World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look. Now that you have a bunch of ebooks waiting to be read, you'll want to build your own ebook library in the cloud. Or if you're ready to purchase a dedicated ebook reader, check out our comparison of Nook versus Kindle before you decide. If you already know what you are looking for, search the database by author name, title, language, or subjects. You can also check out the top 100 list to see what other people have been downloading. Services are book available in the USA and worldwide and we are one of the most experienced book distribution companies in Canada, We offer a fast, flexible and effective book distribution service stretching across the USA & Continental Europe to Scandinavia, the Baltics and Eastern Europe. Our services also extend to South Africa, the Middle East, India and S. E. Asia. FeedBooks provides you with public domain books that feature popular classic novels by famous authors like, Agatha Christie, and Arthur Conan Doyle. The site allows you to download texts almost in all major formats such as, EPUB, MOBI and PDF. The site does not require you to register and hence, you can download books directly from the categories mentioned on the left menu. The best part is that FeedBooks is a fast website and easy to navigate. Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and

will be implemented soon. It would be nice if we're able to download free e-book and take it with us. That's why we've again crawled deep into the Internet to compile this list of 20 places to download free e-books for your use. ManyBooks is a nifty little site that's been around for over a decade. Its purpose is to curate and provide a library of free and discounted fiction ebooks for people to download and enjoy. Since it's a search engine, browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you'll have to get used to the terrible user interface of the site overall.
