Émigré Journeys 'Abdullāh Ḥusain.2000 First novel in English by the best known Urdu novelist. Byomkesh Bakshi Śaradindu Bandyopādhyāya.2003 Detective fiction has never lacked devoted fans. The undying popularity of Sherlock Holmes and Hercule Poirot vouch for that fact. In the early thirties, a detective by the name of Byomkesh Bakshi made an unobtrusive entry into the world of Bengali fiction. He preferred calling himself a satyanneshi, a seeker of truth and within days was a household name, courtesy his cerebral skills and the exciting situations he found himself in. In the tradition of Doyle and Christie, Byomkesh is accompanied on his adventures by his friend, Ajit, Slightly obtuse and the perfect foil to him.

Lone Star Noir Bobby Byrd, Johnny Byrd.2010-10-19 "Traverses Texas, finding evidence of the hard boiled, sultry, and disreputable throughout the state . . . Think of the book as a sort of criminal travelogue." —Booklist If everything is bigger in Texas, then that includes the boldness of the criminals who call the state home. From large urban centers to the Cajun Gulf coast, there is big money to be made running guns, drugs, and catering to the greedy and disillusioned. Each distinctive region can claim its own special brand of outlaw. In *Lone Star Noir*, you'll find stories by James Crumley, Joe R. Lansdale, Claudia Smith, Ito Romo, Luis Alberto Urrea, David Corbett, George Wier, Sarah Cortez, Jesse Sublett, Dean James, Tim Tingle, Milton T. Burton, Lisa Sandlin, Jessica Powers, and Bobby Byrd. "This isn't J.R. Ewing's Lone Star State. This is the Texas of chicken shit bingo, Enron scamsters, and a feeling that what happens in Mexico stays in Mexico . . . So what defines Texas noir? Who knows, but you better pray that blood doesn't stain your belt buckle." —The Austin Chronicle

Witnessing Partition Tarun K. Saint.2019-08-13 This book interrogates representations - fiction, literary motifs and narratives - of the Partition of India. Delving into the writings of Khushwant Singh, Balachandra Rajan, Attia Hosain, Abdullah Hussein, Rahi Masoom Raza and Anita Desai, among many others, it highlights the modes of 'fictive' testimony that sought to articulate the inarticulate - the experiences of trauma and violence, of loss and longing, and of diaspora and displacement. The author discusses representational techniques and formal innovations in writing across three generations of twentieth-century writers in India and Pakistan, invoking theoretical debates on history, memory, witnessing and trauma. With a new afterword, the second edition of this volume draws attention to recent developments in Partition studies and sheds new light as regards ongoing debates about an event that still casts a shadow on contemporary South Asian society and culture. A key text, this is essential reading for scholars, researchers and students of literary criticism, South Asian studies, cultural studies and modern history.

The Dragon Can't Dance Earl Lovelace.2022-12-22 'A landmark, not in the West Indian, but in the contemporary novel.' C. L. R. James 'First-class talent.' The Voice Trinidad, 1970s. Calvary Hill - poverty stricken and rubbish-strewn - is home to a community of people who come together during the joyful yearly town Carnival, becoming larger-than-life versions of themselves. But when it ends, and the strains of day-to-day life grow large, what happens to the peoples' hopes, and the feeling that 'all o' we is one'? With an unforgettable cast of characters, *The Dragon Can't Dance* is a stunning, classic novel of the desire for identity and belonging, alongside the legacies of a colonial past.

My Temples, Too Qurratul'ain Ḥaidar.2004 Partition, independence, democracy. This book tells the tale of the birth of two new nations, experienced in the lives -- and deaths of its young citizens. Set in Luknow of the 1940s, Qurratulain Hyder's masterly early novel is a story of kinship, intimate friendships and love in a context of political upheaval. Rakshanda, Peechu, Kiran, Salim, Christabel -- the youthful protagonists are idealistic and enthusiastic, fighting for a brave new world. With the turbulence of partition and independence, the quiet rhythms of domesticity are brutally disrupted. New animosities replace old loyalties, and the merry Gang of Lucknow is torn apart as the old order

begins to fragment.

The Mirror of Beauty Shamsur Rahman Faruqi.2014-03-21 It is the sunset of the Mughal Empire. The splendour of imperial Delhi flares one last time. The young daughter of a craftsman in the city elopes with an officer of the East India Company. And so we are drawn into the story of Wazir Khanam: a dazzlingly beautiful and fiercely independent woman who takes a series of lovers, including a Navab and a Mughal prince—and whom history remembers as the mother of the famous poet Dagh. But it is not just one life that this novel sets out to capture: it paints in rapturous detail an entire civilization. Beginning with the story of an enigmatic and gifted painter in a village near Kishangarh, *The Mirror of Beauty* embarks on an epic journey that sweeps through the death-giving deserts of Rajputana, the verdant valley of Kashmir and the glorious cosmopolis of Delhi, the craft of miniature painting and the art of carpet designing, scintillating musical performances and recurring paintings of mysterious, alluring women. Its scope breathtaking, its language beguiling, and its style sumptuous, this is a work of profound beauty, depth and power.

Problems in Twentieth Century French Philosophy Sean Bowden,Mark G. E. Kelly.2020-06-05 Read through the lens of a single key concept in twentieth-century French philosophy, that of the problem, this book relates the concept to specific thinkers and situates it in relation both to the wider history of philosophy and contemporary concerns. How exactly should the notion of problems be understood? What must a problem be in order to play an inaugurating role in thought? Does the word problem have a univocal sense? What is at stake - theoretically, ethically, politically, and institutionally - when philosophers use the word? This book addresses these and other questions, and is devoted to making historical and philosophical sense of the various uses and conceptualisations of notions of problems, problematics, and problematisations in twentieth-century French thought. In the process, it augments our understanding of the philosophical programs of a number of recent French thinkers, reconfigures our perception of the history and wider stakes of twentieth-century French philosophy, and reveals the ongoing theoretical richness and critical potential of the notion of the problem and its cognates. Working through the twentieth-century, and focussing on specific thinkers including Foucault and Deleuze, this book will be of interest to all scholars of French philosophy. This book was originally published as a special issue of *Angelaki*.

The Greatest Urdu Stories Ever Told Muhammad Umar Memon.2017 Selected and translated by writer, editor and translator par excellence Muhammad Umar Memon, the twenty-five stories in this book represent the finest short fiction in Urdu literature. In his Introduction, Memon traces the evolution of the Urdu short story from its origins in the work of writers like Munshi Premchand-'the first professional short story writer in Urdu'-through the emergence of the Progressives in the late 1930s, whose writings were unabashedly political and underpinned their Marxist ideologies, to the post-Independence 'Modernist' era, and today's generation of avant-garde, experimental writers of Urdu fiction. Every story in the anthology illustrates one or the other facet of the form in the Urdu literary tradition. But even more than for their formal technique and inventiveness, these stories have been included because of their power and impact on the reader. Death and poverty face off in Premchand's masterpiece

The Weary Generations Abdullah Hussein.2014-10-01 Published ahead of Paul Scott's Raj Quartet and long before *Midnight's Children*, Abdullah Hussein's ambitious saga of social struggle *The Weary Generations* was a bestseller in Urdu. Published in 1963 and now beyond its 40th edition, it has never been out of print. A vivid depiction of the widespread disillusionment and seismic upheavals of the Partition era that lead to the creation of Pakistan and Bangladesh, there has never been a more opportune time to discover one of the most important writings about the post-colonial trauma in the region. Naim, son of a peasant, marries Azra, the daughter of a rich landowner. Fighting for the British during World War I he loses an arm. Invalided home, he becomes angered at the subjugation of his countrymen under the Raj and aligns himself with the opposition. His ideals are swept away after Independence in 1947 when he realizes that, as Muslims, his family is no longer safe in their Indian home and that they must migrate to the newly created Pakistan. Regarded as one of the half-dozen most influential novels dealing with Partition or post-colonial malaise, this is

an immensely powerful novel in its own right and is essential reading for English language readers seeking to comprehend the historical origins of the tensions in the Indian subcontinent.

Dozakhnama Rabisankar Bal.2012-12-28 Dozakhnama: Conversations in Hell is an extraordinary novel, a biography of Manto and Ghalib and a history of Indian culture rolled into one. Exhumed from dust, Manto's unpublished novel surfaces in Lucknow. Is it real or is it a fake? In this dastan, Manto and Ghalib converse, entwining their lives in shared dreams. The result is an intellectual journey that takes us into the people and events that shape us as a culture. As one writer describes it, 'I discovered Rabisankar Bal like a torch in the darkness of the history of this subcontinent. This is the real story of two centuries of our own country.' Rabisankar Bal's audacious novel, told by reflections in a mirror and forged in the fires of hell, is both an oral tale and a shield against oblivion. An echo of distant screams. Inscribed by the devil's quill, Dozakhnama is an outstanding performance of subterranean memory.

River of Fire Qurratulain Hyder.2019-03-26 "Magisterial" (Pankaj Mishra, The New York Review of Books) and "to Urdu fiction what One Hundred Years of Solitude is to Hispanic literature" (TLS) The most important novel of twentieth-century Urdu fiction, Qurratulain Hyder's River of Fire encompasses the fates of four recurring characters over two and a half millennia. These characters become crisscrossed and strangely inseparable over different eras, forming and reforming their relationships in romance and war, in possession and dispossession. River of Fire interweaves parables, legends, dreams, diaries, and letters, forming a rich tapestry of history and human emotions and redefining Indian identity. But above all, it's a unique pleasure to read Hyder's singular prose style: "Lyrical and witty, occasionally idiosyncratic, it is always alluring and allusive: Flora Annie Steel and E. M. Forster encounter classical Urdu poets; Eliot and Virginia Woolf meet Faiz Ahmed Faiz" (The Times Literary Supplement).

The Politics of Modern Indian Language Literature MK Raghavendra.2024-04-16 Indian literature is produced in a wealth of languages but there is an asymmetry in the exposure the writing gets, which owes partly to the politics of translation into English. This book represents the first comprehensive political scrutiny of the concerns and attitudes of Indian language literature after 1947 to cover such a wide range, including voices from the cultural margins of the nation like Kashmiri and Manipuri, that of women alongside those of minority and marginalised communities. In examining the politics of the writing especially in relation to concerns like nationhood, caste, tradition and modernity, postcoloniality, gender issues and religious conflict, the book goes beyond the declared ideology of each writer to get at covert significations pointing to widely shared but often unacknowledged biases. The book is deeply analytical but lucid and jargon-free and, to those unfamiliar with the writers, it introduces a new keenness into Indian literary criticism to make its objects exciting.

Street Singers of Lucknow and Other Stories Qurratul'ain Ḥaidar.2008-01-01 This fascinating collection of short stories highlights the innovative genius of this iconoclastic writer as she moves from realism to the fabular, and from history to time-travel. In the title story, woven with social satire and melodrama, an itinerant entertainer becomes a well-known singer, eventually coming back to her Lucknow roots in a subdued, melancholy ending. A cast of characters entertain themselves with gossip and adultery in the lush tranquillity of the tea gardens of East Bengal. At the centre is a mercurial, identity-changing adventures, one who often appears in Hyder's fiction. Another is the memorable Eurasian, Catherine Bolton, who escapes her roots to achieve social success. This versatile writer takes imaginative native flight in unusual stories spanning decades, or even centuries. Her arsenal of techniques -- pastiche, satire, collage -- takes us to the place most important to her, the human heart in all its varied seasons.

River of Fire and Other Stories Chōnghūi O.2012 These nine stories range from O Chonghui's first published work in 1968 to one of her last publications in 1994. Later stories are more expansive, weaving eloquent, occasionally wistful reflections on lost love and tradition together with provocative explorations of sexuality and gender.

The Hospital Ahmed Bouanani.2018-06-26 A tour de force: an utterly singular modern Moroccan classic "When I walked through the large iron gate of the hospital, I must have still been alive..." So begins Ahmed Bouanani's arresting, hallucinatory 1989 novel *The Hospital*, appearing for the first time in English translation. Based on Bouanani's own experiences as a tuberculosis patient, the hospital begins to feel increasingly like a prison or a strange nightmare: the living resemble the dead; bureaucratic angels of death descend to direct traffic, claiming the lives of a motley cast of inmates one by one; childhood memories and fantasies of resurrection flash in and out of the narrator's consciousness as the hospital transforms before his eyes into an eerie, metaphorical space. Somewhere along the way, the hospital's iron gate disappears. Like Sadegh Hedayat's *The Blind Owl*, the works of Franz Kafka—or perhaps like Mann's *The Magic Mountain* thrown into a

meat-grinder—The Hospital is a nosedive into the realms of the imagination, in which a journey to nowhere in particular leads to the most shocking places.
