The split between "free public domain ebooks" and "free original ebooks" is surprisingly even. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories. Ebooks on Google Play Books are only available as EPUB or PDF files, so if you own a Kindle you'll need to convert them to MOBI format before you can start reading. If you are a book buff and are looking for legal material to read, GetFreeEBooks is the right destination for you. It gives you access to its large database of free eBooks that range from education & learning, computers & internet, business and fiction to novels and much more. That's not all as you can read a lot of related articles on the website as well. Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks. There are thousands of ebooks available to download legally - either because their copyright has expired, or because their authors have chosen to release them without charge. The difficulty is tracking down exactly what you want in the correct format, and avoiding anything poorly written or formatted. We've searched through the masses of sites to bring you the very best places to download free, high-quality ebooks with the minimum of hassle. With more than 29,000 free e-books at your fingertips, you're bound to find one that interests you here. You have the option to browse by most popular titles, recent reviews, authors, titles, genres, languages, and more. These books are compatible for Kindles, iPads and most e-readers. Since Centsless Books tracks free ebooks available on Amazon, there may be times when there is nothing listed. If that happens, try again in a few days. Most of the ebooks are available in EPUB, MOBI, and PDF formats. They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read. From romance to mystery to drama, this website is a good source for all sorts of free e-books. When you're making a selection, you can go through reviews and ratings for each book. If you're looking for a wide variety of books in various categories, check out this site.
