LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains. Users can easily upload custom books and complete e-book production online through automatically generating APK eBooks. Rich the e-books service of library can be easy access online with one touch. Each book can be read online or downloaded in a variety of file formats like MOBI, DJVU, EPUB, plain text, and PDF, but you can't go wrong using the Send to Kindle feature. As you'd expect, free ebooks from Amazon are only available in Kindle format - users of other ebook readers will need to convert the files - and you must be logged into your Amazon account to download them. The site itself is available in English, German, French, Italian, and Portuguese, and the catalog includes books in all languages. There's a heavy bias towards English-language works and translations, but the same is true of all the ebook download sites we've looked at here. BookGoodies has lots of fiction and non-fiction Kindle books in a variety of genres, like Paranormal, Women's Fiction, Humor, and Travel, that are completely free to download from Amazon. Kindle Buffet from Weberbooks.com is updated each day with the best of the best free Kindle books available from Amazon. Each day's list of new free Kindle books includes a top recommendation with an author profile and then is followed by more free books that include the genre, title, author, and synopsis. At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines. Still not a terrible deal!
