**The Traitor** Sydney Horler.2015-11-03 Spy thriller fiction written in the Golden Age of Murder War is coming—and that means our secret agents must get busy. August 1918. On his way to the Western Front, Captain Alan Clinton spends a night in Paris with a young Frenchwoman, Marie Roget. Seduced by Marie's charms, Clinton discloses British military secrets—with disastrous consequences. Seventeen years later. The central European state of Ronstadt is ruled by the ruthless dictator Kuhnreich, and Europe is inching towards another war. Clinton's son Bobby travels to Europe as the political situation grows tenser, and seems dangerously close to repeating the sins of his father—leaving only his girlfriend to prove his innocence in a race against time. This new edition of *The Traitor* gives contemporary readers a long overdue chance to rediscover an early thriller that is plotted with dash and verve—a novel that helps to explain the author's phenomenal popularity in his own time.

Hymns, Original and Selected (Classic Reprint) J. F. Elwin.2018-03-05 Excerpt from Hymns, Original and Selected Whilst we may desire that there should be more union of mind and judgment in matters of doctrine and worship, and upon the subject of books of praise and divine song, a different view may be taken of the numberless Hymn Books extant. We may readily see that there is, in our day - together with its new openings of thought, and its varied tendencies - a decided spirit of worship, of devotion, and of communion with God; these find their expression in the publication of all kinds of Hymns, and of every variety of selections. The service of song was an important one in Jewish times. David gave great attention to it during his reign. In the present age, especially in the later centuries, much care has been bestowed upon this branch of worship. Doubtless the use of psalms, and hymns, and spiritual songs, was common in, the Apostles' days. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. **Harmonia Sacra** Joseph Funk.2011 The *Harmonia Sacra* is a hymn book of renown. In 1832 a Mennonite named Joseph Funk published a songbook that had a profound influence on Mennonite

singing for generations. Its name, Genuine Church Music, indicated the compiler's intention that the contents be songs that, in his words, have stood the test of time and survived the changes of fashion. Its distinctively shaped notes of the fasola system linked it with dozens of songbooks published in America at the time to encourage musical literacy. The variety of musical content, ranging from simple psalm tunes and American folk melodies to complex early American anthems, offered ideal materials for singing schools. The Harmonia Sacra is still used in old folks' all-day singings in Rockingham and adjacent areas. In fact, this edition is the revised Legacy Edition, making it the twenty-seventh edition of The Harmonia Sacra.
