Amazon Cheap Reads for Kindle are completely free to download and enjoy. You'll find not only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two. Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by newest, rating, and minimum length. You can even set it to show only new books that have been added since you last visited. We understand that reading is the simplest way for human to derive and constructing meaning in order to gain a particular knowledge from a source. This tendency has been digitized when books evolve into digital media equivalent - E-Boo. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. Want to listen to books instead? LibriVox is home to thousands of free audiobooks, including classics and out-of-print books. Where to Get Free eBooks.
