I'm looking forward to your next one and thank you for a lovely read and an escape around the IOW.' 'All Mary Grand's books are great reading and her latest is no exception. I loved it!' 'Truly could not put this book down and read on into the night. The main character is determined to save the mystery of her friend's death and tho' she was unwisely outspoken, at risk and often wrong, her efforts bring dividends. A reader has no option but to stay with her all the way.' 'I especially liked how the author gradually peeled back the layers. Layers of secrets and lies. I don't know how many times I changed my mind about who the killer was. It was so well done, and I didn't guess whodunnit until the reveal. I really enjoyed it and plan to read more from this author in the future.'
