, including geology, deposits, processing, applications, recycling, environmental issues and markets. It is aimed at a broad non-specialist audience, including professionals and academics working in the exploration and mining sectors, in mining finance and investment, and in mineral processing and manufacturing. It will also be a valuable reference for policy makers concerned with resource management, land-use planning, eco-efficiency, recycling and related fields.

Men Should Weep Ena Lamont Stewart.1994 Written for Glasgow Unity in 1947, this extraordinarily moving play of women surviving in the east end of Glasgow of the 1930s was revived by 7:84 Company to tremendous critical acclaim. It finds in the lives of Maggie, her family and her neighbours not only all the tragedy that appalling housing, massive unemployment and grinding poverty can produce, but also a rich vein of comedy - the sense of the ridiculous, the need for a good laugh.

*Ken Ludwig's The Fox on the Fairway* Ken Ludwig.2011 A tribute from Ken Ludwig (Lend me a tenor, Moon over Buffalo) to the great English farces of the 1930s and 1940s, *The fox on the fairway* takes audiences on a hilarious romp which begins as Quail Valley Country Club prepares to take on arch rival Crouching Squirrel in the Annual Inter-Club Golf Tournament. With a sizable wager at stake, the contest plays out amidst three love affairs, a disappearing diamond, objectionable sweaters and an exploding vase. A charmingly madcap adventure about love, life, and man's eternal love affair with-- golf--P. [4] of cover.

**Knives in Hens** David Harrower.2017-10-26 'I have no name for the thing which is in my head. It is not envy. It is more than envy. It does not scare me. I must look close enough to look at what it is.' A ploughman and his wife live a simple existence in a pre-industrial time until they, along with the hated local miller, are drawn into a struggle of knowledge, power and attraction. David Harrower's haunting play established him as one of the UK's leading contemporary playwrights. This new edition is published to coincide with the new production of this tense modern classic at the Donmar Warehouse in August 2017, directed by Yaël Farber.

**Presence** David Harrower.2001 'We've got nothing to learn from anyone. We are who we are. We do what we do. No-one else can touch us' - except, that is, the horrific past of a city where human fat once ran in the gutters, the city ablaze. Homesick, but fame-crazed, a group of Liverpoolian lads are about to become part of Hamburg's history forever. *Presence* premiered at the Royal Court Theatre, London, in April 2001.

*End Of The Rainbow* Peter Quilter.2014-07-10 Musical drama of Judy Garland's come-back concerts Christmas 1968: with a six week booking at London's Talk of the Town, it looks like Judy Garland is set firmly on the comeback trail. The failed marriages, the suicide attempts and the addictions are all behind her. At forty-six and with new flame Mickey Deans at her side, she seems determined to carry it off and recapture her magic. But lasting happiness always eludes some people, and there was never any answer to the question with which Judy ended every show: If happy little bluebirds fly

beyond the rainbow, why, oh, why, can't I? End of the Rainbow is a savagely funny drama featuring a glorious ensemble of Judy Garland hits and infused with the glamour and the melancholy of stardom. Every note she sings, every racket she makes, every tear she sheds, every joke she cracks, every pill she pops - is conveyed with alarming honesty. This knockout portrait of a living catastrophe should not be missed. What's On Published to tie-in with the premiere at the Sydney Opera House in July 2005
