Diaries Volume 6: From Blair to Brown, 2005 - 2007 Alastair Campbell.2017-09-19 One might have thought Alastair Campbell would disappear from view as Gordon Brown moved from No. 11 to No. 10. Far from it. Having negotiated the rapprochement which led to Brown taking a central role in the 2005 election win, Campbell then became central to the transition from one Prime Minister to another. Many books have already been written about Brown and Blair, but none with the intimacy and the unique perspective of Alastair Campbell. As this volume opens, Blair has just won a historic third term. But any joy is short-lived and he knows he is running out of road. By the time it ends two years later, Brown is Prime Minister. Campbell was virtually alone in seeing that process from both sides, as Brown began to lean on him almost as much as Blair had done. Meanwhile we continue to get an insight into Campbell's mental health struggles, his attempts to rebuild a normal family life, and the plethora of new challenges he takes on which introduce dozens of new characters, not least the rugby stars he worked with for the British and Irish Lions, and the football legend he has vowed to mention to someone every day for the rest of his life, charity match teammate, Diego Maradona.

The Story of the Masters David Barrett.2022-03 *The Story of the Masters* is the first comprehensive year-by-year history of the world's most famous golf tournament. Veteran golf journalist David Barrett draws upon contemporaneous reporting and other source material to offer dramatic accounts of each year the tournament has been played, starting in 1934. The story of the tournament progresses from the early years when it was founded by golf great Bobby Jones and quickly established itself as an elite event, to the post-World War II era when Sam Snead and Ben Hogan dominated. The thrilling exploits of dashing hero Arnold Palmer brought the tournament into the television age and the sustained excellence of Jack Nicklaus helped to further the prestige of the tournament. Nearly two full decades of European dominance of the Masters heralded the international age of golf. Then Tiger Woods came along and used the Augusta stage for his coming-out party in 1997 and then for his epic comeback in 2019. In Barrett's telling, each year has its own story to tell as the Augusta National course provides the perfect setting for tournament excitement, noted for suspenseful back-and-forth action between multiple contenders--the norm at the Masters. The nature of the course's layout creates opportunities for stirring charges and heroic shots to determine the champion, while filled with enough danger to provoke monumental collapses that also become part of Masters lore. Through the decades, the game's greatest players have shined their brightest at the Masters. Many golfing careers have been shaped and defined by this tournament, and Barrett shares unknown and forgotten stories of not only the sport's stars, but also the many others who challenged them over the years at Augusta.

One Week in April: The Masters .2010-01-25 Forget the birds, the flowers, and April showers: in golf, you know spring has sprung when the Masters rolls around. Held on the hallowed grounds of the Augusta National Golf Club, and widely broadcast on TV, it's one of the world's most-watched sporting events each year. This collection celebrates that famed tournament, as some of America's best known sportswriters--such as Grantland Rice and Jim Murray--praise the event's illustrious history and traditions. The Masters has provided the stage for golf's most prominent names, and they're all represented on these pages, from Gene Sarazen and Ben Hogan to Arnold Palmer and Jack Nicklaus to Tiger Woods. Fans (many of whom dream of playing it themselves) will take a ride down memory and Magnolia Lane, as they recall great moments in golf, and find out about some of the quirkier, behind-the scene moments, both touching and humorous. **MASTERS' FACTS AND FIGURES:** • 43 million Americans watched Tiger Woods win his first of four green jackets. • It's the number one televised golf tournament in the world. • You cannot apply for membership; you must be invited. • The tradition of wearing green jackets began in 1937. • Dwight D. Eisenhower was the only president to have been a club member.

The Upset Al Barkow.2012-06-01 &"Al Barkow, golf's leading historian and story-teller, unfolds the improbable Ben Hogan&-Jack Fleck tale, and the results are as wondrous as the golf itself.&" --Peter Kessler Jack Fleck had the slimmest of resumes as a professional tournament golfer. He had never even come close to winning on the PGA Tour, and was in the mere qualifier category when it came to playing in the 1955 U.S. Open at the Olympic Golf Club in San Francisco. Yet Fleck got himself into a playoff with Ben Hogan, one of the greatest players in golf history, for the game's most prestigious title. And when Fleck defeated Hogan, it was not just surprising, it was incredible. This book presents a thrilling play-by-play, shot-by-shot recounting that brings back to life the look and feel of the entire tournament. Relying on first-hand sources, it reveals the players' mental processes as they strategized their game and handled their emotions. And it finally offers a convincing explanation for Fleck's mind-boggling victory, which was considered at the time and remains to this day one of the most unexpected outcomes in all sports history. Al Barkow is a veteran golf reporter, formerly editor-in-chief of both *Golf* and *Golf Illustrated* magazines, and recipient of the 2005 PGA Lifetime Achievement Award in Journalism. His books include *Gettin' to the Dance Floor* and *Sam: The One and Only Sam Snead*.

Shouting at Amen Corner Ron Green.2012-03-08 *Shouting at Amen Corner* is a collection of the best of Ron Green's columns and articles from his 45 years of covering the Masters for *The Charlotte News* and *The Charlotte Observer*. It's a book about Hogan, Palmer, Nicklaus, Watson, Faldo, and Wood, but it's also about Norman, Weiskopf, Miller, and others who have come so close, only to see the Green Jacket slip away at the last moment. This book is unique in that it recounts history as it was being made, and offers a special intimacy and perspective. Not a behind-the-scenes expose about members, money, and power, but a story of golf's greatest showcase event and the players who have created cherished memories over the last five decades.

A Course of Their Own .2005-01-01 Bill Spiller was forty-seven when he was forced by desperate finances to caddie at the Hillcrest Country Club in Los Angeles. One day Spiller was caddying for a member who became outraged by Spiller's stories of inequities and suffering during his golfing career. The golfer urged Spiller to write California's attorney general, who later ordered the Professional Golfers' Association (PGA) to cease its discrimination. In 1961 the 'Caucasian race' clause was deleted from the PGA constitution. This was an historic decision that gave black golfers the chance to compete at the highest level in the sport. Golf has long been the domain of white men. During the twentieth century, however, African American pioneers such as Lee Elder, Howard Wheeler, and Charlie Sifford broke down the barriers for black golfers who wanted to play, and win, as equals with white golfers. A Course of Their Own looks at golf from the perspectives of these men, who had courage as well as remarkable skills. It tells the stories of their struggles, their bravery, and their passion for the game and puts their lives and contributions into historical perspective.

Making the Masters David Barrett. 2012-03-21 Contested the second weekend in April each year since 1934, the Masters is the world's most prestigious golf tournament and most-watched tournament on television. Tickets are in such demand that even the waiting list is closed, and players value the title above all others. In *Making the Masters*, award-winning golf writer David Barrett focuses his attention on how the Masters was conceived, how it got off the ground in 1934, and how it fully established itself in 1935. The key figure in the tournament's creation and success was Bobby Jones, who was a living legend after winning the Grand Slam in 1930 and immediately retiring at the age of twenty-eight. He went on to found Augusta National and sought a high-profile tournament for his new course. But nearly as important was Clifford Roberts, a banker friend of Jones who not only embraced Jones's vision but became his right-hand man in working to bring that vision to reality. Barrett explores how Jones and Roberts built the Masters from scratch, creating a golf institution embellished by the often surprising details of what that entailed as they were trying to establish a golf club and golf tournament in tough economic times. It also vividly chronicles the events of the 1934 and 1935 Masters, with Gene Sarazen's spectacular victory in 1935 providing the climax. Set against the backdrop of golf, and America, in the 1930s, the book provides an informative and entertaining read for fans of the Masters and students of golf history.
