Just So Stories Rudyard Kipling. 2021-08-03 Just So Stories is a collection of short origin stories by the British author Rudyard Kipling. The stories evolved from a fatherly tradition in which Kipling invented bedtime fairy tales for his daughter Josephine Kipling (1892-99). Josephine delighted in her father's storytelling style and demanded that each story be told just so. Kipling plays the role of the narrator throughout the collection and Josephine is represented by Best Beloved who the narrator addresses throughout Just So Stories. The stories invent explanations for natural phenomena such as an elephant's long trunk or a leopard's spots. Each of these explanations is unscientific and almost all are incorrect but they provide moral tales and humorous lessons for young children. Now over a century old, Just So Stories has drawn criticism from critics for Kipling's interpretations of race and colonialism. Racial slurs and outdated beliefs are present in the stories. Kipling illustrated the original edition of the book and included poems and captions to flesh out the stories.

Just So Stories by Rudyard Kipling by Annotated Edition Rudyard Kipling.2021-05-15 Biography of Rudyard KiplingRudyard Kipling, born in Bombay, India on December 20, 1865, is one of Britain's most famous writers, although his work never attracted the critical acclaim that writers like E.M. Forster, T.S. Eliot, and William Butler Yeats enjoyed. His reputation has suffered in contemporary times due to the sentimentality of his work as well as the themes of imperialism and cultural hegemony.Kipling began his life with his family in India - his father a director of an art museum and his mother a socialite - until, at five years old, he and his sister Alice (Trix) moved to Southsea, England. Kipling felt isolated and neglected in the shoddy care of a family who boarded the children of British nationals serving in India. Art became his refuge and he began to write short stories. Kipling credited frequent visits to the London home of his aunt Georgiana and her husband Edward Burne-Jones, a painter, with saving him. He was exposed to art, philosophy, and literature at a young age. When he was 13, he enrolled in the United Services College in Devon but could not enter the military because of poor eyesight.

Just So Stories Rudyard Kipling. 2020-04-21 Thirteen classic children's stories from the Nobel Prize-winning author of *The Jungle Book*. Inspired by the bedtime stories Rudyard Kipling told his own daughter, Josephine, the charming tales in *Just So Stories*, including "How the Leopard Got His Spots" and "How the Camel Got His Hump," attempt to answer the many questions children have about animals. "Children love these stories as well because of their extraordinary ingenuity and inventiveness. Kipling has an Aesopian understanding of animals, of our dealings with them and our curious interrelatedness, interdependence, how we can learn about our own strange behaviour, our vanities

and our foolishness, through them and through our relationship with them.” —Michael Morpurgo, *The Guardian* “It does for very little children much what the *Jungle Books* did for older ones. It is artfully artless, in its themes, in its repetitions, in its habitual limitation, and occasional abeyance, of adult humor. It strikes a child as the kind of yarn his father or uncle might have spun if he had just happened to think of it; and it has, like all good fairy-business, a sound core of philosophy.” —*The Atlantic*

Little Children is a 1902 collection of origin stories by the British author Rudyard Kipling. Considered a classic of children's literature, the book is among Kipling's best known works. Kipling began working on the book by telling the first three chapters as bedtime stories to his daughter Josephine. These had to be told just so (exactly in the words she was used to) or she would complain. The stories describe how one animal or another acquired its most distinctive features, such as how the leopard got his spots. For the book, Kipling illustrated the stories himself. *Just So Stories by Rudyard Kipling* Rudyard Kipling. 2017-07-21 Just so Stories by Rudyard Kipling

IN the sea, once upon a time, O my Best Beloved, there was a Whale, and he ate fishes. He ate the starfish and the garfish, and the crab and the dab, and the plaice and the dace, and the skate and his mate, and the mackereel and the pickereel, and the really truly twirly-whirly eel. All the fishes he could find in all the sea he ate with his mouth-so! Till at last there was only one small fish left in all the sea, and he was a small 'Stute Fish, and he swam a little behind the Whale's right ear, so as to be out of harm's way. Then the Whale stood up on his tail and said, 'I'm hungry.' And the small 'Stute Fish said in a small 'stute voice, 'Noble and generous Cetacean, have you ever tasted Man?' 'No,' said the Whale. 'What is it like?' 'Nice,' said the small

'Stute Fish. 'Nice but nubbly.' 'Then fetch me some,' said the Whale, and he made the sea froth up with his tail.
