Renovation of the Heart Dallas Willard.2014-02-27 As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. *Renovation of the Heart* lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge *Renovation of the Heart* offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

Dr. Edman had a great influence on both my wife Ruth and me. We thank God for his life, and commend his unique devotional books to you. - Rev. Billy Graham

Old Paths, New Power Daniel Henderson.2016-05-13 From a recovering "leadershipaholic: our best model is the first one. With all our sleek ministry models, it's a wonder our churches are declining—until we read Acts 6:4, "But we will give ourselves continually to prayer and the ministry of the word." After a long, sometimes trying ministry journey, Daniel Henderson was relieved to discover what the apostles knew from the start: The main thing must stay the main thing. It worked in their pagan times, and it will in ours. Old Paths, New Power: Reviving Our Churches through Prayer and the Ministry of the Word calls us back to the tried-and-true: pray and proclaim the word. Henderson, who leads a growing church revival ministry, guides you through the essentials of sparking a spiritual renaissance: Be a leader who walks with the Lord Develop a strong prayer culture in your life and ministry Preach with unction, dependence, and integrity Equip every saint for the work of the ministry Embrace the sufficiency of the gospel Our churches don't need fresh models and fancy things; they need the Holy Spirit, and He rains down when we pray and proclaim the word. Read Old Paths, New Power and follow God's master plan.

Divine Leadership Daneen Musolino, Michael Musolino. 2023-02-22 This is a quick, insightful, and simple guide to help jumpstart your day as a Christian leader in the secular workplace. • On the subject of "No Shortchanging," the authors observe, "You have to work with people who are at different levels and who have different capabilities. Odds are you have that go-to person in your office—the one who you can pile the workload on. That's great for you, but what about the rest of your employees? Are you shortchanging them by not assisting in their growth?" • On "Planning for Success," they share, "Have a plan in place for your goals, your week, and especially your day. You will get more accomplished and have less stress." • In "Talk to Your Team," they recommend, "Make time to talk to them as individuals, even a few minutes. It is vital to know your employees for the function and growth of your team, and you will be surprised what a few minutes of simple but sincere interactions can build." Each thought includes a verse from the Bible to drive the point home. Leverage godly wisdom to hone your skills as a leader and help your team members and organization succeed with the guidance in *Divine Leadership*.

Christian Leadership Benjamin A. Van Winkle. 2010-08-12 This is a documentary on leadership from the Bible and how the Patriarchs depended on God for direction and guidance. It is an example for both Christian and secular leaders. The material in this book is brought to you from a personal viewpoint; hopefully it will inspire those of you who read it to step out into the ranks of Leadership with renewed hope and ambitions. There is nothing, as satisfying as being a servant and helper to all who recognize the position of Leadership and finding real pleasure in supplying the wants and needs of their leader. Without healthy competition the leader and the organization will fail. This is what makes our free enterprise system work. We should know who we are and be the best we can and do the best we can at what we do. But we should not be so prideful that others don't count. The leader should be able to appoint leaders from the group he leads. In Leadership one of the best ways to practice Christ likeness is to start each day with this question. Who can I serve today? Remember Jesus in His leadership of the twelve Apostles, He showed humility. And that made Him a good leader. Remember a leader should always be respected to get the job done. One important thing we must remember we should not get to the point where we feel we are indispensable. Our most important commodity is time.

Transforming Prayer Daniel Henderson. 2011-01-01 Praying Christians are hungry to learn how to connect with God in a way that takes them beyond the typical grocery-list approach. *Transforming Prayer* explores the profound difference between seeking God's hand (what he does for people) and seeking God's face (who he really is). With captivating stories of the transformative power of personal worship and its connection with prayer, this book equips readers with practical tools for a more effective personal and corporate prayer life.

Training Disciplined Soldiers for Christ Tim W. Callaway.2013-04-17 The comparative scarcity of academic attention given Prairie Bible Institute located at Three Hills, Alberta, Canada, serves as the primary motivation behind this book. This work should therefore be regarded as an attempt to contribute to and refine the very small amount of research available regarding how Prairie Bible Institute's first half-century should be understood and interpreted by students of North American church history. Drawing on an insider's perspective of PBI, former PBI "staff kid" Tim W. Callaway challenges the adequacy and accuracy of Canadian scholar Dr. John G. Stackhouse, Jr.'s inference that the kind of "sectish evangelicalism" that typified PBI in the twentieth century was substantially different from the characteristics that define the traditional understanding of American fundamentalism. The undertaking contained in these pages advances the perspective that Prairie Bible Institute during the L.E. Maxwell era did in fact reflect the influence and attributes of American fundamentalism to a far greater extent than what Stackhouse allowed for in his research.

God's Love Language Dr. LaNissa Finney, MDiv DBS.2022-09-29 If God is speaking to us, then what is He saying? That is what most people want to know. This book reveals God's love language from Genesis all the way into the New Testament when Jesus finally appears on the scene. It takes an in-depth look at God's communication with Israel but also the world outside of Israel. It explores the blunders and calamities that God's people get themselves into and reveals God's response as a love language. Each book of the Bible tells a unique story, and within that story, God is speaking a language of love as reconciliation. The goal is to see God's love even if that language is challenging at times. Within each disaster of the biblical narrative, God reveals Himself as faithful and loving. Even in God's judgement, there is a beautiful language of love being revealed, which is clearly seen in God's exchange with Pharaoh. This book will help answer difficult questions about the Old Testament while pointing out God's method of communication with the people of the Old and New Testament. The aim is to help you see the conversation between Creator and creation as both purposeful and affectionate.

Liberated Hugh Barber.2014-09-19 In [this] freedom Christ has made us free [and completely liberated us]; stand fast then, and do not be hampered and held ensnared and submit again to a yoke of slavery [which you have once put off]. Is who you are today based on what you do, or is it defined by who you are? A distorted identity and life of bondage are not a coincidence. A poor understanding of our identity is the primary cause of bondage amongst Christians today. For your identity directly determines your every decision and how you choose to live your life. A person who is liberated has the right or power to do as one pleases, or freedom without restraint or bondage. Galatians 5:1 declares this reality - It is for freedom that Christ has set us free. However, too many sincere believers today are living in some type of bondage when they already have the power to be set free. Therefore understanding who we are and unlocking the power within us as children of God is the key to liberated life. A desire to be all that God created us to be should be our highest pursuit in life. When we understand who we are and our purpose in Christ, we will be able to take hold of all the amazing plans He has in store for us. In this book you will understand the reality of your true identity as a Christian, the purpose of being broken and restored, as well as the importance our thoughts captive. You will discover practical steps to walking in freedom and the significance of becoming all you were created to be. Founded in biblical principles and inspiring stories, this book will help you realize your true identity that can empower you to having long lasting freedom in every area of your life. What other people daily struggle with does not have to be your story too. That there is absolutely nothing which is too powerful or difficult for God to set you free today. No matter your past mistakes or current circumstances, join me as we realize the divine freedom that is ours in Christ.

Dangerous Jesus Kevin "KB" Burgess.2023-03-07 No one was more dangerous than the Lord Jesus. From the moment He arrived on the scene, Jesus

posed a threat to the unjust, a threat to the oppressors, and a threat to every semblance of authority wielded by the kingdom of darkness. He invaded the world with love for the forgotten, hope for the hopeless, and freedom for the bound. His ideas were disruptive, subversive, and scandalous to the world around Him. Jesus was so dangerous, the powers that be killed Him. Today, our generation is seeing a surge of people walking away from the Christian faith. But what's repelling people isn't Jesus; it's that what is often propagated as mainstream Christianity is simply not worthy of His name. Jesus is the most admired figure in history. He is also the most ignored, weaponized, reinterpreted, and misappropriated figure in history. The question is . . . who do you think He is? In *Dangerous Jesus*, Kevin "KB" Burgess—award-winning rapper, podcaster, and international speaker—reintroduces us to the true Jesus, the one who poses a living threat to the status quo. He's a threat to our division. He's a threat to our rebellion. He is the kind of dangerous that is so infused with power from on high that nothing stays the same when He walks into the room. His love is so strong, it's intoxicating. His truth is so good, it sets people free. We need to reconnect with this Jesus. We need to become a threat to the threats. We need to be dangerous. If you're ready to meet the real Jesus . . . If you're ready to join in the fight . . . If you want to make the church a genuine threat to evil once again . . . join KB in *Dangerous Jesus* and encounter the enemy-loving, world-changing, good-dangerous Savior.

Lead like Christ A.W. Tozer. 2021-07-13 What Does Christ-Centered Leadership Look Like? As a Christian, does your leadership approach look any different from that of those who don't follow Christ? Throughout the Bible, God shows us what leadership looks in His kingdom, and sometimes it can seem upside-down. The first shall be last. The master shall be the servant. But how can we apply these counterintuitive truths in our world today? Rather than focusing on the nuts and bolts of management, *Lead like Christ* uses the book of Titus to take a close look at what biblical leadership entails. Using Paul's instructions to his young ministry partner as a guide, Tozer takes us through themes of grace, servanthood, spiritual boldness, and humility toward the Word of God. This foundation will lead to powerful, long-lasting change in both your own leadership role today as well as in God's eternal kingdom.

Wingspread A. W. Tozer. 2010-08-02 Albert Benjamin Simpson was God's man. From inauspicious beginnings in Bayview, Prince Edward Island, Canada, he rose to prominence through Presbyterian pastorates in Hamilton, Ontario, Louisville, Kentucky, and New York City. But God had other plans for Simpson. He resigned from his comfortable pulpit to launch a ministry aimed at reaching the world's lost multitudes. *Wingspread* is Simpson's story—a story of one of God's chosen leaders, written by another man of God, A. W. Tozer. It will captivate and challenge you, inspiring

you to rise up and attempt something great for God.

One Good Word a Day Kristin Demery, Kendra Roehl, Julie Fisk. 2021-10 If you were to pick one word for the year, what would it be? Invite . . . Abide . . . Balance . . . Simplify . . . ? Every January, many of us proclaim our word for the year, choosing something inspiring that will help us set our intention for the coming months. But what would happen if rather than choosing one word for an entire year (because let's face it, some of us forget by March), we focused on one good word each day--one thought-provoking, spiritually relevant, and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives? *One Good Word a Day*, by the creators of the online community, The Ruth Experience, offers simple, but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives. Jesus is more than one word. He offers us abundance, hope, peace, kindness, courage, mercy, and so much more. *One Good Word a Day* reminds readers that in Christ, we find all we need to live encouraged and uplifted every day.

Tozer on Christian Leadership A. W. Tozer. 2007-09-10 Leadership Wisdom from the Late, Great A.W. Tozer A.W. Tozer knew spiritual leadership as a grave task, one demanding great devotion and even greater dependence. Tozer for the Christian Leader makes the late pastor Tozer into your personal mentor. Saying the hard things you need to hear as well as words of grace to build you up, he displays God's Word in its full spectrum: as a sword and as bread. Ignore him and you forfeit the wealth of his wisdom for you. Plug your ears and you silence his word that instructs so highly. Read without action and you waste treasures given freely. Tozer will inspire you to work hard for God. He will call you to cultivate a Spirit-filled heart. He will urge you to have great faith—to see God big, pray expectantly, and worship fully. He will help you be a better leader, one fit for service to the Most High God. These daily reflections, grouped thematically by month, are ideal readings for any Christian leader—pastor or otherwise.
